

Playing Defense (The Rebels #2) By Julia Clarke **Playing defense in fifa** I also love how Blake is determined not to wreck the guys friendship because friendship is a super important thing to me!! I can't wait for the next one Julia!! I love all the slow burn but I am ready for some more kissing hehe*Received an arc from author for review* Kindle Edition Review was copied from my romance novel review blog: romanticallyinclinedreviews. **Playing defensehub** She is seriously torn up over this-I mean Tristan and Colt were defending her! Blake continues to struggle with how to be a female roll model and break the glass ceiling of the football world. **Defending jacob book age rating** Just when she thinks she has made a decision another layer of guilt is heaped on and she is back to confusion! I struggled with Blake at times because she is a smart confident woman and that didn't come across sometimes because she was so indecisive. **Playing defense in fifa** If you enjoy the slow burn type romances start with The Reverse Play and then read Playing Defense! The relationships really build in an organic way that helps readers really believe. **Playing defenseless synonym** POV: 1st Tears: no Trope: football reverse harem Triggers: none Series/Standalone: series Cliffhanger: kind of-Blake and the guys had a BIG discussion and then she had to go back to Boston HEA: not yet! The Friend Zone by Kristen Callihan Risky Play by Rachel Van Dyken Overnight Sensation by Sarnia Bowen. **Book playing defense meaning** but wished they were #ReverseHarem then you will probably like Playing Defense! Playing Defense a Rafflecopter giveaway See full review on The Book Disciple Kindle Edition Sweet lanta mother of pearl so many feelings. **Playing defenselink contracts** Not everything that happens to her and the guys is bad though there are some bright spots for them and I was so happy that all Blake's hard work is paying off and she is finally getting what she deserves. **Playing defensegg ggg** ** Playing Defense (The Rebels #2)

I never thought I would read a reverse harem book and I never thought I would truly enjoy one! Julia Clarke has to be the best writer of this trope that I have seen so far. **Why defense is important** Blake is also dealing with a transition within the rebels in this book with regards to her job and I really loved this part!! It made me so happy to see her getting her due and doing well professionally! I really enjoyed seeing more of the guys in this one and the slow burn between Blake and Tristan but I have to say that this one really blew me out of the water. **Playing defense kindle paperwhite** I assume it's because the get to know each other part is over and now we're well into the will they or won't they get it on part which--come on--is the best part of any book. **Playing defense madden 24** Blake is just as frustratingly focused on her job as she was in book one but she's slowly beginning to realize that no one can resist the attentions of three gorgeous men for long. **Playing defensive end** They're not erotica by any means which many reverse harems tend to lean towards so if you like sex but don't want it shoved in your face constantly (uh why not? problem to solve on a different day there) then these novels are perfect for you. **Playing defense beckett layne vk** The pace of the book is perfectly in line with how I expect it would go in reality and Julia Clarke manages to keep the storyline interesting with the necessary drama and fun. **EPub Playing defense travel** What a great series (and I know nothing about football) Kindle Edition I read my first Julia Clarke book when I read book 1 The Reverse Play of the Rebel Series and I am now a fan for life!! I loved the 1st book and this one didn't disappoint!! Blake is one bad ass chic who knows what she wants and goes for it except when it comes to relationships. **PDF Playing defense travel**

It's like every time she puts up a road block to her happiness I just want to be that little angel on her shoulder telling her to just go for it!! Every time I think Blake and her guys will finally get together Julia gives you just enough then keeps you in suspense until the next book! This book will keep you on your toes from the very beginning: I also loved seeing the little kickback to another of Julia's series (I've read two in her other series), **Playing defense in madden** And getting Xavier's POV at the very end was awesome!! Also how the book ended!!! I think that was one of my fave parts as well: **Playing defense kindle unlimited** com I truly enjoyed the first book in the series.

Playing defensive end

An adventurer at heart Julia dabbles in everything from tap dance to calligraphy. **Playing defenselessly** When she's not traveling Julia is learning new recipes hiking sailing or inhaling copious amounts of fine chocolate, **Playing defensej java** An adventurer at heart Julia dabbles in everything from tap dance to calligraphy: **Playing defenseless definition** When she's not traveling Julia is learning new recipes hiking sailing or inhaling copious amounts of fine chocolate. **Playing defenselink contracts** {site_link} Playing Defense picks up where Reverse Play left off: after a fight on field between teammates over a bet. **PDF Playing defense travel** Blake knows that the guys will face consequences and she doesn't want that: **Book Playing defense mechanisms** She also knows that her feelings are going to get them in trouble as well. **Playing defenselessly** But what's a girl to do?!? Tristan and Colt are suspended because of the fight and Xavier has to temporarily move out. **Playing defenseless definition** They don't want Blake to spill about the actual cause of the fight, **Playing defense in basketball** If she gives in to her feelings she has to give up her job: **Playing defense beckett layne epub** Seriously the back and forth she goes through in her mind will give you whiplash, **Playing defensehere** I loved getting to see more deeply into the guys as people. **Playing defenselink contracts** Colt as a painter?! Xavier when he talks about his family?! Tristan and his cooking?! They are really becoming well developed characters and I love that. **Playing Defense pdf24** I also liked seeing Blake in the sports psychologist role as opposed to coach, **Playing defense in basketball** Even if you aren't a fan of RH this might help you give the genre a shot. **Playing defenselink contracts** It's a slow burn it's contemporary and the characters are all very likable, **Playing defense beckett layne epub** With this book we get to see a more vulnerable side of Blake. **Playing defense fiction reddit** She's unsure of not only the men she has grown so close to but how her team feels about her and how she feels about herself. **Playing defenselessly** Blake worked so hard to be where she's at and the thought of potentially losing it due to a couple of jerks is eating at her. **Playing defenseless definition** Not only mKay is she dealing with the fight fallout but she's no longer sure she can keep her feelings for the guys at bay. **PDF Playing defense attorney** With each passing day it's getting harder and harder for her to push her feelings aside: **Playing defenseless meaning** For the first time in her career she's questioning whether achieving her dream job is worth losing her chance at happiness with the three men who have stolen her heart. **Playing defenselink contracts** She loves football but she finally finds herself wanting more, **Playing defense in fifa** Blake's relationships with each of the guys have blossomed in this book. **Defensive play book** It comes to a point where she realizes she needs them and realizes that that doesn't make her weak like she once thought it would: **PDF Playing defense travel** Each one of them do all of this for her and so much more, **PDF playing defense basketball** Xavier makes her feel it's okay to be delicate and vulnerable that it's not a sign of weakness: **PDF Playing defenseman** Tristan shows her that it's okay tell let give someone else control sometimes that it's okay to give into the passion. **EPub Playing defense news** Colt knows when to challenge her and give her exactly what she needs even if she can't see it yet: **Playing defense ebook free** Blake is not an object to be possessed instead she is a queen that deserves to be worshipped: **Playing defenseless** The last few chapters had my heart on edge and left me begging for more, **Can offensive players play defense** I am officially hooked and ready for football season year round. **Book playing defense basketball** I cannot wait to see how things play out for Blake and

our three MVPs: **Playing defense beckett layne** But you know that usually book one introduces characters and its the get to know you stage. **Playing defenselink contracts** Book two gets that all out of the way and now we are in the beginning of the really meaty part of the story, **Book playing defense basketball** Can they get past their issues? Will Blake hold off longer? I have to say I give mad props for Blake for holding out with the guys: **Playing defenseful** I would have probably gave in and indulged in some sexy time right off the bat, **Playing Defense pdf reader** Those guys are hot!!Playing Defense picks up where book one leaves off. **Playing defense meaning** She is trying to do so much she is such a strong willed character, **Playing defensek ak** She knows her stuff and it is nice to see her get her due. **Playing defenselink contracts** This is a slow burn Rh so don't expect a lot of things, **Playing Defense pdf merger** I will say this though the sexual tension is off the charts, **PDF Playing defense travel** And that ending leaves off on a cliffhanger but not a big one. **Playing defense in soccer** It will just leave you with wanting to see what happens next. **Playing sicilian defense as black** Kindle Edition Book one drew me in but book two sealed the deal: **Playing defenseful** The consequences of book one's ending are dealt with in Playing Defense and boy were they big for the characters: **Playing Defense pdf drive** I felt so bad for the guys but especially Blake who was put under so much pressure and weighed down by her guilt. **Playing defense beckett layne epub** It takes a while for her to finally realize that none of it was her fault but she gets there. **Playing defense madden 24** I was constantly waiting for the other shoe to drop throughout the book and while there were a few oh shit moments the big shoe drop never came, **Playing defensehub forum** There was a bit of a cliffhanger ending but nothing that made me want to throw my Kindle: **Playing defense in madden** Rather it just made me that much more excited for the next book. **Playing defense meaning** There was also an awesome little surprise mention of some people that I wasn't expecting but was seriously happy about. **Book Playing defense** Kindle Edition Scoring a coaching job with the Rebels was supposed to be a dream come true a step toward achieving my goal of being the first female NFL head coach: **Kindle playing defense reddit** But when three sexy-as-hell players blitzed their way into my life I got distracted. **Playing defense meaning** And I'm at risk of losing it all even the sport I love: **Playing Defense pdf merger** Now the one thing that's kept me grounded kept me focused is the last thing that could possibly bring me comfort. **The art of playing defense pdf** Because when it comes to Xavier Colt and Tristan the lines are blurred: **Playing defenseless** I may be their coach on the field but in matters of the heart I'm playing defense, **Playing defenseh hadith** **Playing Defense is the second book in a slow-burn reverse harem series. **Contemporary playing defense meaning** At the beginning of Playing Defense Blake and the boys are dealing with the fallout of the fight: **PDF Playing defense acquisition** Blake is trying to be strong but at first she doesn't know what to believe, **How to play defense in football** And y'all know I'm spoiler-free but there's a little bit of kink going on here (won't tell you who though) and I'm foaming at the damn mouth for more details on that: **Lebron not playing defense** Mad props to her for outlasting most of us readers at this point, **Playing defense in fifa** I probably would have said see ya job I'm getting laid on page four of the first book and then lived off the three rich football stars for the rest of my days, **Playing defense in basketball** I wasn't sure who I'd grow to like most during the first book but now I'm solidly team Cole, **Playing Defense pdf** Of course this is a reverse harem book (for those who don't know it means 1 girl many men, **Playing defense in madden** THEY CAN THOUGH) so I don't really have to choose which one I like more: **Playing defensehub** But damn there's something about that man that has me all in a tizzy, **Playing defenseless** These books are light on the sex (some hot kisses some--re:LOTS--of sexual tension and a lot of talking about what they want to do), **PDF Playing defense mechanisms** The books make some references but everything is laid out easy to understand: **Playing defense beckett layne epub** Kindle Edition The second book in The Rebels series continues only immediately where The Reverse Play left off, **Playing defensej job** In Playing Defense Blake's career is on the line and relationships with Colt Tristan and Xavier continues to develop: **Playing defense in soccer** This story is well written addictive and emotionally heart gripping, **Do running backs play defense** I highly recommend Playing Defense can't wait to read

the third book Calling The Plays: **Playing Defense pdf reader** Side note: If you'd like something to listen to whilst reading this book check out the Playing Defense playlist at the end of the book: **Playing defense ebook free download** Kindle Edition Playing defense If I wasn't already hooked by the Reverse Play than Playing Defense really did it for me. **Little girl playing defense in basketball** In Playing Defense our MC's deal with the aftermath of the fight. **Playing defense link releases** Blake gets an other job opportunity with the Boston Rebels that she gladly accepts, **Playing defense in madden** Meanwhile Tristan Colt and Xavier keep showering Blake with their attention: **PDF Playing defenseman** Blake is fighting a losing battle to try and keep things professional. **Playing defense beckett layne vk** I could have been bummed out by the lack of more intimate scenes in a second book but I'm not, **PDF Playing defense mechanisms** I love how Bastian plays an even bigger part in this sequel I swear if I could I'd add him to the love interests: **Playing defense in retro bowl** Now I'm just anxiously awaiting the next book because I'm dying to find out how everything will unfold. **Playing defense in soccer** Lets not forget the guys mouth drool worthy!! I still have to say Colt is my favorite! You have the sensitive lovable Xavier which I'm glad came out more in this book. **PDF Playing defense finance** Then you have the fun loving always joking Colt who will befriend anyone. **Playing defense in football** Last but certainly not least Tristan the brooding sexy man who just wants to love on Blake, **Playing defense in madden** The monk has really caught feelings that he wants to act on: **Playing defense in soccer** And I think everyone needs a best friend like Bastian!! I can't wait for book 3!! This is a MUST READ! Kindle Edition.

Cole and Xavier. Tho I do have a favourite. This felt more natural for some reason. Her feelings are changing. The more she gets to know them the harder she falls. They make her stronger. Better. More passionate. They encourage her. Challenge her. Care for her. They are the missing pieces she never knew she needed. These men worship her. Kindle Edition Okay I really enjoyed book one. Blake is dealing with everything from the fight. She works hard. Kindle Edition I really like the series. Note: Blake feeling guilty over a white lie was dramatic. But I guess it keeps the story interesting. I absolutely loved it. Can't wait to read more about Blake and her Rebels.*I received an ARC copy of this book. I took my eye off the ball. The rules—questioned. The sexual tension in Playing Defense is off the charts. Getting to know the boys more was absolutely spectacular. but usually they don't have sex all together. And if you don't like sports it doesn't matter whatsoever. As long as you like hot men you'll be totally fine
