

hAurorae. The recalling or the retelling of the many Pasts made Present Whole again. By Gabriel McCaughry **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdf editor** )• Preface by Shani Oates (Maid of the Clan of Tubal Cain and author of Tubelos Green Fire Crafting the Arte of Tradition and The Devils Supper)• Thoroughly illumined by the talented artist José Gabriel Alegría Sabogal (Handbook of Sacred Anatomy and A Second Nature) (h)Auroræ is a mystifying albeit utterly profound journey. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. kindle** Part ontological synthesis philosophical rambling magickal diary visual grimoire inspired mystical poem revelatory/individuation process and part alchemical vessel of expression the book exists under the umbrella of what the author refers to as Gnostic Luciferianism. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epub.pub** “This alchemical treatise walks us through a startling expression of emotive gnosis... (h)Auroræ seeks beyond and above the all-too-human condition in order to understand it and advance it vis-à-vis a sensual Sophianic psychology witnessed in cogitation. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epub reader** Mind in tandem with vision incorporates a veiled process of subtle Jungian analysis leading to a Grail quest of intent to remove the blindfold from the Holy Fool... A work of pilgrimage conjunction and apotheosis it directs the reader through pause anticipation and intake. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdfiller** McCaughry writes: “This Opus Alchymicum is presented in a certain “light” and at its core (h)Auroræ is centred on the sempiternal theosophical discourse which sparks anew the Flame of Old within the heart of the predisposed reader struggling yet inclined to separate the subtil from the dross so that we may uncover our inner philosophers stone or perfected being. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. publishing** A useful resource to have by ones side upon undertaking an initiatory odyssey on the Path of Exile & Exalt - regardless of which favoured system or tradition the practitioner employs. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epub** This is very much a continuation in the spirit of his previous contributions to the PILLARS occult periodical (and elsewhere) but within (h)Auroræ these concepts are fully developed and actualized. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. ebook3000** The imagery of the language and the marvelous illustrations compliment each other and create what I could only describe as allegorical Alchemical Haze through which the greater image (otherwise hidden) can be seen. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. bookworm** I can't go into details here because there ideas are still dancing in my head and I have trouble pinpointing with words it made me experience but it's exhilarating to read an allegory that casts a light on your own life you've never seen before. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booklet** When the open page can breathe and when compacted allusive poetry can convey as much as a block of text why have the block of text? Let the words and art soar! Make their magic manifest!Not surprisingly the essay regarding the art in this book by Jose Gabriel Alegria Sabogal provides a grand key to this work:More than once I have dreamed of discovering strange books full of mysterious emblems.

The recalling or the retelling of the many Pasts made Present Whole again. ebook** (h)Aurorae is by far the most beautiful book I own a copy of. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booking** Gabriel McCaughry A fantastic experience albeit a little difficult to describe. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booking** This book functions a little bit like an ouroboros (the serpent eating its own tail you've seen one before). **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epub file** And the second was more of a prism through which understand the experience better and to prepare to go through it again: **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdfescape** While I lack the tools to adequately translate my experience with (h)Aurorae it made me want to seek them out, **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epubublishing** Gabriel McCaughry (h)Auroræ is many things: A work of art of poesis of philosophy, **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. ebook3000** Another reviewer compared the book to the ouroboros and this is a wise assessment. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdf** Reading from cover to cover is only the first way one might read this work, **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdf converter** One might also begin with the Glossary & Allegories section near the end of the book then jump to , **HAurorae. The**

**recalling or the retelling of the many Pasts made Present Whole again. booking** The author notes several times that these are essentially his notes for what he has found empowering and enlightening. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. epub file** He draws from several traditions in his search for gnosis so there really is an entry point for just about anyone wanting to explore (h)Auroræ, **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdf editor** It is as eclectic as it is esoteric and that is a good thing: **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. ebooks online** McCaughy is best when he relies on the art of wordsmithing to overlay the artifice of philosophy. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. bookkeeping** After these dreams I felt I recognized the images as being the Aurora Consurgens , **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booking** Later I also found that Jung had almost identical dreams and that he devoted 16 years of work to his Liber Novus . **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. pdfescape** His drawing entitled 'Systema mundi totius' was the inspiration for the central circular piece in the present work. **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. ebook3000** Borges's notion of a circular book in his tale 'The Library of Babel' inspired the work's overall structure and the format: **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booker** Ultimately the goal is to create that once-dreamed book which as a circle may be read in all possible directions: **HAurorae. The recalling or the retelling of the many Pasts made Present Whole again. booking** The door to the labyrinth is always open one eternal round. Sometimes rapturous sometimes ponderous." □(~Shani Oates Preface to (h)Aurorae.) G. 500 copies):5.25 x 8.5 inches. 304 pages. Gold foil blocking on rounded spine and on the cover. Colour interior with fully illustrated Endpapers. Individually hand-numbered. hAurorae. It's readable forwards or backwards. You need to definitely read it more than once. The first half was really instinctive and artistic. Borderline mystical.I'll definitely come back to it. It's by design. Above all it is a work of meditation. . wherever page feels right. This is ameditative work to be savored. Powering through this work(ing) dissipates Power. I'd much rather revel in his work than wade through it.So start wherever you think is best. Return when you need to. Gabriel McCaughy.
