

Don't Rush Me (Nora Jacobs #1) By Jackie May **Do not rush meme** This is another one of those series where the ardent reader is left trying to gain the power of the seer in an attempt to discover when the next book is going to miraculously appear. **Don't rush me song** Just how am I supposed to keep apace of it all? My calendar holds whatever I can keep abreast of so authors look at the stats for succeeding novels in a series and shudder in horror. **Don't rush meme** Hint hint put novels out with at least naming a month for the next book in your series and try to put it out within the following three months to maintain continuity so the reader has enough recall. **Don't rush me song** PS next book so far scheduled for May 2018 Jackie May Nora hat eine besondere Gabe denn sie kann bei Berührung Gedanken lesen und auch Gegenständen kann sie ihre Geheimnisse entlocken. **Don't rush me please poem** Ich war schon ein bisschen besänftigt durch die Tatsache dass Nora selbst das als Fluch bezeichnet und merkt dass das Ganze eine magische Ursache haben muss aber auf Dauer hat es mich schon genervt. **Don't rush me crossword** Ich kam in anderen Büchern von Kelly Oram die unter dem Pseudonym Jackie May zusammen mit ihrem Ehemann Josh Oram schreibt nicht immer so mit dem Schreibstil zurecht aber hier hat er mich weniger gestört als sonst. **Don't rush me crossword** Der Fokus liegt auf dem Fantasy-Abenteuer und all den Männern die Nora zu Füßen liegen sodass die Handlung vorangetrieben wird und es weniger Platz für dramatische Gefühlsausbrüche gibt aber ein paar unangenehme und unrealistisch wirkende Gespräche und Situationen gab es trotzdem. **Don't rush me crossword** Durch die Entführungsfälle und die gefährlichen Unterweltler-Männer war die Noras Abenteuer schon sehr spannend aber mich hat auf Dauer genervt wie verzaubert alle männlichen Wesen von Nora sind. **Don't rush me song** Jackie May Great Story But Reverse Harem?The thing is reverse harem is my personal book addiction and while this story presents a lot of male characters reverse harem slow burn or not it really doesn't fit the bill. **Don't rush me t shirt** Okay I get that slow burn reverse harem doesn't jump right into sex but some of the set up between the male characters and Nora there's just no transitioning that to an acceptable relationship. **Don't rush me print** I Don't freaking care if he's Brad Pitt if those two ever get involved romantically I will be entirely done with this series it doesn't get more abusive and dysfunctional than Henry. **Dont rush me spd** I'm seriously hoping the authors change their mind about going the reverse harem route because as a parnormal/urban fantasy style mystery series they have an absolute gem as a reverse harem it's severely lacking. **Don't rush me meme** However the thing where all men are obsessed with this one girl and her blood smells good and all that shit is just too much like Twilight and y'all know how I feel about that shit. **Don't rush me meme** How fucking boring is that? All you need to know about the cast of Don't Rush Me can be summed up by their feelings for her:-Xavier: wants to hurt Nora but also kind of wants to sleep with her-Henry: wants Nora to be his mate starts hissing when anyone suggests otherwise-Oliver: has spent most of his life watching over thinking about or protecting Nora-Parker: finds Nora fascinating gasps at every thing he finds about about her (he gasps A LOT)-Terrance: instantly protective of Nora-Nick: totally ready to do anything Nora asks-Elijah: is unsure whether he wants to marry or murder Nora-Cecile: really fascinated by Nora's unique powers-Shandra Nadine etc: super grateful to be saved by Nora. **Dont rush me spd** What's the point of putting your heroine through so much off-screen abuse characterizing her immediately as the innocent victim/martyr? There's no character development to be gained from this since it always happens before we meet her. **Don't rush me meme** It's pretty clear in this book from how Henry reacts upon discovering her past: Seeing everything I've been through he doesn't just become drawn to me; he instantly becomes protective of me. **Don't rush me clue** Jackie May I know this says book one but its really a prequel *mic drop*I really enjoyed this book but not necessarily this heroine *yet*Nora Jacob has a little bit of special snowflake Mary-Sue vibes that I have never been a fan of in any book But her character also has some great glimpses of being capable wanting to help people and actually having self-preservation after being hurt in past Heads up there are some serious trigger warnings here lots of reference to abuse rape PTSD mind rape etc. **Don't rush me clue** I staked the bastard and he can still talk? He's like a damn cockroach" But the author totally flips it around and basically says fuck those guys that wants to "baby her". **Don't rush me song** If you say this a reverse harem... then give me a goddamn reverse

harem I guess we could describe this as the slowest burn ever because we meet a variety of guys with no real romance to show for it *frowny face* Parker the vampire enforcer Oliver the sorcerer (who was really kinda eh wimpy) Terence the awesome troll who got hard-core friendzoned here *tears* Nick a demon ?? something ?? Honestly I really loved the odd collection of magic and characters we've met so far they all added a funny overlay to the plot I really enjoyed "As I leave I hear Oliver mutter "The woman just fist-bumped a troll. **Don't rush me meaning** I found the story engrossing the characters engaging the mystery exciting the pace thrilling And we'll probably meet more harem potentials as the series develops and Nora joins the supernatural world So why do I consider this a prequel? Because all the elements are just set-up here. **Don't rush meme** But its completely new to Nora and she never really ventures outside one supernatural club so implies we gonna see more later are you seeing a pattern? So that's why I consider this a prequel because its all set-up for the real first book and rest of series. **Don't rush meme** I'm looking for Nova develop out of her Mary-Sueness into her own character the harem to start forming some more chemistry and bonds and more supernatural mysteries that I always adore Jackie May Ich sag mal so das hier ist das erste Buch dem ich nur 1 Stern gebe. **Don't rush me meaning** Angefangen davon dass es mehr Frauencharaktere geben muss kann auch nicht jeder zweite männliche Charakter ein Entführer oder Vergewaltiger sein diese Message ist mir einfach völlig zuwider. **Do not rush meme** Wenn jeder Mann ein potenzieller Vergewaltiger ist und das noch irgendwo abgewiegelt wird - was ist denn das für eine Message? Jackie May Cool! New-to-me urban fantasy with all the magic critters in there. **Don't rush me song** Instead of being nice and giving her all their money and chocolate - which is totally how I would use such a power if I had it these guys get obsessed with her in a way that stalkers get. **Don't rush me print** In an attempt to get her newest stalker to not rape her she gets him to take her to a club that has all of the supernaturals of the world just looking for their latest prey,

Don't rush me crossword

Most humans have no idea that a dark and deadly underworld filled with magic and monsters exists, **Dont rush me spd** They wander through life blissfully ignorant of the supernatural world around them. **Don't rush me meme** Nora knows exactly what kinds of hellish creatures haunt the streets of Detroit, **Don't rush me song** Thanks to a unique set of psychic abilities Nora has managed to steer clear of the underworld most of her life. **Don't rush me t shirt** But all that changes the night the most powerful vampire in the city discovers her gifts and decides to use her as a tool to find one of his missing clan members. **Don't rush me song** As if that's not bad enough Nora believes she's cursed, **Don't rush me crossword** All her life people especially men have been drawn to her—some to the point of obsession and violence: **Don't rush meaning** Underworlders it seems are not immune to this curse and now she's caught the attention of some of the most dangerous monsters in the city, **Don't rush meme** Neck deep in an investigation only she can solve Nora quickly makes as many new allies as she does enemies. **Don't rush me please poem** Her biggest problem is staying alive long enough to decide which is which: **Don't rush me meme** Don't Rush Me (Nora Jacobs #1) Jackie May is a pseudonym for a husband and wife writing team: **Don't rush meme** Josh and Kelly live outside Phoenix Arizona with their four children and their cat Mr: **Don't rush me meaning** (And she keeps asking for her cut of the profits since we're using her name: **Don't rush meaning**)In a Rush for the Next Book This was a great read if a little slow in places: **Don't rush me meaning** The characters are all likable and the personalities are a good fit, **Don't rush me meaning** I suppose this could squeeze into the urban fiction genre and so far in the story I can not see why the reverse harem category: **Do not rush meme** There is no sex in here and no hint of hot and steamy any time soon although she has a number of interested romance possibilities: **Don't rush meaning** I get so many emails that feat is a no go and surfing for all those authors I am waiting on is akin to waiting for an immaculate conception. **Don't rush me meaning** I recommend

this to readers of the Kindred series Secret McQueen and Nikki Jefford. **Don't rush me crossword clue** Von gefährlichen Unterweltlern hält sie sich aber fern - bis sie in einer Reihe von Entführungsfällen verdächtigt wird und eine ganze Menge Unterweltler kennenlernt: **Do not rush meme** Manche von ihnen sind so gefährlich wie sie es sich immer ausgemalt hat so wie Vampirmeister Henry der große Pläne mit ihr hat, **Don't rush meaning** Manche jedoch sind sogar sehr sympathisch wie der einsame Troll Terrance den Nora eigentlich sofort ins Herz schließt: **Don't rush meaning** Besonders am Anfang tat mir Nora eher leid weil sie trotz ihrer magischen Gabe bisher kein besonders entspanntes Leben hatte, **Don't rush me meaning** Furchtbare Pflegefamilien aufdringliche Männer Traumata und die darauffolgende PTBS, **Don't rush meme** Jetzt will sie sich einfach von Ärger fernhalten was ihr aber nicht wirklich gelingt. **Don't rush me song** Zwar ist Angst ihr ständiger Begleiter aber Nora hat auch eine ziemlich spitze Zunge die sich durch ein bisschen Gefahr nicht aufhalten lässt: **Don't rush me spd** Sie steht für sich selbst ein und beschützt auch gerne ihre Freunde von denen sie bisher nicht so viele hat, **Don't rush me please poem** In diesem Buch gibt es mehr männliche Charaktere als weibliche was ich auch vor allem dadurch bemerkt habe dass alle von Nora besessen sind. **Don't rush meme** Es ist ja schon oft so dass Protagonisten in Büchern besonders attraktiv und anziehend sind und viele Bewunderer haben aber bei Nora geht das noch einen Schritt weiter. **Don't rush me t shirt** Dazu sind diese teils verliebten und teils besorgniserregend besessenen Männer ja auch alle so unglaublich attraktiv: **Do not rush meme** Manche von ihnen möchten Nora bedingungslos helfen und für sie da sein andere wollen sie für sich haben was es auch kostet, **Don't rush me please poem** So liest man schon immer wieder ähnliche Szenen aber die gefährlichen männlichen Wesen bringen natürlich auch zusätzlich zu den Ermittlungsarbeiten wegen der Entführungen Spannung ein. **Don't rush me t shirt** Fazit Underworld Chronicles - Verflucht hat mir schon so gut gefallen wie erwartet: **Don't rush me crossword** Henry the vampire clan leader kidnapped her tried to control her mentally and physically tortured her and tried to forceably kill her, **Don't rush me meaning** I spent most of the book hoping he'd fall on an ash stake: **Don't rush me crossword** I'm still hoping that's coming in his future in the series: **Don't rush me meaning** Parker isn't much better he got Nora into the situation in the first place he's also manipulative and conving and frankly I don't like his character much more than Henry. **Don't rush me song** That said I don't want him killed off in the way I'd like to see Henry turned to dust. **Don't rush me print** Terrance has slipped into a father type role at best big brother if that flips to romance it will be gross. **Don't rush meme** Nick comes across more like a big brother as well Oliver is more like a little brother, **Don't rush me meaning** Ren is gay and Enzo is like healer support and little to no interaction outside of that. **Don't rush me print** Additionally it kind of bugged me when Nora got turned on because it didn't at all fit with how the authors has built her character. **Do not rush meme** If she has a panic attack over a kiss on the cheek she's not going to get turned on every time she sees a hot guy: **Do not rush meme** What the authors have here is a great start to a paranormal crime series. **Don't rush me meme** They've got a mostly likeable cast of characters and an interesting world: **Don't rush me t shirt** Nora is a character you want to root for but she's not one who loans herself to the reverse harem craze, **Don't rush me clue** This is a female lead who's entire history with men is being stalked attacked molested or abused by them: **Don't rush me song** If she can ever emotionally manage a relationship it won't be with multiple guys, **Don't rush me meaning** And if it is it will turn an interesting and gripping paramormal mystery series into somethingway too farfetched to be believable, **Don't rush me please poem** The type of tension and interaction created between characters for a romance to work just isn't there. **Don't rush me song** I can't picture Nora romantically involved with any of these characters. **Don't rush me clue** It would be a seriously hard sell for me to accept her with any of them let alone all of them: **Don't rush me meaning** It's a great urban fantasy it's got a wonderful Grimm or Sleepy Hollow sort of feel to it like a cop drama with magic. **Don't rush me song** And the story seriously excelled at those things but romance especially revere harem romance it's definitely not, **Don't rush me song** It could have been my favorite book of the year but it just wasn't quite there: **Don't rush me t shirt** Don't get me wrong there were some really cool elements to it: **Don't**

rush meaning I mean who writes about trolls these days? And not evil trolls but really cool trolls with big personalities. **Don't rush me clue** Also the plot was just a bit too weak to give the characters the room to develop: **Don't rush me song** The plot wasn't enough and there needed to be more female characters: **Don't rush me clue** Like a really nice car that all the guys were lusting over which was not enough to justify the rest of the book. **Don't rush me song** That being said I may still read the next book in the series: **Don't rush me crossword** Jackie May Verflucht ist der erste Band der Nora Jacobs Reihe vom Autorenduo Jackie May. **Don't rush me t shirt** Ich konnte bei Audible nicht widerstehen als ich die Reihe dort gesehen habe, **Don't rush me song** Geschichten die mir Spaß machen höre ich gerne ein zweites Mal als Hörbuch, **Don't rush me meaning** Hier folgen noch ein paar Infos zum Hörbuch:7 Stunden und 9 Minuten / Ungekürzte AusgabeSprecherin: Luisa WietzorekIch würde der Sprecherin 5 Sterne geben, **Don't rush me meme** Meiner Meinung nach passt ihre Stimme richtig gut zur Protagonistin: **Don't rush me meaning** Verlag: Lübbe Audio Jackie May RH author: *sees literally any female character*If someone were to ask me What's a Mary Sue? I would point them to this book, **Don't rush me crossword clue** Nora Jacobs is so textbook special it makes me want to hurl. **Don't rush me please poem** Needless to say this causes a lot of issues in the book: **Don't rush me meme** The plot the characters actually the entire damn city revolves around Nora. **Don't rush me t shirt** There is not thing going on in this book that isn't focused on how beautiful interesting and different she is. **Don't rush me crossword clue** Even when we get insight on other characters and their thoughts it always ties back to her: **Don't rush meme** Characters have no personality other than their feelings towards Nora. **Don't rush meme** Within the first few chapters we find out Nora has a horrible (like insanely unnecessarily horrible) past that's left her scarred. **Don't rush me print** Her whole life has just been one injustice after the other: **Don't rush me meaning** This is a common trope with the Reverse Harem genre and I just don't get it, **Don't rush me meaning** I think most of the reason authors use this trope is as a plot device to justify a heroine's love interests being insanely protective. **Don't rush meaning** Most of the abuse that RH heroines suffer is next-level shit like rape domestic violence kidnapping and so on. **Don't rush me t shirt** You shouldn't make a character go through such a major personality-warping experience just for the sake of triggering protective instincts in her boyfriends later on: **Don't rush me print** Every other sentence validates the heroine's beauty brains and personality. **Don't rush me song** Seriously every character even the villains thinks Nora is the most gorgeous amazing unique incredible fucking person they've ever met. **Don't rush me song** And since Nora can read thoughts she hears these thought processes every other line: **Don't rush me crossword clue** He likes my sea green eyes even though they look haunted. **Don't rush me crossword** He's never seen me smile but he's sure it would be it would be radiant if I did and he wishes I would do it, **Don't rush me clue** From Henry: That's a very beautiful name love for a very beautiful woman: **Do not rush meme** From Terrance: Come on now Trouble you're a beautiful woman; don't be so afraid to show it off. **Don't rush me crossword clue** From Cecile: Welcome you beautiful woman!From a fae guy she met two seconds earlier: I hear his thoughts. **Don't rush me crossword** I need to get her on the dance floor so I can feel her body against mine and become the envy of every man in this club. **Don't rush meaning** From some random bimbo at a frat party: She lets go quickly so I only get the briefest thought from her. **Don't rush me song** And if you don't mind my saying so the most beautiful one I've ever met: **Don't rush meaning** These are just a few examples out of many MANY similar instances in the book. **Don't rush me song** Apparently it wasn't enough for Nora to think she was special and unique (which she obviously does: I am different, **Don't rush meme** We as readers needed to be constantly reminded of that fact from every direction. **Don't rush me t shirt** You could argue that all the validation is justified since there is a plot point that aims to explain why every character is instantly obsessed with Nora: **Don't rush me meme** There's something unnatural about me that puts men under a spell, **Don't rush me t shirt** So this curse Nora carries around with her makes every man she meets fall in love with her instantly, **Don't rush me song** There are several reasons why this plot point doesn't remedy all the problems I have with this book. **Don't rush meme** One is that Nora's 'curse'

may explain why everyone is constantly vocally drooling over her but it doesn't justify it: **Don't rush me clue** Nora is still an intensely annoying character to have to put up with: **Don't rush me print** Who cares why she's a Mary Sue? It only matters that she is: **Don't rush me t shirt** Another reason is that the curse doesn't affect every character - notably not women - and yet every character still fawns over her 24/7, **Don't rush me song** So clearly even without the curse everyone Nora meets just loves her. **Don't rush me meme** Third having this curse involved sort of invalidates the romance of the series: **Don't rush me song** I can't get behind any romantic relationship where all of Nora's boyfriends are under the influence of magical lusty juju: **Don't rush meaning** I'm sure that this is a plot point that will be addressed in future books but it already makes me uncomfortable: **Don't rush me crossword clue** With this curse she inevitably has all kinds of men panting after her through no fault or virtue of her own, **Do not rush meme** I've refrained from posting a star rating because I can acknowledge that I'm unduly biased against Mary Sues. **Don't rush me crossword** So I don't want to drag down the rating on a book they like. **Don't rush me clue** For me this was honestly the unique twist that sets this series apart Usually when the supernatural possessive hottie vampire shows up we assume its the love interest. **Don't rush me print** ""After she ordered him around like a damn maid and lived" Nick whispers, **Don't rush me clue** " But all of my critiques are about how I wanted MORE from the series not less: **Don't rush meaning** Yes its clearly building to something but I kept waiting for it to actually occur in THIS book We meet the heroine, **Don't rush me meaning** But its not till the end that she shares her dreams and gets a job - so implies for next books we gonna get some more mystery later We meet the guys. **Don't rush me crossword** But again nothing really develops with romance so implies we gonna get some later We get introduced to the world. **Don't rush me song** Overall I enjoyed this *as a prequel* I am definitely excited to see where it develops next. **Don't rush meme** In vielen Momenten ist nicht nachvollziehbar was und warum etwas passiert: **Don't rush me clue** In der Kürze der Seiten werden Beziehungen unauthentisch und sensible Themen Traumata usw nicht ausreichend verständlich erzählt, **Don't rush me t shirt** Die Einfachheit der Sprache erinnert zwar an ein Kinderbuch thematisch ist es aber einem Jugendbuch nicht besonders angemessen. **Don't rush me t shirt** Die Triggerwarnung ist absolut angebracht rechtfertigt jedoch nicht den grenzwertigen Umgang mit und die fehlende Aufarbeitung von sensiblen Themen, **Don't rush me meaning** Ab hier Spuren von SPOILERN 80% der Charaktere im Buch sind männlich 60% davon legen ein moralisch falsches bis absolut übergriffiges Verhalten an den Tag. **Don't rush meme** Es gab einen Moment in denen unter geistiger „Folter“ Nein gesagt und weitergemacht wurde. **Don't rush me crossword** Das absolut falsche Verhalten von einem Großteil der männlichen Charaktere wird damit gerechtfertigt dass es eine von Noras Fähigkeiten ist Männer schon immer angezogen zu haben. **Do not rush meme** Also quasi dass sie in „ihrem Bann“ stehen und nichts dafür können, **Don't rush me meaning** I was thinking more along the lines of vampires werewolves and fairies but this works too: **Don't rush me clue** Our heroine is Nora who is human with psychic abilities and the curse of being irresistible to men. **Don't rush me song** I haven't watched the ending yet but I have a good feeling about these two: **Don't rush me print** And in a major you-go-girl moment she hands him off to a succubus. **Do not rush meme** The problem is that now the supernatural gang is aware of Nora, **Don't rush meme** and she has that curse thingy so a bunch of them want to play marry-fuck-kill with her and do all three, **Don't rush me clue** that's gonna take the repeat part of the shampoo bottle instructions, **Don't rush me clue** The good news is that I liked it even though there was absolutely NO porn, **Don't rush me song** But don't worry I'll read some strange and dirty once I've finished this wholesome shit. **Don't rush me crossword clue** ** Yes I'm even more disappointed with myself for using what are obviously meant to be air quotes, **Don't rush me meaning** I don't have any excuse other than I may or may not be drinking: **Don't rush me clue** Let's face it air quotes and drunk people go together like vodka and cranberry juice: **Dont rush me spd**) Jackie May This book is what happens if you friend zoned your reverse harem, **Don't rush me clue** It's a funny concept and I ended up liking this because it's different. Nora Jacobs is different. *This is a slow burn reverse harem romance. Darcy. Jackie May is their only daughter. The novel

could pass for YA or NA. So in a nutshell I am in a rush for book two. Vorurteile gegenüber Unterweltlern legt sie schon schnell ab. He is not redeemable as a romantic interest. Jackie May This book could have been it. It was so close though. There was talk of mental illness and recovery. There were instances of good friends and bad friends. The girl felt like a prop. The elements were there. The intent was there but it didn't do it for me. It was so damn close. I'm cursed by curiosity. Für mich war das ein Reread in Hörbuchform. An meiner Meinung hat sich nichts geändert. Ich mag das Buch immer noch. Hier findet ihr meine Rezension von damals:

<https://www.goodreads.com/review/show>. Urban Fantasy ist mein Lieblingsgenre. 1. You get the idea. 2. The main character is immediately set up as a victim. And possessive. Now that is just lazy authoring. 3. This gets old really quick. From Oliver: He thinks I'm beautiful. 'She's the most beautiful creature I've ever seen. 'She's so gorgeous. She looks fun.' From Elijah: He keeps thinking about how beautiful I am. and: You're a very interesting woman Nora. Not that I know why. My inexplicable allure has always bothered me). All my life I've been sought after. I mean that literally as in magic is involved. I call it a curse. Cecile thinks Nora is beautiful and interesting. Random Bimbo #1 at the party was super into her. Ren Nick's gay friend calls her an 'instant bestie'. Finally it once again sets Nora up as a victim. Stop victimizing your characters! Okay. Whew. That was one hell of a rant. I hate them so much. Don't Rush Me is all Mary Sue all the time. In addition to that lots of my friends loved this book. That would just be mean. From a 'curse' Nora draws in people. But as we all know men can be such assholes sometimes. "Bring Nora to me" Henry rasps. That's not what she fucking wants. She wants support not to be taken care of. Now. My Main critique... the love interests Bitch. "Unbelievable." Terrance's laughter shakes the whole place. Den Schreibstil würde ich als chaotisch/ hektisch bezeichnen. Okay. I'm not judging. **It's magic. But actually for her it is a curse. All killy and shit. Don't worry. I'm sure she's fine. Again: Don't be mocking my Zumba moves. She done did it now. But don't worry. She's a Mary Sue. She's totally got this. Oh. That's. Yeah. It was all friendships and gentle let-downs on Nora's part. She has just one zone. I know. I'm disappointed in me too. (Really good.
