

The Dukes Shotgun Wedding (Scandalous House of Calydon, #1) By Stacy Reid **Book The Dukes Shotgun wedding cake** The Dukes Shotgun Wedding (Scandalous House of Calydon).

## **Book The Dukes Shotgun wedding**

A lovely historical romance novella The Duke's Shotgun Wedding is book #1 in the Scandalous House of Calydon series by Stacy Reid. **The Dukes Shotgun Wedding book** In fact this story had immense potential for a whole forced marriage love story but novellas tend to inhibit the detailed storytelling and thus the readers are left with a quick 'am in love' theme. **Kindle The Dukes Shotgun wedding cake** There's a sub-plot of Sebastian's mother which again I thought could have been fleshed out properly but for a novella Stacy Reid has certainly managed to convey the gist of Sebastian's never fall in love deal. **Book The Dukes Shotgun wedding cake** 112 I loved this book! Stacy Reid has a spectacular fresh voice that sings and the book is super sexy which I'm all about!! 112 A lovely enjoyable read The Duke's Shotgun Wedding was a wonderful historical romance novella. **Book The Dukes Shotgun wedding** While her father is an earl Jocelyn has maintained a low profile as they did not have funds to provide her with a proper debut and she fears that if she does not make a match with a man of means soon not only will her father lose their home seat but her younger sisters will never be able to have their own debuts or be able to choose their own husbands as they would be forced to settle for a provider instead of true love. **The Dukes Shotgun Wedding booklet** Jocelyn herself had almost given up on the idea of love until she met Anthony when he was visiting a neighboring estate and when he gave her his mother's treasured locket she took that as a declaration of his intentions to wed her but when she read the papers she saw an engagement announcement that he was set to wed another woman in a couple of weeks. **Kindle The Dukes Shotgun wedding** As time is running out for her to help save the family estate she banked all of her hopes on this match to save her family and now she is angry and refuses to go down without a fight. **Book review shotgun wedding** Sebastian Jackson Thornton the twelfth duke of Calydon is intrigued by the lady who barged into his home wearing last season's style of riding habit and who then proceeded to pull a derringer from her purse and point it at his person. **Book The Dukes Shotgun weddingwire** While she puts on a brave face he knows she is not as committed to the idea of actually shooting him as her arm is shaky and even though she is wearing a thick veil to conceal her features he can see her desperation. **The Dukes Shotgun Wedding ebooks free** Alas he cannot give her what she wants as his younger brother actually eloped with the woman he decided to marry; the announcement was intended to cover any scandal and serve as the much more formal event. **Book The Dukes Shotgun wedding guest** While she found Anthony to be attractive she finds that there is something about Sebastian that goes much deeper than attraction; thus she agrees to his ridiculous demands for an immediate wedding. **Book review shotgun wedding** Will he be able to set aside his anger and break his own rules to allow Jocelyn in or will he push her away and destroy his own chance at happiness in the process? What I liked:--- Strong h who did what she had to do to save her family; swoon-worthy fixer up duke who can't resist the feisty lady who literally lands in his lap--- Very fast moving plot line with more depth than I usually find in a novella length book--- STEAMY GOODNESS What I didn't like as much:--- Too short! I wanted more!! :) Overall a quick but solid steamy and very worthwhile read! Plot --- 4. **Book review shotgun wedding** 5/5 Steam Level\* --- 4/5 Violence --- nothing graphic Language --- not egregious POV --- 3rd\* Note that steam level is not a rating so much as a how hot was it: 0/5 - clean; 1/5 - mild; 2/5 - sensual but nothing descriptive; 3/5 - now we're getting somewhere; 4/5 - yes please! ; 5/5 - they did EVERYTHING in this one y'all 112 Re-Read 4th Sep 2020 - note to self when a re-read has me frowning double check things on Goodreads. **Book The Dukes Shotgun wedding** 5 Stars - I'm Left Feeling Unsatisfied Lady Jocelyn Rathbourne is desperate her father is impoverished and in danger of losing the family estate on top of which she has siblings with no decent future in sight unless she can do something to change their circumstances. **Book The Dukes Shotgun weddingwire** The Duke finds himself surprised and somewhat amused by the bold beauty that so fiercely enters his life

he also sees someone who he wants and will fit into his plans nicely. **Book The Dukes Shotgun wedding venues** Sebastian on meeting Jocelyn feels she is a perfect contrast to the vapid and shallow ladies that exist in the Ton and so he decides she would make him the perfect bride/wife. **EPub The Dukes Shotgun wedding cake** The manifestation of love when it came to Jocelyn's feelings for the Duke felt far too quick the development of this almost insta-love could have worked if the author had fleshed it out a bit more. **Book The Dukes Shotgun wedding** The bones of this book as well as the two main characters had the potential to create something deliciously enticing but the manner in which the author depicted things heightened the sense that the read was far too short and the potential of the tale and characters had not been realised. **The Dukes Shotgun Wedding booklet** 112 5 Freaking Amazing Stars! This was my first Stacy Reid book and I loved it! I am prone to writing structured detailed reviews but this one is going to be short sweet & apt just like this novella!- I enjoyed the plot of marriage at a gunpoint as it was so damn unique, For Lady Jocelyn demands satisfaction - and she will have it at any cost, **Paranormal The Dukes Shotgun wedding dresses** Even if it means demanding the hand of the intense and foreboding Duke himself, **EPub The Dukes Shotgun wedding guest** But she's made the first move against a very dangerous opponent: **The Dukes Shotgun Wedding kindle reader** And to find a wife with spirit and fire - even if she means to only marry for his money - would be a great prize indeed: **Book The Dukes Shotgun wedding** It is a short story so obviously the forced marriage for convenience to love between the couple does happen fairly quickly: **Book The Dukes Shotgun weddingwire** But what was enjoyable was how strong and feisty the heroine Lady Jocelyn was characterized. **The Dukes Shotgun Wedding booklet** The initial scene of her walking in with an ultimatum and a pistol aimed at the Duke of Calydon was simply breath-taking. **Book The Dukes Shotgun wedding** Both Sebastian and Jocelyn are endearing characters and I loved how Jocelyn seems to always speak her mind in a forthright manner without any qualms, **Book The Dukes Shotgun wedding** I think it is really hard to convey all the emotions and feelings in such a short amount of time: **The Dukes Shotgun Wedding ebook** I loved how this book started out as I am a huge fan of strong heroines. **Book The Dukes Shotgun wedding** The wedding night was hot and explosive however it seemed quite unrealistic considering the heroine's experience level: **Book review shotgun wedding** I am just not a fan of insta-love stories I like a little bit more meat to my story: **The Dukes Shotgun Wedding fantasy football** Saying that this story had a great foundation for an angsty romance. **Book review shotgun wedding** Unfortunately it was crammed into a little more than 100 pages and we lost out on a lot of dialogue that I think would help develop the story, **The Dukes Shotgun Wedding booking** I may not like novellas but I'm a huge fan of Reid and I look forward to reading more from her: **EPub The Dukes Shotgun wedding guest** Both characters were good though I had a small issue with each. **The Dukes Shotgun Wedding kindle paperwhite** Jocelyn was strong and determined to ensure her family's future: **The Dukes Shotgun Wedding booker** However she was also mindblowingly impulsive in a way that was just bewildering and somewhat selfish in the way that she didn't consider the consequences. **Book review shotgun wedding** Sebastian was sweet and honorable to a fault but he could also be a real ass, **Book The Dukes Shotgun wedding** The sparks were constantly flying whether these two were arguing or ripping each other's clothes off: **Book The Dukes Shotgun wedding** But they were also sweet together when they took a minute to calm down, **Book The Dukes Shotgun wedding** The plot was quick and I was kept hooked the entire way through, **Book The Dukes Shotgun wedding** The Duke's Shotgun Wedding was a wonderful historical romance novella that I truly enjoyed reading: **Book The Dukes Shotgun wedding** Romance lovers if you want a quick sweet read then you'll want to check this book out: **The Dukes Shotgun Wedding booklet** \*I received a complimentary copy from the publisher in exchange for an honest review 112

Then so be it. For Sebastian Thornton is no stripling to be trifled with. The lady has played her hand. Now it's his turn. For Sebastian is in need of a wife. And he intends to thoroughly take his pleasure with her. and demands his own satisfaction in return. 112 Good enough 112 Fair warning.I am realizing I overall am not a big fan of novellas. However it just seem to go way too fast. I really liked this short and sweet read. Overall though I liked them both.The romance was great. I thought they were a lovely couple.
