This was a difficult book to read both in subject matter and format. **Choice wordsflow plugin** This book included some content around the regrets of a handful of women but overall the majority of the stories (and poems) were of women who knew with absolute certainty that this was the right choice or their only choice. **Choice words newton abbot photos** Many of the stories were immensely sad and made me so angry at the suffering of so many women around the world and how hard the patriarchy has made it for women to have safe abortions. **Choice Words booking** 9781642591484 Very timely collection of essays poems plays and more which gives voice to the myriad of perspectives surrounding reproductive choice and abortion - the various reasons for it regrets of sighs of relief a choice thought through or coerced by people and circumstances something forgotten by the passage of time or a feeling that haunts you forever - every kind of emotion is captured in these pages across countries and cultures and decades and I was completely moved by these stories and experiences. **Choice words with samantha bee** Also though the overwhelming majority of authors featured are women or girls (which to be clear is how a book on abortion should be designed) one of my favorite pieces was actually written by a man Langston Hughes! I was impressed by this book for two reasons: 1. **Choice words app** Speaking of I wasn't expecting the amounts of tenderness towards children born and unborn that these writings contained! The featured authors write of their choice to get an abortion not with spite or disgust but with love and with the desire to be a good mom which sometimes means not becoming a mom. **Book choice number** And here we are thirty years later...But most of all this book reminds me of to borrow a phrase from Tavi Gevinson the low-simmering rage women walk around with - we try to live our lives amongst the mess of what could happen what has happened what we must do what we can do. **EPub Choice words ending** Of the 140 pieces that particularly stuck out: • "The Abortion I Didn't Want" Caitlin McDonnell • Cora Unashamed Langston Hughes • "The Pill Versus the Springfield Mine Disaster" Joanna C. **Choice words book**) Emily Carr • "The Mother" Gwendolyn Brooks • "The Lady with the Lamp" Dorothy Parker • I Am Used to Keeping Secrets About My Body Josette Akresh-Gonzales • "Of The Missing Fifty Million" Shikha Malaviya • "Tweets from exile in Northern Ireland" Jenifer Hanratty • Excerpt from "Standing Ground" Ursula K. **Choice words newton abbot** Le Guin • "Farewell My Love" Ginette Paris • "Right to Life" Marge Piercy • "Being A Woman" Jennifer Goldwasser • Excerpt from "Frog" Mo Yan • A Birth Plan for Dying" Hanna Neuschwander • "Nicolette" Colette Inez I am not in a Goodreads review going to proffer any solutions or calls for action but I will say that I really enjoyed this book. **Choice words newton abbot photos** 9781642591484 I can't review this prose and verse anthology since it includes one of my poems (alongside work by eye-popping echelons including Margaret Atwood Gwendolyn Brooks Langston Hughes Ursula K. **Choice words with samantha bee** Still I wanted to put down a few words about this anthology -- for example to say I appreciated how diverse it is its authors hailing from a relatively broad range of cultures and geographic locales. **Tempura choice word hike** There are pieces dealing with the complex issue of sex-selective abortions in India; in one essay a journalist contrasts attitudes toward abortion in the former Soviet bloc with attitudes in the West. **Choice words bookshop newton abbot** I was riveted by Soniah Kamal's prose piece The Scarlet A based on her interviews of three female high school students in Pakistan who had had abortions and who tell of how the strong social stigma against premarital sex in their community complicated their experiences. **Choice Words booking** Also powerful was the excerpt from Mo Yan's prose work Frog in which a Communist Party chairwoman tries to force a mother of three daughters to have an abortion for the sake of national family planning: the woman's husband intervenes but it is soon clear that it is not because he respects his wife's bodily autonomy but because he dreads seeing his male line come to an end. **Choice words slang** Some other pieces that stood out to me: The

powerful subtly perfect sonnets (Amber) by Debra Bruce (She'd never known that word before -- injunction -- / until the lady outside the clinic. **Choice words newton abbot** 9781642591484

As I have after reading other stories about the diminishing rights of women: **Choice words epub free download** Extensive collection of short stories and poetry on abortion from writers (mostly women) from all over the world, **Words for good choice** Read it! We will need to protest a lot very soon here: **Choice words with samantha bee** 9781642591484 A 5- more for the selection of writings rather than the writing itself. **Word choice words** 9781642591484 For the first time I realized that my mother's presence could not keep me safe from harm, **Choice words nyt** I am a staunch supporter of a woman's right to choose and that only women should make the decisions regarding their body, **Choice words chapter 1 summary** It would have been better if each section had an introduction instead of the lengthy introduction in the beginning (about each of the sections) that I kept referring back to: **Choice words llc grant writing** It was incredibly long and some of the poems didn't feel on-topic: **Words for good choice** I felt powerless after reading it not energized to take action I was about to undergo something potentially fatal. **Choice words def** The volume and breadth of selections would be respectable on any topic. **Choice word def** Yet for the topic to be one so culturally taboo and underrepresented throughout literature as abortion makes

this anthology all the more terrifying impressive and necessary, **Word choice lesson plan** It doesn't take long to grasp Finch's aim in amassing these pieces: **Choice words newton abbot photos** Nor is it to shed light on victims or minorities (though it does well in spots). **Words to describe your spirituality** Instead it seems Finch hopes that the universality of the female experience shines through across culture language and class. **Nonfiction Choice words ending** Abortion pregnancy birth these are but a few of the possible outcomes struggles and decisions that women face. **Choice words crossword clue** What's clearer than ever is how influential familial support is or could be in the life of an expectant mother, **Choice wordski** Whether fiction or not each of these pieces contextualizes and crystallizes the truth that pregnancy never affects only one person: **Choice words chapter 4** It's not a matter of mother or child but a matter of mother and child and father and family and friends and so on, **Word choice activities** It would have been easy to settle for selections replete with one-dimensional narrators ethnicities relationships and opinions: **Choice words newton abbot photos** And it's for the betterment of not only this anthology but its readers as well. **What are words in a book called** 9781642591484 I really enjoyed this book and recommend anyone interested in learning more about abortion read it. **Choice words newton abbot** It only reinforces my conviction to always advocate for reproductive freedom especially when we find it more in danger every single day, **Choice words nyt** 9781642591484 A collection of storiesessays and poems that reinforce the need to keep abortion safe and legal, **Choice related words** Too many woman have died and suffered just to have reproductive freedom! 9781642591484 I decided to write a proper review of this in light of last Friday's SCOTUS decision, **Choice Words booking** ("in trouble" is such an apt euphemism isn't it?) "Choice Words" is an anthology of writings related to abortion, **Poetry Choice words ending** They range from short stories poems essays excerpts from novels tweets even. **Choice words book** The collection isn't focused on any specific geographical location and has a very diverse roster of contributing writers which I really enjoyed: **Choice words crossword clue 6 letters** The fact that it exists as a unit so lovingly put together, **Words for good choice** These are brilliant carefully crafted words in a brilliant carefully crafted collection and I am truly grateful to Annie Finch for curating this. **Nonfiction Choice words ending** Judging an anthology by its ability to take from many and put together this more than exceeded my expectations. **Choice words by chantelle** It presents different perspectives experiences outcomes and covers topics such as assault infidelity medical emergencies femicide/sex-selective abortions enslavement motherhood life death. **Choice words crossword clue** Some pieces feature women who didn't even want an abortion or do think it's wrong on some level. **Choice wordsk karaoke** Further because it's an anthology it can easily be put down and picked back up which is a good thing to remind oneself when the book gets heavy (and it will). **Choice wordsk karaoke** As someone who really respects parenthood and the family as the foundation of society it touched me to read this. **Choice wordsflow plugin** It also reminded of this 1992 documentary Motherless about mothers pre-Roe v, **Poetry Choice words ending** This collection says a lot of the quiet parts out loud hushed kitchen conversations now printed on page. **Choice words book** Valente • Post-abortion Questionnaire - Powered by SurveyMonkey Susan Rich • "And there is this edge" Lauren R. **Words for good choice** Do not stand at my grave and cry!
