But if you don't you won't be completely lost. And yes in this book one of the gems is discovered. Molly O'Keefe Another excellent story in this intriguing series. Recommended read. There's a mystery that carries over from the first novel. He's always been judged and I loved watching him shine. He just needed to be given a chance to be seen. Tyler and Juliette have a rocky past. No explanations. No good byes. Juliette is not the heart-broken girl I left behind. And I'm the only one who can help her. 5 stars I'm not sure how to rate this. He was kind of a tool at first. She was bitchy and judgmental. Molly O'Keefe The Gambler is wonderful. Gah. Together. {site_link}
