

Dough Knot Murder: A Christmas Short Story (Baker Street Cozy Mysteries Book 5.5) By CeeCee James Especially when a guest dies at his front door! Kindle Edition I particularly like the Baker Street mystery series by Ceecee James and to have a Christmas themed mystery to add to the repertoire is doubly delightful. Kindle Edition I didn't think I was going to like this short story when everyone seemed so indignant at Mike for getting angry with his dad because you should always respect your elders when they seemed to be missing the point that Mike had given up his life to care for his wheelchair bound dad. Oscar and Cecelia have a sweet if odd relationship and I didn't like being told several times that Oscar had done something unforgivable and his sons don't speak to him but not told what it was. Poi è spuntato fuori questo racconto su due co-protagonisti della serie e ho così scoperto che la nipote di uno dei due è la protagonista della nuova serie di questa autrice e che a marzo comparirà nel nuovo libro di questa. Che bello! Kindle Edition It's Christmas time at Baker Street! Dough Knot Murder is a short story stand-alone with 3 free recipes! One of them a personal favorite of mine! In this Baker Street spin-off Oscar and Cecelia find themselves along with the guests of the bed-and-breakfast snowed in this Christmas holiday. Be sure to read through the end to catch a few special recipes including Cecelia's Christmas morning bread a little something from Oscar and my own secret Chicken Pot Pie! Plus a note from me! This story is special to me (I share a bit more about that at the end) and I hope you love this grumpy darling man as much as I do! It turns out the world would be a better place with a few more Oscars and Cecelias: He is a delightful curmudgeon whose investigative skills have not dimmed with age, Kindle Edition Nothing like a homey Christmas snowed in at a bed and breakfast, Then a body is found and the ex-FBI neighbor must help find out who the killer is. Kindle Edition Quick read with Oscar and Cecelia as the stars. Nice change of pace getting to see them grow closer as a couple and seeing Oscar in action solving the crime, I had already read the 1st book in the Flamingo series years ago and never made the connection so now I'll have to go back to that series as well, Kindle Edition Very cute story with an older couple as the lead characters: This was refreshing as usually the characters are 20 somethings, Oscar is a retired FBI Agen and Cecilia owns a Bed and Breakfast next door. One of their guests dies on his front porch and it turns out to be murder, Oscar solves the mystery.

Great Christmas mystery I love any book by CeeCee James and this Christmas novella is at the top of my list, Oscar is determined to find out what's going on at Cecelia's bed and breakfast: I have been really wondering when Oscar's FBI past would emerge in one of her stories because one never really retires. Cute short story this author is new to me and I would be interested to read her other books: Kindle Edition

Cute quick read I only read this after all the Baker Street and Flamingo Realty books but it really comes before the Flamingo books start: Oscar seemed so different and I hope we get to see more of him like this in upcoming books, These two series are great and I love the crossover into each other, I wondered where Georgie and Frank were though after the excitement calmed down and Cecelia and Oscar traded gifts, Kindle Edition Previously: Christmas at Baker Street in the Six Merry Little Murders anthology. I could not outthink this plot and I cherish the stories that are able to do that. The author did a fabulous job of quietly saying "this is a clue pay attention" but I was still trying to

put the puzzle together when Oscar presented the solution, I think my favorite thing about this story is that it stars a leading couple well beyond the first flush of youth, This was my first experience with the author but won't be my last, Anyway it turns out that nothing was as it seemed and I won't give too much away: Kindle Edition Credevo che questa serie fosse finita anche se c'è un mistero nella vita della protagonista che è rimasto tale: What should be all sugar cookies and hot cocoa takes a drastic turn when one of the guests turns up cold—as in stone cold dead. With no help in sight the two hope to find the killer before anyone else gets iced out, I love the Baker Street Series! Good mix of characters to keep you turning pages & looking forward to next. Reward yourself by making some of the recipes included!!! Previously published as part of the boxed set titled Six Merry Little Murders, Other books in the series include- Cherry Pie or Die Cookies and Scream Creme Brulée To Slay Drizzle of Death Slash in the Pan Terror on Top A clean cozy read, Dough Knot Murder: A Christmas Short Story (Baker Street Cozy Mysteries Book 5[1]

And I was not disappointed. Wonderful food served daily by a marvelous cook. Nice short story. That's fine. It seemed really short but it was good. Anyways I liked this book and look forward to many more. A classic Christie-esque mystery that ran circles around me. Proving that "old" is not synonymous with "useless". 3 stars Kindle Edition This was an okay mystery. Including them. This short story has been newly edited with and expanded. No graphic violence sex or strong language.5).
