A bear shifter romance short story. But to get there won't be easy. And will their alpha allow her to write about them. Sooo.

Winter wishes read aloud

Please check the box below~ Thank You. 1462 Wonderfully fantastic. The book set was amazing. It had a lot of details and juicy scenes to them. The characters and their personalities match them

perfectly. Erin finds more than she anticipated in the frozen Tundra. Happy Reading! My Rating System: 4: I like IT a lot. Great Solid Story w/ few if any inconsistencies or errors. This is definitely a Mature Readers Only read. The romance comes in many forms shapes and sizes. Her goal was to get information about writing her book. I recommend that you read it. 1462 Please see individual stories for review. Most are very enjoyable and some are a little confusing. Well worth the read though. Relationships aren't perfect and love isn't always easy
