

Skywalds Psycho: Volume 1 By David Hadley, Paul Reinman, Grey Morrow, Maria Acquaviva, Gardner Fox, Roger Ellwood, Art Stampler, **Skywalds psychometric** Gwandanaland Comics (the publisher of this book) discovered that the original publisher of Psycho (and related titles) did not renew their copyright so they scanned and put together several volumes of these comic book reprints.

Skywalds psychometric

Skywalds Psycho: Volume 1 Psycho was a black and white horror comic that put out issues from 1970 to 1975. **Skywalds psychonomic** I guess they're best known for creating the character The Heap and for extending Shelley's Frankenstein to include stories of Dr, **Skywalds psychometric** The stories are pretty typical for the genre - witches demons zombies and a couple of stories set in outer space - but nothing really stands out. **Skywalds psychometric** Then again I didn't buy this for the stories I picked it up for the artwork hoping to discover a new artist with a distinctive style to follow and learn from. Frankenstein becoming a monster himself. Volume 1 of Psycho reprints the first four issues. Unfortunately I didn't find anything that caught my interest. Oh well . moving along!
