This book helped me get through the dark days after my husband's sudden death. **Crazy wisdom journal** Coming from India to Tibet - so crazy he didn't dodge the huge difficulty of primitive travel back in those mists of time - he wanted only to bring Gautama Buddha's message of Peace to the poor. **Crazy wisdom bookstore ann arbor** He was brilliantly canny - saw through every game in town so to speak - and felt eminently qualified to show the notoriously canny Tibetans that PEACE IS CRAZY BUT IT WORKS. **Crazy wisdom singing bowls** Chögyam Trungpa This is my second time reading this book six years apart and it seems like a completely new book now that I am more familiar with vajra dzogchen and Padmasambhara. **Crazy wisdom journal** The book covers: some aspects of the crazy wisdom tradition including questions by students and Trungpa's answers relating to hope and fear on the tantric or crazy wisdom path and the eight aspects of Padmasambhava the kind of original crazy wisdom figure. **Crazy wisdom masters** 98It is not hard to imagine that when you know what you are and who you are completely then you can explore the rest of the world because you don't have to explore yourself anymore. **Crazy wisdom dvd** 101Our degree of fearlessness should be so to speak no spiritual consumerism no escape! The speedometer of our sanity. p. p. Full review: <http://bit.ly/ZGbu7L> Chögyam Trungpa I've read most of Trungpa's books. This was one of my favorites. I'm now re-reading some of them. Maybe it's best reserved for the dark and troubled mind.? Chögyam Trungpa Crazy Wisdom is irrefragable. No bully can defeat it. No impartial professional can analyse and thus dismantle it. It is Vast and Primordial. Who has it? Children and innocents. Cackling geezers. And the fearless President of Ukraine Mr. Zelensky. Such Fools the Bible tells us can SHAME THE WISE. Padmasambhava was just such a man. With one big difference. And that the Violent will be DESTROYED. Something us equally canny modern sophisticates should heed. He knew Americans are street smart. And before he died. The approach of crazy wisdom here is to give up hope. There is no hope of understanding anything at all. Give up your ambition to put the jigsaw puzzle together. p. You can't deceive the path because

you make the path. p. p. p. Crazy Wisdom Always blown away by Chogyam Trungpa's writing. Just like D.T. {site_link}
