4□Objektive gesehen ist dieses Buch nicht perfekt aber mir hat es echt gut gefallen □ es gibt besonders am Anfang viele Infodumps und die Bösen sind bisher sehr eindimensional (haben keine wirklichen Beweggründe für ihr Handeln/sind böse um böse zu sein) aber abgesehen davon mochte ich alles andere □ Clare hat mir gut gefallen und auch ihr Loveinterest war gut die beiden haben meistens offen miteinander geredet und sich direkt entschuldigt wenn wer was falsch gemacht hat (wobei ich finde dass viel Zeit übersprungen worden ist in der sich Gefühle entwickelt haben)□ und Grayson ist natürlich sowieso ein Baby was um jeden Preis beschützt werden muss □ 370 I absolutely ate up this story! It was like a bomb going off. It was amazing. I was glued to the story that developed. The time would

be roughly medieval. So I'm going to do my best. And my heart just breaks for her. He does bad things for a good reason. I really loved each and every character in this story. Frost has a true gift. I was instantly captivated and pulled into the story. Do yourself a favor and read Royal Decoy! 370 Amazing. Gripping. Un-put-downable. This book was amazing. I don't know what else to say about it. The plot twist were fantastic. The characters lovable. The story enjoyable. A BODYGUARD determined to keep her alive. A PRINCE forced to execute his father's brutal laws. A PRISONER used to keep him compliant. A WORLD on the brink of war. If Grayson submits the blood of thousands will spill. The fate of Eyrinthia hangs in the balance. Some want peace. Some want war. All will be thrown into chaos. Even though her life is put in danger time and again. I look forward to following her story in future books. He lives in a neighboring kingdom. His parents are simply put, wicked. His brothers are equally evil. The story switches between two different perspectives. Their stories are very different though equally dangerous. I also like the many different relationships in the story. 370 Life isn't predictable. Tragedies happen and there are consequences beyond our control. But we choose the people we want close to us. We choose to be lonely or embraced. Don't choose loneliness my dear. Clare is a kitchen maid for the Royals. Clare freezes as fighting ensues. Then she quickly steps into action. With Clare locked up she is offered two options. Prince Grayson disobeys his father every chance he gets. His story is heartwrenching. His family is terrible. He really is caught in a bad situation. The intrigue is fantastic. This is a series that is worth reading. 370 I've been so excited about reading this book. I've been craving a book like this. It makes me anxious and excited. Clare. Poor brave Clare. I love her. Clare is easy to love. She is the definition of love and sacrifice. She is also kind. I am a big fan of kind characters. Please please please. I was so sad to get to the end of this book. I wish I had book two right now. Sigh. Waiting is going to be hard. Peril kissing. This book is on Kindle Unlimited if you have that. HeatherFrost.
