FriendsDash and Rage have been friends forever. Both firefighters they never expected to be any different. Until one day everything changed. Good reading. Kindle Edition Continuation of the Cafe Om series. Best friends and firefighters. The snark between these two characters was great. Annnnd babies. This one fit the bill. I'm a real sucker for friends to lovers.alpha omega or beta. Dash is devastated to find out he's an omega.and that affects everything about how Rafe deals with him. They've never explored anything more.but it's a minor point in the conflict). And that's the basic premise of the story. Overall it was a fun book and an easy read. I enjoyed the world and the group of friends. Kindle Edition 3. At first he was angry. It certainly changed his trajectory in life. They already work together as firefighters. They already live together. And now suddenly they have a cat together. Kindle Edition This book is fun fluffy and low-angst. Dash and Rafe have been friends for years. They are also roommates and firefighter co-workers. Kindle Edition What to say about this . Hot Hot Hot! This is a friends to lovers story. Roommates for years best friends for life. Excellent chemistry well written story
