Or is he wrong? Will his intervention cost lives - including his own? **Gone Tomorrow (Jack Reacher #13)** This one's hard to review because any little detail I reveal might turn out to spoil a surprise for someone. **Gone tomorrowxtogether** Couldn't recommend it more highly! Literature Fiction Mystery Thrillers This is among the best of the Jack Reacher novels and it opens with Reacher riding in a New York City subway car late at night. **Book Gone tomorrowland**) Naturally Reacher knows the list by
