

Find Her, Keep Her, A Martha's Vineyard Love Story (Love in the USA, #1) By Z.L. Arkadie **Find her keep her a martha's vineyard love story summary** The plot was beyond ridiculous even for a romance novel the characters shallow funny not over the top yet the only thing I thought was a little too over the top was their sex. **Find her keep her a martha's vineyard love story summary** okay who who has sex on a public path \*rolls eyes\* (lol) not actual a public path but close enough for me :) I mean Belmont is such a hottie he just loves surprising (me) I mean Daisy \*winks\*. **Find her keep her a martha's vineyard love story hai** She's abit of an overthinker not too sure of herself but in a good way I like that she doesn't have to prove herself and that makes me like her down-to-earth character and as for Charlie (who I can't wait to read) brings a moment I thought why not with Charlie! but she does suit Belmont. **Find her keep her a martha's vineyard love story summary** The story will leave you thinking WTF HUH moments laughter and truly some angst moments towards Adrian and Maya (always have that type of girlfriends you hate) sometimes Belmont (clueless male) to the story. **Find her keep her a martha's vineyard love story summary** I'm giving it 2 stars because I did like that the heroine is a travel writer and the book itself reads like a travel book for Martha's Vineyard and makes me want to go on a vacation there. **Find her keep her a martha's vineyard love story summary** Could fate had picked a more perfect time and place for two people to meet? Yes it was one steamy and surprising week but was it long enough to make us last forever? Find Her Keep Her: A Martha's Vineyard Love Story is the first sexy sensual and addictive contemporary romance in the LOVE in the USA series by author Z: Daisy was boring and Belmont Jack had the mentality of a 13 year old boy who just figured out what his boys parts were for, **Find her keep her a martha's vineyard love story hai** It was hard to believe that Daisy and Jack were two adults in their 30s, **Find her keep her a martha's vineyard love story summary** Their conversations were limited and intercepted by Jack the horn dog copping sleazy feels, **Find her keep her a martha's vineyard love story summary** I kept wondering if this was really written by an adult and not a horny teenage boy who just finished a semester of sex education at his high school: **Find her keep her a martha's vineyard love story hai** Belmont is the type of guy that gets what he wants and so full of himself I'm the BOMB no woman can resist me is down right arrogant and funny. **Find her keep her a martha's vineyard love story summary** I love how the story is light-hearted.

## **Find her keep her a martha's vineyard love story summary**

I don't know how or why I finished this book. **Find her keep her a martha's vineyard love story hai** Arkadie I found this as a free book on amazon and took a risk since it was by an author I have never read and is a contemporary romance - not my favorite genre: **Find her keep her a martha's vineyard love story hai** After 6 days (2 or 3 of which they spent arguing and apart!) they're engaged and pregnant: **Find her keep her a martha's vineyard love story summary** First off none of my 30something aged friends would act like that. **Find her keep her a martha's vineyard love story summary** And honestly I read to escape from my reality - including infertility: **Find her keep her a martha's vineyard love story summary** That they wound up pregnant after 3 days of sex - while she's on the pill - makes me want to scream and cry, **Find her keep her a martha's vineyard love story summary** So again the 2 stars are for the writing style and painting a pretty picture of Martha's Vineyard. **Find her keep her a martha's vineyard love story hai** Arkadie Who the fuck even uses the word gigolo anymore? I just can't with these people, **Find her keep her a martha's vineyard love story hai** Daisy just can't help herself she loves everything Jack does to her: **Find her keep her a martha's vineyard love story summary** Arkadie The COMPLETE LOVE in the USA series starts here! surprised by the hot and fast start Daisy and Belmont have a lot to learn about love and here is where their education begins. **Find her keep her a martha's vineyard love story summary** I probably should've slowed our pace but I wasn't thinking clearly: **Find her keep her a martha's vineyard love story summary** I had just learned my boyfriend and best friend were engaged via a Facebook post which left me heartbroken and wrestling with ghosts from my past: **Find her keep her a martha's vineyard love story summary** But Belmont Lord was so convincing and uninhibited unlike me. **Find her keep her a martha's vineyard love story summary** Sex scenes are still frequent but they are no longer written in graphic detail: **Find her keep her a martha's vineyard love story summary** Also some of the details that were hard to swallow have been made palatable, **Find her keep her a martha's vineyard love story summary** Although do realize that I had chosen to write two imperfect human beings, **Find her keep her a martha's vineyard love story summary** In later books as they choose to make their relationship work they also choose to resolve their personal issues, **Find her keep her a martha's vineyard love story hai** After all that is the theme of the LOVE in the USA series--true love real love is another catalyst in life which helps evolve two people for the better, **Find her keep her a martha's vineyard love story summary** So I write love stories more than romance and from book one through twelve of this series you will be able to read the difference, **Find her keep her a martha's vineyard love story summary** Find Her Keep Her A Martha's Vineyard Love Story (Love in the USA #1)I really enjoyed this book. **Find her keep her a martha's vineyard love story summary** Belmont is such a hottie!! And daisy!! Girl you are one lucky lady!!:) Z. **Find her keep her a martha's vineyard love story summary** Heroine to hero about her ex-best friend: "Did you have sex with her?" I ask, **Find her keep her a martha's vineyard love story hai** Just two pages later: "You don't believe me?" Adrian sneers: **Find her keep her a martha's vineyard love story summary** "Didn't Maya pay you to fuck her?" I'm waiting to hear Belmont deny it and punch Adrian dead in his wimpy mouth: **Find her keep her a martha's vineyard love story summary** When he doesn't say anything and Maya's eyes flicker—as if she's pretending to be shocked—I whip around to look at Belmont. **Find her keep her a martha's vineyard love story summary** He looks at me as if he's swallowed a snake and I know it's true. **Find her keep her a martha's vineyard love story summary** The past two days crash down on me like a love nest made of straw: **Find her keep her a martha's vineyard love story hai** I don't know about you but where I come from telling the opposite of truth is called lying. **Find her keep her a martha's vineyard love story summary** Knowing she'll NOT be ok with him being another of the bff's leftover, **Find her keep her a martha's vineyard love story summary** So because it is ALL about HIM and he LOVES her SO much that her feelings doesn't matter to him he lies to her with a straight face: **Find her keep her a martha's vineyard love story summary** Authors please get a bit of self respect before writing female characters, **Find her keep her a martha's vineyard love story summary** Because if she's to fall for THAT bull crap you don't respect yourself let alone other humans, **Find her keep her a martha's vineyard love story summary** I did not get a feel for the characters at all and had a hard time relating to them as my age- could have been more believable if they were in their early 20s, **Find her keep her a martha's vineyard love story summary** I think that was my biggest problem with the whole story. **Find her keep her a martha's vineyard love story summary** From the perspective of a mid 30s adult the characters were very immature and unbelievable: **Find her keep her a martha's vineyard love story summary** I read a lot of romance including erotic but the sex scenes and descriptions in this story pulled me out of the moment- again seemingly immature, **Find her keep her a martha's vineyard love story hai** Arkadie I'm not really sure where to start with this book: **Find her keep her a martha's vineyard love story summary** The premise seemed promising and it started out well but quickly wet downhill, **Find her keep her a martha's vineyard love story summary** It seemed like Charlie had more sparks with Daisy but those were never explored: **Find her keep her a martha's vineyard love story summary** I thought this book would follow Daisy as she got over her heartbreak and gained strength as herself. **Find her keep her a martha's vineyard love story hai** Nope she really just jumped into bed with the first guy to look at her and acted like she had no

self esteem or morals. **Find her keep her a martha's vineyard love story hai** I actually wouldn't recommend this book to anyone and wish I hadn't wasted a day reading it[1]

The sex scenes mediocre at best. The sex scenes were terrible; fast and not romantic. Z.L. Arkadie Crazy as it sounds but I love Belmont. He's totally not what I expected. OMG Belmont Belmont. Daisy I love. Z.L. But from a romance novel side of things ugh. No thanks. No. Just NO. That's not what I'm looking for in my escapist literature. That's all I can recommend about this book. Z.L. I'd be bitter if this wasn't a freebie. Z.L. Arkadie I loved this lighthearted book. It was full of fun laughs and passion. A good read just what the doctor ordered. Jack the gorgeous billionaire though choice for Daisy. Thanks to the author. Can't wait to read the next one! Z.L. It was one intense week in late October. He also had demons of his own. We threw caution to the wind.L. Arkadie. This manuscript has been updated as of 6/18/2017. Visit [zlarkadiebooks.com](http://zlarkadiebooks.com) to learn more about the author.L. Arkadie Let's put everything aside. "Never" he ardently declares. I sigh with relief. Thank goodness he hadn't touched her. "Ask him." He glares at Belmont. He's watching me seemingly tongue-tied. "I'm sorry Jack" Maya says. "He wasn't supposed to say anything." "Is it true?" I ask Belmont nearly shouting. I want to crawl into a hole and hide. He. Deliberately. Outright. Lied. Knowing the ex bff is engaged to h's ex. Knowing that's a sore spot her. Then has the gall to tell her she is overreacting. Z.L. Arkadie 2 stars I just couldn't give it three. It was at least well written grammatically speaking. Just wasn't for me. Z.L. and stayed there. I felt no chemistry between Belmont and Daisy. I guess I just kept waiting for it to get better. and it only got worse Z.L. Arkadie Cheated on heroine bounces back unknowingly with gigolo. Z.L. Arkadie
