I thought that there was a lot of charm and humor in this enjoyable book that brought to my mind the old movie Baby Boom. **Book Love & order to watch** Drama emotional turmoil sweetness and the type of hijinx that can only be caused by children and a big dog are cleverly woven throughout the fun storyline, **Book Love & order of books** I liked both April and Garrett and I felt they made a good couple: **Book Love & order of battle** Bryan Melanie and Sandy were a perfect blend of adorable and heart aching, **Love & ordering checks** Rufus the saint bernard was simply a loveable lumbering sweetheart. **Contemporary Love & order express** The feelings run from frustration anger sadness acceptance and finally love. **Love & orderapex** Romance Contemporary Religion The adult characters were well done both in town and in the city: **Pdf love & order free** I like that the locations weren't personified as good or evil just busy and laid-back: **Love & Order pdfs** There were some teary moments in the story including the I love you scene at the end: **Love & order book pdf**)There were also a couple of places that could've turned slapstick-worthy funny but were kept realistic, **Book Love & ordering** I really appreciate that! It's interesting that two kids can grow up in broken homes and have it color their views into adulthood so differently: **Love & order book review** Garrett wants to avoid family and marriage afraid he'll screw it up like his dad did, **Contemporary Love & order express** April just wants to protect kids from the bad side of foster care: **Book Love & order of books** Romance Contemporary Religion Love % Order I thoroughly enjoyed this story, **Love in faith order status** His parents had had a strong marriage which ended in divorce while he was still young. **Love in faith order status** a strict disciplinarian so Garrett kept everything neat and organized was shocked when returning home for his mother's service that not only had she adopted 3 children plus a large: **Love & Order pdf filler** dog but that her will named him as their legal guardian on her death, **Book Love & order to watch** April agreed to stay in as a nanny for 2 weeks and to find him a permanent nanny/housekeeper A lot of adjustments followed: **Contemporary Love & order of release** I have it 5 stars Romance Contemporary Religion Everything about this story was 'opposites attract': **EBook Love & order** Garrett the perpetual bachelor and driven attorney is metropolitan all the way. **Book Love & order facilitator** From his designer suits to his spotless home he is in no way prepared for what's about to hit him: **Love & Order contemporary kitchen** April the children and the dog are pure chaos and country: **Book Love & order express** And they're about to turn his world upside down in all the best of ways. **Love & Order epublising** There were definitely moments in this book that made me think of the movie Beethoven: **Love & orderly** But in the end this cast of characters prove that family is all a matter of heart. Garrett is soon forced to make some tough decisions. Love and Order is an entertaining story. I liked the characters especially the kids. Their antics certainly kept Garrett and April on their toes. I enjoyed watching Garrett grow as an individual. Love and Order is a heartwarming and witty story. Basically all things outdoors EXCEPT cold weather. April St. Unfortunately it puts her own job in jeopardy. April St. I love the characters. I really enjoy children in romances. They are challenging but bring so much life in. So did Garrett. Haha. I love April. She had things to work out too. Love & Order was a great escape for me. Mother knows best. especially for a single man. The narration was

well done. A cute plot is the basis for this heartwarming story. A very pleasurable read. This is my honest voluntary review. (I'm sure that's no spoiler. It's a romance. Garrett a successful lawyer was a confirmed bachelor. His father had been. A good story which kept me engaged to the end.
