

The Kraken In The Lake By Annie Beth Rider **The Kraken In The Lake book series** Mostly my critiques boiled down to 1) the pacing of the romantic arc 2) a crapton of both fandom and romantic monologues 3) not really feeling the chemistry between them per se as much as them just saying they're in love without that much evidence beyond compatibility as groundskeepers in the middle of rural Washington. It was pretty faced paced a few errors some time jumps but it was a really great read, **The Kraken In The lakemd** 5 starsI enjoyed it their relationship was really cute thought it would have some smut in it tbh but I still like it non the less: **The Kraken In The lakenheath** 5 Annie Beth Rider Read : July 3 2022Rating :3 StarsA fun shortish story: **The Kraken In The Lake pdf book** I liked it but it also felt lacking in the endinga very fragile happy for now, **The Kraken In The lakez lyrics** There was no build-up between the protagonist and no chemistry between them either: **The Kraken In The Lake booking** Annie Beth Rider {site_link} post a commentWelp that was certainly something, **Book The Kraken In The lakeland** Was it good tentacle sex?
