She prefers diners to fancy restaurants coffee or whisky to champagne and sometimes she adults, {site_link} When cute blonde Kaylee bursts into Erika's vet office to get urgent treatment for a cat she rescued the determined young woman gets more than she bargained for: Erika is a hot lesbian vet who has longed for a pet to call her own but she doesn't have time to play the dating game, When Erika expects her new pet Kaylee to submit to a thorough humiliating medical exam Kaylee is unsure if she still wants to play puppy, This is a 10000 word short story for adults containing lesbians engaging in BDSM pet play and medical play: If that's the way you like it this erotica story is for you! The Vet and Her Puppy This is a quick and dirty little story: Kaylee rushes into Erika's vet clinic holding a cat that she rescued from some jerk kids who were trying to kill it. Kaylee introduces herself as a single lesbian and Erika is all for that idea: When Erika sets up a date with Kaylee she explains that she likes her girls to be puppies and there will be all kinds of happy going on for both of them. I loved reading it and will read it when I need a nice kinky pick-me-up. The Vet and Her Puppy Erotic Veterinarian and Client become lovers, The both had a hard outing but vet still ok with parents and client is not: They finally move in together and dominant vet has her female submissive forever: The Vet and Her Puppy A quick and kind of sweet read with plenty of hotness and a huge amount of instalust that had me eager to turn the page. It's basically an instalove or at least instalust story. Lots and lots and lots of lust. And some more lust. Erika is also very dominant while Kaylee is submissive. Great story quick read. Nice and dirty. The Vet and Her Puppy
