

The Elements of Fucking Style By William Strunk Jr. The Elements of Fucking Style this is a very misogynistic homophobic vulgar triggering and overall inappropriate piece of literature but it is also a genius approach for learning the boring rules of academic writing The Elements of Fucking Style I have no issue with language or sexually explicit content - in fact I'm a fan:

* The classic text on writing style annotated with example sentences and delightfully laced with profanity, When it comes to getting your point across clear and concise writing makes all the damn difference. 's classic guide to effective writing style has received an irreverent makeover that makes it easier for the rules to penetrate your thick-ass skull: But this book is so insanely misogynistic that I'm shocked it's still in print: It uses the word "slut" on almost every page and pretty much interchangeably with "woman." Every woman in the book is a "little slut" or a "hooker: " It's as if the book was written by a group of drunken date-rapists in a frat house: If you want to use examples of women being sexual I'm all for it as long as you give them some agency and don't slut-shame them at every turn: I mean seriously? Slut-shaming in 2021? We're still doing that? There's also some fun racist stuff peppered in there as well, I didn't read the whole thing but I pulled some prime examples of my biggest "yikes" moments out. Almost all of these were sentences used to illustrate a grammar or punctuation rule, CW: racist language sexist language Examples: She usually lets me fuck her in the ass but only after dinner and a movie: Remember when Southern blacks thought it was cool to wear a grille on their teeth? I took her unwillingness to blow me as my cue to leave: She liked being fucked in every way possible and didn't care who was fucking her. I'll take the blonde the brunette the redhead and the Hispanic chick: The girl I had anal sex with freshman year has a great set of tits: Her tits drooped much more than they had prior to childbirth and as I regrettably discovered her vagina looked like a collapsed termite mound. The night had been a complete disaster but a blowjob would probably salvage things: Jim's sister little slut that she was spend half the night prancing around in her underwear. The best way to deflower a virgin unless you're a sadist is to bite down on her ear as you slide in: Martin's Press to pull the book until they can do some GIANT edits, was a professor of English at Cornell University and together with {site_link} E, was a professor of English at Cornell University and together with {site_link} E. To hell with stuffy grammar guides. William Strunk Jr. Holy shit that's a loose pussy. One of my sisters Lauren is a complete slut. He fucked a slut he fucked the slut. So yeah. This one's a HUGE no for me and I'd ask St. It's just gross. The Elements of Fucking Style An irreverent look at grammar. The Elements of Fucking Style A much entertaining version. Lol The Elements of Fucking Style I know. But it's good. The Elements of Fucking Style William Strunk Jr. B. White author of The Elements of Style (1918). William Strunk Jr. B.
