

Bind Me in Steel By Beast . **Bind Me in steelix** Young vulnerable sheltered within one of the last fortresses held by wolves in a ruined drowning world Wren was raised to know only one thing: As an omega he was born to be his alpha's mate. **Bind Me in steelkorr llc** But when the alpha of his pack challenges a stranger trespassing on their lands a devastating loss to the mysterious soft-spoken brute of a wolf leaves their pack shattered and without a leader. **Book Bind Me in steele** Yet when the dark stranger demands not dominance but Wren himself as his price and his prize Wren finds himself torn from the wolf-eat-wolf world he's always known to become one half of a pack of two with no home but the wandering road and open sky. **Paranormal Bind Me in steelbook** Isn't anything but a lone wolf finding a way to survive in a broken world where dryads and werewolves war for space with humans and halflings; where blood frenzies turn man into beast and beast into monster; where the Echo's subliminal whispers seek out the unwary and lure them north to a centuries-old Disc waiting with its eldritch songs that broke the world. **Bind Me in steelbird** But Ero knows more than he lets on secrets as old as the end of the Earth and something about the strength beneath his silence calls to every primal thing buried inside Wren. **Bind me in steelade** Bind Me in SteelDAMNNNNNNNNNN!!!!!! ☐ I'm actually miffed at Barbara and Lyn for not remembering me to rec this book because this book is aweeeeeeeeeeeeeeeeeesome!!! ☐ How did this one escape my radar for far too long is beyond my understanding! ☐ I love EVERYTHING about this book!!!! ☐ The eerily beautiful unique and haunting world-building very unconventional protagonists and onhelluva romance! It was everything I love about ABO romances and more! The world has been changed and unrecognizable for almost a millennia now at least unrecognizable for those who were born and survive before every changed. **Bind Me in steelkorr llc** Did I say I love this book? ☐ Oh well let me just say it again because I freaking love it soooooooooooooooooo much!!!!!! ☐ I can't believe that this is the debut book of the author. **Bind me in steelas** And that's smoking-hot pants-waving breath-hitching cold-shower-needing sex! It was on FIRE!!! ☐☐☐ I can't even capture how awesome this book is because this is the kind of book you need to read yourself to understand how exquisite it is. **Bind Me in Steel ebook3000** ☐ Loved loved loved it so much! ☐ Highly highly recommended if you like unique and refreshing romances! ☐5 I found my home and my anchor in you stars☐☐☐☐ Kindle Edition This is a debut??? Damn! I'm impressed. **Bind Me in Steel epub's air** Kindle Edition Yesssssss!!!!I REALLY liked this dystopian werewolf alpha/omega mpreg story! It was very well crafted the world building was slow and steady and the character development drew me into the story. **Book Bind Me in steele** Aside from that odd nugget I love this book and can't wait for more in the series from BEAST!! Kindle Edition Re-read OCT 2021:It was darker than I remembered and showing a lot of the social differences between the Alphas and Omegas but also between the leftover human communities and the werewolves. **Bind Me in steellady** Still the beautiful relation between Ero and Wren so full of understanding and getting to know each other and respect is definitely something worth reading about! I truly love them both!Original review:Absolutely beautiful!Why have I waited so long to review it?? But on the other hand I still think of this book especially while reading wolf-shifter romances and I still find it incomparable to any other Alpha/Omega books I've read. **Book Bind Me in steely** Bind Me in Steel is a post-apocalyptic story set in a universe that is bleak and hopeless full of the never-ending Echo calling the werewolves to the North to the Disc and to perdition. **Bind Me in Steel bookworm** The world-building is so well-thought of so fascinating and so detailed - I simply couldn't put this book down! I believe there are supposed to be some other books in the same universe and I can't wait to read them all. **Bind Me in Steel paranormal book** So if you love a good post-apo setting with ambiguous MCs and a slow-burn relationship with a touch of mpreg - this read is definitely for you! I can't praise it highly enough! Kindle Edition Holy crap on a cracker! This was shifter meets The Walking Dead meets barbarians. **Book Bind Me in steelcase** I read it in one sitting and I do not regret being tired today (totally worth it)!Other reviews do a much better job of summarizing the story and I am still too enraptured with the story to do more than gush. **Bind Me in steelbird** Highly recommend!! Kindle Edition WHERE'S THE NEXT BOOK?? I NEED IT NOW!!! More Ero & Wren please!! <3*Review later* Kindle Edition Wren" he repeated reverently burying his face in

Wren's hair while Wren clutched at him with what little strength he had clinging as tight as he could as his heart leaped with a bittersweet and longing ache. **EBook Bind Me in steel** Werewolves are common where dryads and werewolves war for space with humans and halflings; where blood frenzies turn man into beast and beast into monster; where the Echo's subliminal whispers seek out the unwary and lure them north to a centuries-old Disc waiting with its eldritch songs that broke the world. **Book Bind Me in steel** But Ero knows more than he lets on secrets as old as the end of the Earth and something about the strength beneath his silence calls to every primal thing buried inside Wren, The world that's been created here (which I don't fully understand yet) is absolutely fascinating, **Bind Me in Steel paranormal book** It's revealed to us through Wren's eyes and Ero's stories and memories, **Bind Me in steelix** He remembers the time before and to someone as young and isolated as Wren that's unbelievable, **EPub Bind Me in steely** This book is fantastic and more than worthy of my first 5* rating of the year. **Book Bind Me in steely dan** I don't generally (ever) copy parts of the the blurb in reviews but this is fabulous: **Book Bind Me in steelseries** The strange man known as Ero Wake claims he isn't an alpha, **Bind Me in steelix base** Isn't anything but a lone wolf finding a way to survive in a broken world.

An MM Post-Apocalyptic Shifter Romance: **EBook Bind Me in steel toe** The day the dark stranger came was the day Wren Striker's pack was destroyed, **Book Bind Me in steely dan** The strange man known as Ero Wake claims he isn't an alpha, **Bind Me in Steel pdffiller** It's a need deeper than blood a craving to belong to Ero and Ero alone, **Bind Me in Steel paranormal book** Every day with the much older wolf stokes the mating heat in Wren's blood higher—yet for Ero the risk of mating with Wren is too dangerous: **Bind Me in Steel kindle store** Too frightening when losing control of himself could unleash a beast more feral than any the world has ever seen. **Book Bind Me in steelbook** Half broken touched by the Echo Ero isn't like any wolf Wren has ever met: **Paranormal Bind Me in steel** But if Ero isn't careful...he'll find himself tamed and bending to Wren's delicate touch both his heart and his wildness bound up in steel. **Bind Me in Steel ebook reader** Ero broken lonely and aimless has been wondering around this earth for centuries hoping searching for something even he doesn't know, **Bind Me in Steel paranormal cirque** And then while traveling and minding his own business Ero was challenged by a vicious ruthless alpha for trespassing his territory, **Bind Me in steelix** Ero warned him not to do it because he knew he'd be the last one standing. **Book Bind Me in steely dan** And now Ero found himself being the guardian of an omega he impetuously brought from the primeval pack, **Bind Me in steelix** But naive and innocent and shy Wren provokes the feelings and emotions he didn't know he still possessed: **Bind Me in steelbird** Loving someone is a dangerous and stupid thing to do in the cruel world they now live in, **EPub Bind Me in steele** If he has to go against everything and everyone to be with his destined mate he'd sacrifice even his own life to be with Wren: **Book Bind Me in steely dan** I simply can't! □ The romance the UST the eerie dystopian setting mysteries and their epic journey! I was completely swept away, **Book Bind Me in steel toe** For now I only have one agenda in my mind! To wait squirming for the next book in the series because I can't get enough. **Bind me in steelade** It feels like forever since I've read such a captivating m/m pnr, **Paranormal Bind Me in steelbook** The story is original with the perfect combination of dark and sweet! Loved it! I'm looking forward to many many more books by this author: **EBook Bind Me in steely** I'm still unsure of a lot of what this world entails particularly in regards to omega physiology: **Bind Me in Steel kindle reader** We have the standard child bearing omegas heats knotting ruts and such but what was different was the description of the omega's genitalia, **Bind Me in Steel paranormal book** Here near about 1000 years into a catastrophic disaster omegas have "folds: **Book Bind Me in steelbook** " I don't know why but his kinda squicked me out in an MM book. **Book Bind Me in steel toe shoes** I'm still pondering it and wondering at my prejudice at having male anatomy

described with typical female terms: **Bind me in steelade** Never mind that I'm wholly accepting of the fact that said omega has a womb, **Book Bind Me in steely** It's turned me inside out and making me question my presumptions and stereotyping. **Book Bind Me in steele** And that means a great unique story! I don't even have good words to describe it, **Bind Me in Steel ebooks online** The love story between Ero Wake an Alpha and Wren Striker an Omega is intense and deep. **Paranormal Bind Me in steelbook** It starts with an impulse a scent a lustful moment of weakness when Ero demands Wren handed over to him as his prize for defeating the ruling Alpha: **Paranormal Bind Me in steelbook** He's one of the oldest werewolves walking on the planet - always on his own since the destruction of his initial pack: **Bind Me in steellady** He's tired and disillusioned living day by day wandering the lands according to changing seasons: **Paranormal Bind Me in steelbook** He's never felt comfortable in his role of the Alpha mate: **Bind Me in steelkorr llc** Suddenly being on the way with Ero gives him a glimmer of hope. **EPub Bind Me in steely** He's never cared for himself never wandered far from the fortress where he lived and he's eager to learn: **Bind Me in Steel kindle cloud** Everything Ero offers is new to Wren and he absorbs it curiously and willingly even if Ero won't touch him at all. **Bind Me in steelko** The world-building and the atmosphere of the story are beyond words - I can't believe it's BEAST . **Book Bind Me in steelseries** I have never heard of this Author and I keep wondering if it's some other writer's nom de plume, **Book Bind Me in steely** It's barbaric and desolate where humans fear the werewolves in most places, **Bind Me in Steel epub air** Ero is a drifter just walking what is left of Earth after the Discfall. **Kindle Bind Me in steel toe** When he reaches a werewolf settlement he just wants to trade, **Bind Me in steelix** But Ero has already noticed the pretty omega who calls to him in a way he can't ignore. **Bind Me in Steel paranormal cirque** He tells himself it's just to get him out of a bad situation but he's only kidding himself, **Bind Me in steelix** He doesn't know much else though he longs to be something different. **Book Bind Me in steel** When Ero comes to their keep he can't take his eyes off of him: **Book Bind Me in steelbook** And though he's scared when Ero demands Wren be given to him he doesn't fight it, **Bind Me in Steel ebooks** He was sweet and careful not the beast he proclaims he is, **Bind Me in Steel pdf** **There is one instance of what I would consider dub-con where Ero is not in his right mind and takes Wren forcefully at Wren's insistence and it's a bit brutal imo, **Bind Me in steelix** I loved getting to see him learn new things his excitement and wonder, **Bind Me in Steel paranormal cirque** This is a slow-burn with Ero denying what his wolf tells him and Wren hurting because of it. **Bind me in steelade** But it was also sweet to see the love grow between these two: **Book Bind Me in steele** I still have questions about some things like the Discfall what all that entailed etc: **Book Bind Me in steelcase** And I've already done my stalking research and the author has at least one book coming out soon so I will be definitely watching for that, **Bind Me in Steel ebook3000** Kindle Edition

Beast is exactly what his name says: a beast, **Bind Me in Steel pdf book** Half man half feral animal wholly letting himself loose in stories plunging deep into the darker animal nature of human kind. **Book Bind Me in steelbook** We all have a beast inside us straining to get loose hungry to surrender to each and every primal urge, **Bind me in steelade** Won't you let your beast off its leash? 5 Stars Wow!! This story was gorgeous! I saw Truuss's Fantastic Review and was inspired to borrow this story via KU: **Bind Me in steelkorr llc** As I was reading it I kept imaging a movie playing out in bright technicolor; the imagery is vivid and darkly beautiful, **Bind Me in Steel book**

series I see that there will be more stories to come in this series and I can't wait to return to this fantastic world, **Bind Me in steelix** It was so good and nothing like what I had expected it would turn out to be: **Bind Me in steelkorr llc** But I did not expect the sweetness and deep adoration from Ero who constantly claimed he was nothing more than a sheer monster and Wren would be better off without him, **Bind Me in Steel ebook download** * and we all know this line does not work in this theme: **Bind Me in Steel kindle app** Hahaha* There was a wild and animalistic moment of knotting and dominance from Ero. **Book Bind Me in steel toe** Don't worry Wren seemed to like it just fine* more than fine actually: **Paranormal Bind Me in steelbook** How could he not? Kindle Edition After seeing three consecutive 5* reviews for this book appear on my Goodreads feed it instantly became my next read. **EPub Bind Me in steel** It's set in the time after Discfall and the earth is a very different place, **Bind Me in Steel paranormal book** Kindle Edition I wish I hated this book it would've been easy to write a review but alas I loved it and have no idea how to put it in words Kindle Edition.

Some live isolated lives while others mingle or roam. Ero roams. Because yes Ero is that old. Isn't a leader. All his life Wren has known only his clan. His place. His service to his lord. Isn't a leader. It's animal. It's instinctive. The other alpha foolishly didn't listen. He thought his heart was dead and frozen. Except Ero can't help it. Pleassssee! Thanks so much Barbara!! You were right. I needed to read this book. Ero doesn't need anyone in his life. He has nothing to offer to Wren or so he thinks. Wren is curious. He wants to know more to see more to feel more.'s debut book. Seriously. I could not put this down. The world is not like it used to be. And the werewolves keep to themselves in settlements. The alpha has other plans and decides to challenge him. And Wren has noticed him too. When things get ugly Ero has only a few demands. One is the most important. He wants Wren. Wren is an omega. He was born to be the alpha's mate. He refuses to give the alpha of his pack his love. This was beautiful and bizarre. definitely different. But it caught my attention from the first page. I wanted to see how this all played out. Ero was so good to Wren.** Wren was sweet and naive. He didn't know anything outside of the keep walls. And how he came to love Ero. the pull. They both deserved to have someone love them. I started it last night and could not put it down. Let me just say that this story is stellar. "Oh thank god Wren.". The blurb held me captive with its vagueness. I was burning with curiosity. yeah and a bit more than that. *wink* Too short to my liking but totally nailed it. This author Beast is definitely included in my favourite authors. I love a good dystopian and this is that and more. A lot of the earth is flooded. I'm just waiting for the next book now
