

The Peoples Freight Railway Co (Classic Reprint) By Unknown **The Peoples Freight Railway cory**
{site_link}

Excerpt from The People's Freight Railway Co It is founded upon the further theory that any new railroad between the West and the East under private corporate control will furnish no material element in solving the problem of cheap transportation unless it be provided with some certain protection against the control and influence of such great railroad corporations as the Pennsylvania and the New York Central. **Book The Peoples Freight Railway communication between** And upon the further theory that a new railroad between the East and the West can be made to carry freight as cheaply if not more cheaply than can be done by water transportation if it be honestly constructed for the ready cash in the most judiciously economical manner of the three feet gauge with double tracks and low grades; provided the railroad company owns the road-bed and tracks and individuals and firms who wish to become common carriers own and operate the trains paying the railroad company prescribed tolls the trains being moved at a uniform speed of say ten miles per hour and there being full business for the capacity of the road thus managed.
