

Reckless Miles (Miles Family, #3) By Claire Kingsley **Book Reckless milestone credit** Also a suspense-like plot that starts in Book 1 still continues in Book 3 and it seems to be solved only in the last book and it is not a bit of interesting and reading about it in the background all the time was wearisome for me. **Reckless Miles ebook** - POV: told from dual POV- H likable? Yes! So far my favorite brother ☐- h likable? Yes!- h virgin? Yes- First time they kiss: 13% - First time they sleep together: 19%- OW/OM drama? No- H/h cheat? No- Steamy? Yes- Did I skip pages? No- How the book made me feel: this is a pretty upbeat book- Big secrets? sort of. **Reckless miles share** He feels at peace when she touches him his mind quiets and he actually sleeps! Cooper's evil father is still up to no good in this book and threatening everything the Miles family hold dear to their hearts. **Kindle Reckless milesplit** I don't think I'm alone in that I can't wait to get into Leo's head and see who will win his heart! \*\*\*\*\*I loved reading about Cooper and Amelia's story but their love story if I cut and paste it on a blank document is around 100 pages I don't know maybe a bit more or a bit less. **Book Reckless milestone** The book is on the other hand someone gives birth to a child newly met siblings get closer to one another mum cooks for the family mum and dad still try to divorce blah bla bla. **Reckless Miles booker** What is a story filler? How does it help your writing or how does it ruin it? This is what I teach my students in my writing class when they are trying to write a story. **Reckless milescc** However if cutting a scene may leave a hole in the story in which the reader will no longer be able to understand why something happens or will feel the characters' actions are no longer justified then they are purposeful fillers and should stay. **EPub Reckless miles sanders** I read 2 books in this series (Book 2 and Book 3) and although I have read 5-star worthy books from this writer I now clearly see that the books in this series of hers are not my cuppa so I am quitting the series here. **Reckless Miles booklet**

\*\*\*\*\*You can follow my instagram page from here **Reckless Miles (Miles Family #3)** "We'll be in our nineties with white hair and wrinkles and I'll still kiss you and grab your ass and tell you you're hot and love the shit out of you every single day. **Reckless miles away** Now that his side-kick and partner in crime (Chase) has found true love (and married his sister in Book #2) he's feeling a bit lost and reexamining some aspects of his life. **Kindle Reckless miles davis** "First impression of Cooper: I was introduced to Cooper in book 1 and I don't think I can even adequately convey how much I love this brother!! Amelia (22 recent college graduate but would love to do something with horses): she lacks some confidence but that's mostly due to her mother never offering her encouragement. **Reckless milesker** She was jilted on her wedding day (her groom ran off with her cousin and then married her cousin in Vegas the same day ☐) and although he wasn't the right guy for her anyway it was still humiliating and a blow to her self esteem. **Reckless miles aaver** "They had soap bubble fights went horseback riding and river rafting they went skinny dipping and had picnics they dressed up Cooper's ☐ with dick costumes ☐; and they went paint balling. **Reckless Miles kindle** Amelia was trying to figure out what to do with her life while facing pressure from her parents to follow a different path (screw them and their quest to maintain a certain social status ☐). **Book Reckless miles bridges** Don't tell her I didn't make you a side dish okay?" I hadn't slut-shamed them so why did they think they could virgin-shame me?" My best friend married my little sister a few weeks ago. **Kindle Reckless milestone credit** I feel it perpetuates the notion women can't like sex but men can so I am super sorry but I can't support books who do this anymore as my own personal stand against it. **Reckless miles share** Overall a nice read with some good moments of humour although there were moments such as the scenes involving costumes for Cooper's dick that had be rolling my eyes the first time and then skimming the scene with the second costume. **Reckless milesburg borough** But can Cooper grow up and be ready for someone and can Amelia realize where her new home is with Cooper? This had me laughing Amelia was a female Cooper and Cooper is so funny. **Book Reckless milestone credit** 75☐ my favorite from the series so far actually liked this one **Reckless Miles (Miles Family #3) Claire Kingsley** is a number 1 bestselling author of sexy heartfelt contemporary romance and romantic comedies. **Reckless**

308 pages! So what does that mean? It obviously means there is too much filler stuff in the book other than the romance, **Book Reckless miles** So what did I do?I read the pages where my couple appeared and skipped the filler stuff or just scanned those pages to be able to understand what's going on: **Reckless milesburg pa** So what happens in the story fillers?Someone falls and gets injured.

Audio 5 Stars Story: **Book Reckless miles sanders** 4 Coopermoon stars Sweet and fun read but could have used more showing and less telling. **Book Reckless milestone** Reckless Miles (Miles Family #3) Reckless Miles is book three in The Miles Family series by Claire Kingsley, **EBook Reckless miles davis** I've loved this series from the start but have been especially excited about Cooper's book, **Reckless miles the miles family book 3** The brother that everyone loves because he just radiates happiness but that loves the people closest to him with his whole heart, **Book Reckless miles** The author's blurb for this book is so spot on it's hard to think of what else to tell you about this to help you to decide if it's for you but I'll try, **EPub Reckless miles teller** This book can be easily read as a stand alone although there is a story line that runs through out the series, **EBook Reckless miles teller** His oldest brother's child has just been born and his little sister just married his best friend Chase: **Reckless milesburg borough** Before Chase and his sister were a couple he was Cooper's partner in crime so to speak, **EBook Reckless miles bridges** He feels like something's missing from his life for the first time ever. **Book Reckless miles bridges** It's with these thoughts on his mind that he walked into the town bar and saw her sitting there. **Reckless mileshare** She was the most beautiful woman he had ever seen but she had such sadness in her eyes, **Book Reckless miles davis** When she asked him to kiss her he didn't hesitate to comply, **Book Reckless miles sanders** When she asked him to come back to her hotel room with her he couldn't say no, **Kindle Reckless miles bridges** Not only because she was beautiful and sweet and easy to talk to but that he couldn't help but feel like she was special somehow: **Book Reckless miles davis** Amelia Hale was in a wedding dress she hated getting ready to walk down the aisle, **PDF Reckless miles davis** Only the man that is supposed to be there waiting for her isn't. **Reckless Miles kindle** Humiliated she runs away from the church and ends up at a nearby bar in her wedding dress, **Book Reckless miles davis** When a very good looking man sits next to her she decides to do something she's never done before and invites him back to her hotel room. **Reckless Miles epub file** This is the beginning of Amelia's Cooper-moon! Since her honeymoon isn't going to happen Cooper asks Amelia to stay instead and have a Cooper-moon: **Reckless miles the miles family book 3** He vows to himself to do everything he can to make Amelia happy to erase her pain. **Book Reckless miles** Cooper has never even been in a relationship before but he can't imagine letting Amelia go, **Reckless miles the miles family book 3** Up to the wedding Amelia has had little control over her life, **Reckless milesevska** Since the wedding that wasn't things are happening so fast, **Book Reckless miles** But is this really where she is supposed to be or is she just letting Cooper plan her life now? Cooper's mind and body are always going a mile a minute. **Reckless Miles booklet** Cooper wants nothing more than to protect his family to protect his mom, **Reckless Miles ebook3000** He's gotten himself into a situation that he can't tell anyone about but he didn't feel like he had any choice, **Book Reckless miles davis** I just knew Cooper's story was going to be amazing and it was! Amelia was perfect for him: **Reckless Miles pdf editor** She could speak the Cooper language! They were so good for each other, **Book Reckless miles davis** I have to say it again how much I am loving this series: **Reckless milesker** I'm not sure but I am hoping that Leo's story is going to be next, **Reckless milesevska** Reckless Miles (Miles Family #3) Something between 3 and 35 stars\*\*\*\*\*There is a very sweet couple in this book, **Reckless miles claire kingsley read online** The hero is kind of a man-child but he is a likable character. **Book Reckless milesplit** He is a crazy adorable guy that is impossible not to love!The heroine is very sweet too and she can adjust to his crazy, **Reckless milesluigi** There is not a burning fire or or killer chemistry between them theirs is a light kind of passion an easy and simple love story but it is convincing enough, **EBook Reckless milestone** Oh and there are more scenes with the brother who has PTSD so that we get interested and read the next book which is his. **Reckless miles by kingsley read free online** A story filler is unnecessary text that is used to move the plot forward: **Book Reckless miles sanders** In longer pieces of writing such as a novel it can

be as long as a few pages a whole chapter or even a few chapters, **EBook Reckless miles davis** Most often if you take out that piece of writing the story would not lose continuity and the reader wouldn't be confused, **Book Reckless milesplit** Story fillers are acceptable if they are used to reinforce feelings or facts or if they are used as a transition which means they are there for a useful purpose: **Kindle Reckless milestone** Fillers can sometimes be essential to the story's thematic message. **PDF Reckless milestone** If removing a filler makes the story flow better and if it will hold the reader's interest better then it should be removed, **Kindle Reckless miles teller** By the end it should feel that every part of your story is essential to the reader's complete appreciation of its meaning, **Book Reckless miles teller** When you use too much story filler just because you have completed your main story in a haste there is a very sweet romance between the adorable characters Cooper and Amelia, **Reckless miles the miles family book 3** And I guess then the writer got stuck with no ideas about how to move their romance forward as it was an already done deal after 100 pages in total: **Book Reckless milestone** So she filled it with lots of other stuff involving lots of other people: **Reckless Miles ebooks free** All that overdose of story fillers bothered me because it interrupted the flow of the main story, **Book Reckless miles morales** If they didn't outweigh my sweet romantic comedy this book would be 4 stars for me but because it bored me with lots and lots of story fillers 3 stars it is. **Book Reckless miles davis** For those who are interested in this book I can say that it is totally safe but the hero is a reformed man-wh\*re and the heroine is a virgin, **Book Reckless miles** " swooning ☐ Takes place in Echo Creek a small town in the Cascade Mountains where the Miles family owns a winery called Salishan Cellars. **Book Reckless miles morales** Characters Cooper (27 in charge of the vineyard at the family winery): He is full of life and loves a challenge: **Reckless milesker** He loves the land and working in the fields and he takes care of the vineyard like its his baby. **Book Reckless miles bridges** And now it's all messed up and the reasons why make me think I must be a much bigger asshole than I previously would have thought: **Reckless Miles pdf** Besides her best friend no one seems to be in her corner, **EBook Reckless milestone credit** She's a good girl who follows the rules and tries to do whatever her mom wants as she's constantly seeking her mothers approval: **Reckless miles the miles family book 3** She tends to babble when she's nervous or upset (which is absolutely adorable and just makes you fall in love with her). **Book Reckless milesplit** First impression of Amelia: she seems sweet and down to earth but it also seems like people walk all over her, **Book Reckless miles sanders** The StoryAs Amelia sits at a bar in her wedding dress pondering her life over a glass of water (see: **Reckless milesker** a good girl ☐) she meets Cooper who is also pondering his life: **Reckless miles the miles family book 3** And as they talk Amelia asks a question that will be the catalyst for all things to come: **Book Reckless miles sanders** I really like it when it's leading somewhere else because let's be honest I'm a guy and guys always get excited if we get to take our pants off, **Reckless milesshare** I'm an awesome kisser so if there's a problem we'll know it isn't me: **Book Reckless miles morales** I have a feeling you're actually a great kisser and you just don't realize it. **Reckless milesevska** You look sad and I don't like it when you're sad even though we just met4. **Reckless milescc** kissing makes me happy so I bet it will make you happy too, **Book Reckless miles sanders** All this talk about kissing is making me watch your mouth while you talk so now I really want to know what you taste like, **Kindle Reckless miles teller** ☐ Don't you just love him? (if you don't go read book 1 ☐) From the very beginning these two had off the charts chemistry: **Reckless Miles epub air** They are extremely comfortable around each other and have the same tendency to ramble, **Book Reckless miles davis** I turned at the sound of Cooper's voice and nearly dropped the paintball gun, **Reckless Miles ebookers** "See you out there" Cooper said and jogged away the dress swishing around his legs. **PDF Reckless milestone** ☐☐In the midst of all their fun they did have some things to sort out, **Reckless Miles epub** Cooper was wrapped up in a major dilemma involving his a\$\$hole father, **Reckless Miles kindle reader** Cooper can be a handful and Amelia was the perfect person for him and the one person that could actually bring some calm to Cooper's whirlwind, **Kindle Reckless miles teller** The pace of the story was good and there were other family aspects that brought depth to the story. **Reckless milesshare** As with the other books

the entire Miles family is upfront and center in this story and you continue to bond with them, **Book Reckless miles** Cooper is a big kid and he loves his fun which means you will either appreciate him or roll your eyes and think he is immature: **Reckless milesker** In my case I have a kid like Cooper (impulsive high energy talks non-stop and loved by all) so it was easy for me to love this character: **EPub Reckless miles davis** This continues to be a great series that I'm thoroughly enjoying, **Reckless milesboard** - Do you need to read previous books in series?: I would say yes, **Book Reckless milestone credit** At this point there is some overarching family drama that is present in each book: **Reckless milesker** Plus the foundation of each character in the Miles family was really established in Book 1 and I think girls usually like a side dish or some shit, **EBook Reckless miles teller** "The kid... well he looks like a newborn so that means he's that cute-ugly that everyone says is adorable. **Reckless mileshare** I guess because you're supposed to think babies are adorable even when they have warped heads and wrinkled faces, **Book Reckless miles teller** "I'm pretty sure babies don't get cute for at least a couple of months but everyone freaks out when you say they look like a Shar-Pei with no teeth, **Book Reckless miles sanders** "It's fine you don't need to gush about how great I am I already know. **Reckless milescc** But I am getting the very disturbing impression that you don't realize how great you are. **Reckless miles by c kingsley read free online** "It's wanting the other person to be happy no matter what it costs you: **Reckless Miles kindle** "Another dick costume? Oh my god Cookie!" Yes! Do you see what it is? A farmer!" Her voice got all high-pitched and squealy: **Book Reckless miles teller** "Reckless Miles (Miles Family #3) I first read about Cooper in the first book Broken Miles, **PDF Reckless milestone** He meets Amelia in a weak moment for both and they start an affair. **Book Reckless miles** He's the kind of character that you will either love or will drive you crazy with his banter and lunacy, **Reckless milesevka** Amelia's crush now fiancée has left her at the altar and she's a sweet little virgin in need of solace. **Reckless Miles book** This is a guy who swoops in to pick up his newborn nephew before his own mother and he extends his care to Amelia: **Reckless milescc** The side story of the Miles family idiot father heats up as well, **Kindle Reckless miles teller** I need to go back and read Brynn's romance with Chase as he is too good of a character. **Reckless milesker** Here is a little of his and Cooper's banter just after Cooper has been dumped by Amelia, **Reckless milesluigi** I staggered toward the couch but didn't make it that far, **Book Reckless milestone credit** "Cooper what happened? Are you hurt?" "I think I'm dying: **Reckless milescc** I let Leo take the blame but you should know the truth before I go, **Book Reckless miles davis** "I'll do it if I have to but it's going to make your sister really jealous and probably make the rest of your family wonder if the gay rumors are true: **EBook Reckless milestone** "Leo the damaged brother is next and yay! Plus hopefully the bad dad will get a comeuppance, **Reckless milesevka** " ~Cooper Miles For Cooper Miles life used to be an endless party, **Book Reckless milestone credit** But things change—people change—and lately the party life isn't doing it for him, **Book Reckless miles bridges** But it isn't every day you meet a girl in a wedding dress in a bar. **Reckless Miles bookworm** A girl whose life just took a sharp left turn she wasn't expecting: **Reckless milesevka** She's had one hell of a day and a little kissing lesson by Cooper is bound to make her feel better. **Reckless milesluigi** The invitation back to her hotel however... that he wasn't expecting: **Reckless Miles kindle store** And not because she's in a wedding dress and the words this is my first time cross her lips, **Reckless milesevka** It's reckless because she makes him feel things he's never felt before—big things, **Book Reckless miles morales** But this girl? She might be magic and he has no idea what to do with that. **Book Reckless milesplit** This former playboy has a heart as big as his personality and when he finally falls in love he falls HARD, **Kindle Reckless miles** Reckless Miles (Miles Family #3) I liked the other books but I am really really really really really x 10000000 not into the whole manwhore/virgin trope. **Reckless mileshare** It's the same as second chance that have the heroine celibate for years while the man gets to stick it wherever he wants: **Reckless milescc** 5 Seesawing Stars The hero in this is a reformed manwhore and the heroine a innocent virgin left at the altar by the guy she's always crushed on, **Reckless milesevka** The two meet in a bar and that's when the fun begins, **Reckless Miles pdf merger** Copper Miles is certainly an entertaining goofball in this a bit of a man-child he

and the heroine Amelia gel well: **Kindle Reckless milestone** Some unnecessary descriptions and the drama with Cooper's ass of a dad needed more oomph. **PDF Reckless miles** Reckless Miles (Miles Family #3) If you're reading this review to decide if you should buy this book: **Reckless Miles pdf editor** Ok ok there's more: Each book is romantic heartwarming and has just enough going on to keep you riveted without making you want to throw your Kindle: **Book Reckless miles teller** But this book? Too many people. Too much other stuff going on involving other people. Too many scenes of daily mundane tasks. Too much repetition. Too much filler can easily weigh a story down. It will feel flat and it will drag. The reader will think that the story is going nowhere. Your story filler(s) should not outweigh the main story. The art of writing is in making every word count. Good writers do not write fillers. - Did I cry? No - Cliffhanger? Sort of. The issue with the father was left hanging. It will be resolved in upcoming books. Quotes Pregnant women needed a fuck ton of pillows. Cooper is the fun brother the unpredictable brother. He loves big and he lives big. Cooper Miles is twenty seven years old. They would go out together pick up women together. But without Chase the fun was gone. And she was wearing a wedding dress. She's been left at the alter. He loves spending time with her. So he convinces her to stay. As time goes on they become closer. Cooper makes her so happy. But something about Amelia calms him. I loved every word every page of this book. But was the timing right? I could not put this down. [facebook.com/groups/44036](https://www.facebook.com/groups/44036). They are so much in sync. They are fun they are sweet and they are sexy together. I believed in their compatibility and in their feelings. \*\*\*\*\*I HATE story fillers. They ruin a potentially good book. It can be a sentence a paragraph or a page. I needed that romance to be the main focus. It didn't have to happen so smoothly and easily. It didn't have to happen so fast. But it did. P.S. He is fun always moving and talking and he's impulsive. I really don't know what's going on with me lately. I had a perfect life you know? Everything was great. She has a kind soul. And her mom. what a piece of work. She didn't win any points for body-shaming Amelia. Who cares if she has a few extra curves. Do you like kissing? "Yes. I do like kissing just for the sake of kissing. But yeah kissing feels good. I like it." And Cooper continues to explain why they need to kiss: 1. 2. 3. 5. "Oh Cooper. He just says it like it is. They get each other no explanations needed. Brynn leaned close to Chase. "Oh my god I think she speaks Cooper. They had so much fun together during Amelia's Cooper-moon. Okay I'll stay. Instead of a honeymoon I'll have a Cooper-moon." Yes!" he said his eyes widening. "That's exactly it. Fuck yes I knew this was a good idea. Holy shit Cookie we're going to have so much fun. Your Cooper-moon is going to be the best. He was wearing my wedding dress. So they both were dealing with difficult selfish parents. Overall I really loved Cooper and Amelia's story. She calmed my shit down. She was my peace and I loved that about her. And because this is Cooper's book. that means there are lots of childish (yes) but fun moments. Up next. the tortured hero Leo. Mom would be so disappointed in me. And I think I'm jealous." "What can I say my brain moves fast. If people can't keep up that isn't my fault." "I think that's what love is" he said after a moment. "Holy shit. I'm a farmer." She wiggled against me. "That's why it's so perfect. I saw this one and obviously had to order it." I love it. My dick is going to look fucking adorable in this. He and his best friend Chase were absolutely crazy together. Somehow somehow I jumped from mediocre book one to this.

Hysterical. Cooper is an ADD sweet loving madcap idiot. Cooper's craziness and sweetness are just the ticket. I was pretty sure I was going to die. Clutching my chest I collapsed onto the ground. "Cooper!" Mom was at my side in an instant. She knelt beside me and touched my forehead." It felt like my heart had stopped beating. I couldn't have much time left. "I'm sorry Mom. I'm the one who broke Grandma's tea pot. The one with the blue flowers on it." "I knew it was you" Leo said.\*\*\*\*\*"Do you need CPR?" Chase asked. Reckless Miles (Miles Family #3) "I love being naked. Naked is awesome. He worked hard and played harder—as often as possible. Enter Amelia Hale. Cooper doesn't see her coming. Kissing her is totally no big deal. Saying yes to her is reckless. Not because he's a stranger to a one-night stand. Nothing scares Cooper Miles. Author's note: Cooper Miles. He's sexy hilarious and deeper than you think. The Miles Family series is best enjoyed in order. Reckless Miles (Miles Family #3) 3 to 3. Acquired via KU. Yes. If you haven't read Book 1 & 2 buy those too. You know why? They each contain: Cooper Miles. There's no cheating no violence nothing gross. Did I mention this book has all. The. Cooper? All.
