

Barefoot, Pregnant Wearing A Bikini ! By Madison McCall A good combo Barefoot Pregnant Wearing A Bikini ! On his way home from a dental appointment Kelly gets into an automobile accident and wakes up two days later to find out that the injuries he sustained required a blood transfusion. The next morning when he awakes he is shocked to discover that overnight he has turned into a beautiful brunette woman and seeks the help of his now her best friend who helps her start the process of learning to act and live as a woman since she may be in this situation for some time if not permanently. Before she knows it she finds out that's the least of her problems as she is also pregnant and to complicate matters she has unknowingly befriended a man who is linked to the predicament that she in who is head over heels for her. Will Kelly find out how this happened and be able to return to being a man or will he have to live out the rest of his life as a member of the opposite sex? This steamy romantic comedy has a happy ever after ending that you will love! Barefoot Pregnant Wearing A Bikini !Madison (Maddy) McCall spouse have been married over 15 years and live a quiet life in the Southwestern United States,

YowzaI really liked this story! Such s good plot! If I was hit like either on of them I would want to go instsntly. Can't wait to Areas your next story!!!! Barefoot Pregnant Wearing A Bikini ! I always laugh during these books the author knows how to make me laugh. The story is intriguing as to how Kelly becomes a woman and the lessons that need to be learned: After finally being released from the hospital he returns home where he spends a quiet day alone and decides to turn in early as he is completely exhausted, Maddy has had several careers throughout life which have included I, Other hobbies include cooking movies wine tasting travelling reading and of course writing.T. as well as real estate.
