

A Stolen Heart (Antonello Brothers, #0) By Kayelle Allen :

## Epub a stolen heart download

I love this kid! Senthys is just too adorable! In this book the characters are well developed and quite likeable: **Stolen hearts 1998** Close knit family with good old family problems but they all follow the house rules (mostly) and still take out the bad monsters. **The stolen book** Good book! A Stolen Heart (Antonello Brothers #0)

. The story does tug at your heart strings. Easy to read and quite entertaining
