I should note for merely reference purposes that the chapters are Lemon & Lime Chocolate Mint & Basil Salt & Pepper Cinnamon & Spice Vanilla Ginger & Chili and Garlic & Onion. **Flavors ebooks free** Although some of these chapters obviously are all or mostly all sweet or savory (none of that ridiculous chocolate pasta stuff here) there is a really nice balance between the two overall. **Kindle favorites list** 9780060566296 Focusing on her favorite ingredients and incorporating them into easy recipes for all occasions Donna Hay brings a range of rich tangy mellow and refreshing flavors - - vanilla and chocolate lemon and lime ginger and chilli among them -- to your table. **Kindle favorites** With photography that is as fresh and lively as the food and ideas Donna Hay is acclaimed for this book begins with the basics adds some inspiration and delivers dishes that you will want to cook and savor the flavor of again and again.
