

Alien Lord's Captive (Warriors of the Lathar, #1) By Mina Carter **Alien lord's captive mina carter read online** And Tarrick soon discovers that his little 'Moore Cat' is not only a warrior herself but also quite an intelligent little Hell-Cat! Let the battle begin! Book Three: Bonded to the Alien Lord The battle has been won and the women are now safely back on board the Velu'vias. **Alien lord's captive mina carter read online** But the biggest surprise of all is when Tarrick wakes up the morning after the battle with mating marks covering his wrists and body! Oh my! He's bonded with his little Moore Cat. **Alien lord's captive mina carter read online** But I'm still not loving the fact that Tarrick still doesn't see anything wrong with raiding civilizations that are inferior to his own (like the Oonat) and the fact that Cat had to bargain for these concessions.

What? Now all he has to do is capture her conquer her win her heart and mate her! Huh? Oh my! Alien Lord's Captive (Warriors of the Lathar #1) Cat Moore es la sargento de una estación espacial. **Alien lord's captive mina carter read online** Pero siguiendo con los protagonistas de esta historia me encantó al final Cat defendiendo a su hombre como toda una super heroína!     Y él gruñendo y casi dándole un ataque al corazón porque pensó que podría pasarle algo. **Alien lord's captive mina carter read online** so the first part of this story the Captured by the Alien Lord part is pure smut with very little rebellion on the part of Cat Moore the heroine in the face of being Tarrick's sex slave. **Alien lord's captive mina carter read online** I mean objectively the sex is hot but when I'm thinking how she's all gung ho about having blackmail sex with the guy who made her a slave it makes it decidedly less sexy. **Alien lord's captive mina carter read online** In the second part Saved by the Alien Lord Cat has once again found her rebellious spirit and once again resists the idea of being a slave and now she's upset about being drugged. **Alien lord's captive mina carter read online** I know it's aliens and they're all about abduction but I want my hero to be an all around decent guy who knows right from wrong even if he does push boundaries here and there. **Alien lord's captive mina carter read online** The final part Bonded to the Alien Lord has Tarrick realizing that he's bonded to his new human lover and his brother Laarn the healer determines that humans and Lathar are genetically compatible possibly even distantly related. **Alien lord's captive mina carter read online** Absolutely a great alien-romance series and I will for sure get the rest of the series! Happy reading! Read: 24/06/2018 Will I recommend: Yes! Alien Lord's Captive (Warriors of the Lathar #1) Rating: 'Not sure how many stars to give this book' stars If you like the captive trope with a sci-fi-active plot strong military women underestimated and minimised by their alien captives as they conquer galaxies you might like Alien Lord's Captive. **Alien lord's captive mina carter read online** What i liked: 1) The promising exciting plot 2) The story had a lot to offer - great characters humour action bold military women up against an advanced alien race 3) Great world-building element 4) I loved the idea that the downfall of Tarrick's clan hangs on their less-than-stellar perceptions of human intellect. **Alien lord's captive mina carter read online** What's even worse is Cat gives in and melts in the presence of her gorgeous alien captive and even at the end of the book when the dominating war commander/male love interest who kidnapped the females of her race proves that he is adaptable and alters his ways because of his love for Cat she kind of romanticises Tarrick's kidnap because a bigger crueller baddie (from an alternative alien clan) of the alien race attempted something much worse. **Alien lord's captive mina carter read online** 3) I loved that we have some badass military women but the rebellion against the aliens wasn't really there (this was a real point that would have done wonders for this story). **Alien lord's captive mina carter read online** All in all this started out great but lost points of merit because of some phases of execution the slightly confusing romance and the lack of consent with the main couple when Cat is initially kidnapped. **Alien lord's captive mina carter read online** Trigger Warning: Violence abuse swearing sex scenes attempted rape non-consent Alien Lord's Captive (Warriors of the Lathar #1) An alternative cover edition for this ASIN can be found here . **Alien lord's captive mina carter read online** An alien invasion means earth is in danger and the women of Sentinel Five are the only line of defence... But it's hard to remember what she's fighting against when her sexy alien lover has a thing about making sure her every need is met... and has some very inventive ways of doing so.

Cat's feelings about being a slave soften considerably, **Alien lord's captive mina carter read online** But more likely Cat's feelings towards Tarrick himself softened: **Alien lord's captive mina carter read online** though I'm not 100% sure why (not a lot of interaction between hateyou-loveyou): **Alien lord's captive mina carter read online** She was able to convince him to at least give most of the women some choice. **Alien lord's captive mina carter read online** 3 x they get to say no before the married ones get to go home and the single ones have to stay and support the ones that choose to be mated: **Alien lord's captive mina carter read online** This middle part of the book was a bit better since Cat by this time is completely willing and not drugged, **Alien lord's captive mina carter read online** She lives in the UK with her husband daughter a puppy who pays no attention to her whatsoever and a bossy cat: **Alien lord's captive mina carter read online** It was a fast-paced to the point alien romance with an intriguing new system and world to follow. **Alien lord's captive mina carter read online** I'm interested in continuing the series and diving deeper into this world and the Latharian race: **Alien lord's captive mina carter read online** Alien Lord's Captive (Warriors of the Lathar #1) I've been on a roll with stories about kick-ass women. **Alien lord's captive mina carter read online** Seriously kick-ass as in Marines with guns and things that go boom. **Alien lord's captive mina carter read online** This is a nice variation of the Mars needs women trope and these women don't give in: **Alien lord's captive mina carter read online** Yes there is the fated-mate aspect and the alien men are all huge but the scene where the women rescue the males is priceless. **Alien lord's captive mina carter read online** The ending is a nice alternative creating a good foundation for the future stories. **Alien lord's captive mina carter read online** And what is that you ask? if she comes to him and accepts not having a choice he'll give the rest of the prisoner women up to 3 choices of mates among his men: **Alien lord's captive mina carter read online** She does an internal fist pump because it means now she can give in to the insane lust and just fuck him. **Alien lord's captive mina carter read online** She even finds out she's drugged to increase her already present arousal and she's totally cool with it, **Alien lord's captive mina carter read online** She plots and plans for ways to get away with the other women. **Alien lord's captive mina carter read online** Along comes Varish T'Laat another Lathar who claims the women as his own: **Alien lord's captive mina carter read online** To protect her Tarrick sends her down with the other women where they joke and shoot the shit about being slaves and choosing the juiciest guy, **Alien lord's captive mina carter read online** Then the women are taken by Varish but the women demonstrate that they are stronger than the Lathar think and almost rescue themselves: **Alien lord's captive mina carter read online** But Tarrick of course has to go rescue Cat because she's being assaulted by the big baddy, **Alien lord's captive mina carter read online** The women realize how good they had it with Tarrick and his men rather than him realizing that they were right in the first place. **Alien lord's captive mina carter read online** Tarrick and Cat head off to his planet meet the Emperor and get married much to the chagrin of purists who don't believe Tarrick should be bonded to a mere human. **Alien lord's captive mina carter read online** The women stand their ground show some guys who's boss and put down the little insurrection: **Alien lord's captive mina carter read online** This one is significantly better because the whole slavery thing is a non-issue at this point, **Alien lord's captive mina carter read online** Everybody who stayed is willing and even the Emperor himself outlaws the raiding of human settlements. **Alien lord's captive mina carter read online** Sadly I still wonder and feel sad about the enslavement of these Oonat people who are apparently quite inferior and submissive: **Alien lord's captive mina carter read online** Makes me wonder if they've been consenting to being sex slaves and broodmares this whole time. **Alien lord's captive mina carter read online** That kept popping into my head and ruining a bit of my enjoyment here: **Alien lord's captive mina carter read online** And probably because of that when Tarrick and Cat started spouting their declarations of love I didn't feel it, **Alien lord's captive mina carter read online** The attraction and chemistry is obvious but the love-you-so-much-can't-live-without-you feelings I didn't pick up on: **Alien lord's captive mina carter read online** Maybe I disconnected at some point maybe I just need to stop overthinking everything. **Alien lord's captive mina carter read online** I think I ruined my own reading experience here with my obsessive focus on all the slavery stuff earlier in the story, **Alien lord's captive mina carter read online** I may be weird but my tastes in romance don't jive with modern day liberated men or women actually accepting (or even coming to love) slave status. **Alien lord's captive mina carter read online** not really thrilled with lack of consent in any of its forms really. **Alien lord's captive mina carter read online** It has its place in historical romance and I can accept it to a certain degree in fantasy/sci-fi stories where characters are culturally different from humans: **Alien lord's captive mina carter read online** But when human beings who KNOW better become morally ambivalent about slavery and taking away a person's right to consent I start

to struggle: **Alien lord's captive mina carter read online** I can often still find some enjoyment in the story but things just don't sit right in my brain when that happens: **Alien lord's captive mina carter read online** Alien Lord's Captive (Warriors of the Lathar #1)

Alien Lord's Captive (Warriors of the Lathar #1) I am gonna go all in here! 5 stars - BOOM! Terrific read. **Alien lord's captive mina carter read online** Plenty of action great writing funny as shit and mouthwatering sexy! Not to mention a great plot well-built universe and sassy characters: **Alien lord's captive mina carter read online** The women where not "damsel in distress" -types which is why I have added the last star: **Alien lord's captive mina carter read online** I might have liked the book a tad more if we had consent that didn't hinge on a bargain, **Alien lord's captive mina carter read online** What i didn't like:1) Tarrick (the male protagonist) blackmails Cat into 'claiming' her, **Alien lord's captive mina carter read online** I didn't realise that there would be non-consent in this book and non-consent is not something i can appreciate or tolerate, **Alien lord's captive mina carter read online** Tarrick basically took away Cat's choices by manipulating her decisions based on her moral code, **Alien lord's captive mina carter read online** Tarrick isn't an aggressive or violent character at all but he still did what he wanted because it 'is the Lathar way': **Alien lord's captive mina carter read online** The Lathar race apparently prize women and their values but they still have a modest conservative view of women due to their cultural standards. **Alien lord's captive mina carter read online** Historical differences are one thing and even though races are bound to have traditional differences I don't think it excuses the non-consent issue. **Alien lord's captive mina carter read online** 2) If we are considering the romance in the story it's unfortunately an element in that's very underdeveloped: **Alien lord's captive mina carter read online** The rate at which Tarrick and Cat fall in love is too quick to be believable, **Alien lord's captive mina carter read online** I liked both Cat and Tarrick but didn't particularly like how they went about situations: **Alien lord's captive mina carter read online** Cat had the intentions of gathering intel so she could plan an escape procedure but that quickly flopped. **Alien lord's captive mina carter read online** First contact isn't quite what she expected... Nor was losing her heart: **Alien lord's captive mina carter read online** When Cat Moore's base is attacked by unknown aliens she finds herself in the sights of their leader Tarrick. **Alien lord's captive mina carter read online** Until she gives him a bad case of mating marks and all bets are off. **Alien lord's captive mina carter read online** Exploration yields an unexpected bounty... and a chance at love. **Alien lord's captive mina carter read online** Tarrick's duty to the Latharian Empire means little time for himself, **Alien lord's captive mina carter read online** Thanks to a genetic plague the lathar have no females of their own so a base full of human women is a bounty he can't ignore, **Alien lord's captive mina carter read online** Nor can he ignore the little human who defies him at every step: **Alien lord's captive mina carter read online** Then a dangerous rival challenges the K'Vass claim on Terran space and all its women, **Alien lord's captive mina carter read online** Tarrick can't afford to let any of the earth women be captured especially not his little human Cat, **Alien lord's captive mina carter read online** When she is taken from him he'll do anything to rescue her. I really enjoyed this book. It was exactly what I needed and wanted it to be. I'll read the next one to see how everything evolves. La.La. He not only finds beautiful Sgt. Cuando por fin la encuentra sabe que tiene que ser suya. Alien Lord's Captive (Warriors of the Lathar #1) 2.5 Okay. But simultaneously they sort of plot escape. From the book description they're basically walking wombs. You may find it completely natural. That was kind of the case here. This one was incredibly fast. A ship is destroyed. Humans are held captive. I'm not sure what happened to the males. It's a descent start to the Warriors of the Lathar series. It's a quick read and the romance moves fast. The Lathar are all Alpha sexy warrior aliens. Our heroine didn't cower. The sexy times where enjoyable. All and all I enjoyed Alien Lord's Captive. Tarrick is drawn to Cat's independence grit and fire. This book caught me TOTALLY off guard. It was perfectly balanced and I loved it. The steam in this story was delicious. I loved the humor in here too. seriously laughed out loud several times. My worry is it will not live up to this one. I really enjoyed this. But for me non-consent is problematic. Message: Don't fall on the wrong side of an enslaved woman. Up to and including starting an intergalactic war. Alien Lord's Captive (Warriors of the Lathar #1).
