Always faithful stables

And a sense of humor. Sherry A. Burton Oh my.and thus the story begins. Sherry A. Realistic. All the makings of an adventure I can enjoy. And it started out that way. There is no respect. I will not insult Ms. Thus ends my tirade. (For most readers this will have little to no impact. Read the book enjoy the story. The premise is interesting and the pacing well done. This is a quick read and on the light side. Jerry is an empathetic main character and I loved Gunter. Sherry A. Always Faithful ended with a cliffhanger which I dislike. An unease that grows with each flake that falls. He has a gift--he is precognizant.Finally it happens.This is a fun book well-written with a clever premise. It's more a novelette so it's a quick read. There are 14 books in the series so far. Not to insult the author but \$3.99 for a 171 page book is too steep for me. But I promise you will enjoy the stories. Sherry A. Jerry McNeal is a cop with a special gift. My Thoughts This is an emotionally satisfying story. They are both caring loving individuals. This story left me with a warm fuzzy feeling. Great titles.Book 1 was pretty good. Expectations not met going into book 2 and 3. Gunter and Cat were the best non-human characters. Holly and Sgt Seltzer the best human characters. Jerry needs some work. Felt cardboard to me. Sherry A. Read these books! You'll love them! Sherry A. Burton Sherry A. Sherry A. {site_link}
