#EXSTRANGE
 A CURATORIAL
 INTERVENTION
 ON EBAY

#exstrange

Book bolt

a curatorial intervention on eBay presents the #exstrange exhibition project which transformed one of the largest marketplaces on the web — eBay — into a site of artistic production. **Johnnie cochran** This book documents artworks reveals the aftermath of auctions and correspondences between artists and bidders and features essays by lead curators Marialaura Ghidini and Rebekah Modrak cultural critic Mark Dery journalist Rob Walker media and material culture scholar Padma Chirumamilla guest curator Gaia Tedone and artist and writer Renee Carmichael. **Bookshelf** Over 80 contemporary artists and designers created “artworks as auctions” for #exstrange between January 15 and April 15 2017 each using the elements of the auction listing—descriptive text images pricing and categories—as tools of production. **Aol mail** Works include artist Lucy Pawlak’s collaboration with the Beat Officer to sell a series of clay objects as missing evidence from unexplained events in Mexico; IOCOSE’s sale of instant protests in the category “Specialty Services” where buyers chose the protest mantras.
