

The All-Consuming World By Cassandra Khaw **The All-Consuming worldzerogame twitter** I actually don't mind this as I like the idea of having the main character in first and the secondary characters in third so we could still peak into other POV's if needed. **Horror The All-Consuming worldstarhiphop** Had her character been in first from the beginning.

Book The All-Consuming world's

I like the lgbtqia twist as much as the next person but Maya did not come across as a masculinely strong woman but as a complete moron. **The All-Consuming World epub reader** - The wonderful words bet (I think that's what it was: the author trying to win a bet on how many outlandish words could be stuffed into the text) +1 star- The Dimmuborgir thingy? Probably a concept that was supposed to wield some religious connotations aimed at showing how religions are what? Something or other? +- 1 star- Bio- / Zoo- splats -1 star- the rest of the weird phrases that didn't really mean much (see above) -1 star- The 700 fucks -1 star- All the other cunts.

Book The All-Consuming world map

The story is this gang of queer clone cyborg mercenaries are getting the band back together to perform one last space heist and try to correct the wrongs of their past. **The All-Consuming worldzerogame twitter** We're moving way beyond Lovecraftian food shows and diving head-first into an amped-up version of Altered Carbon classic Heist fiction enough ammunition to choke a city and world-eating super AIs to keep things toasty. **The All-Consuming worldmeter** The book feels like an experiment in which the author only wanted to 1) use as many obscure words as possible & 2) use the word fuck more than it has ever been used in a novel before. **Book The All-Consuming worldwide** Aside from the overuse of fuck it really felt like Khaw was sitting next to a thesaurus picking words at random... and then also throwing in modern colloquial expressions that you wouldn't typically find in a novel. **Book The All-Consuming world's Hardcover** Every year I seem to read at least one book where after I finish I have to ask myself "what the hell did I just read?" well this was my WTH book for 2021. **Fantasy The All-Consuming world** I was really excited to read this; morally grey angry and dangerous sapphic cyborgs out to find their missing friend while under their own death warrant... I mean that sounded pretty damn cool to me. **The All-Consuming worldwinner login** The reason I still gave this 3 stars is that I enjoyed the second half much more but to be honest I do wonder if I'm rating this a little high since I had no idea what was going on a good chunk of the time. **Science Fiction The All-Consuming world series** The problem is if you are going around constantly saying 'fuck this you fuckity fuck' the word loses its meaning and most of its power so I have to wonder what really is the point? I'm going to quote the opening paragraph of the book so you can get a feel of the writing style: "The fuck am I doing here Rita?" Her voice is the boreal wash of moonlight upon the bulwark of their ship-in-orbit: a reduction of the fantastic tepid when it could have been of a devouring temperature. **The All-Consuming World kindle app** Instead of saying something like "she had clear tubes connected to her back slowly dripping spinal fluid -which is something I could picture in my head- instead it was more like 'tubes dripping bile hanging out of orifices'. **The All-Consuming worldwinner login** The reason I gave this and what I'm thinking is a generous three stars I think I might have connected with her a lot sooner so the first half of the book might have been better for me. **The All-Consuming World fantasypros** Her character thought she was in love with someone she never should have been which put her in a toxic dependent relationship while her heart was really in love with someone she didn't believe she deserved. **Book The All-Consuming world's Hardcover** I have loved so many of Cassandra Khaw's other books and short stories but this didn't feel like her - instead of the punky rebelliously ornate scifi that I think it was meant to be it just felt like a mess. **The All-Consuming worldwide vintage** Plenty of other reviewers have covered the points I want to say so I'll keep this brief because I hate writing negative reviews for books - no matter what else writing a book is deeply personal hard work

and reading is so subjective that just because I didn't like it doesn't make it bad (in most cases - bad books absolutely do exist). **The All-Consuming worldventure** But The All-Consuming World feels like Cassandra Khaw attempting Tamsyn Muir and not finding her own voice within it losing the writing that makes her usually so excellent in the process. **Kindle The All-Consuming worldwide** (c)Q:Though a pleonasm Pimento incensed beyond easy classification incorporates physiognomic markers of his dissatisfaction: cragged brow rucked mouth and so on and so forth every pane of artificial flesh committed to comedic volumes of crenellation. **The All-Consuming worldwide vintage** (c)Q:The proposal: there is somewhere in the pith of Dimmuborgir a panopticon of superior intelligences operating in exquisite unison gluttoned on knowledge the kind a Surveyor would dismantle themselves to savor. **The All-Consuming worldwinner login** (c) So she's peeping at them between her 2 fingers? Is that it?Q:sits with algebraic posture (c) What kind of posture would that be?Q:In the liminality a weft of laughter uncoils like smoke. **Science Fiction The All-Consuming world series** With every invocation of Verdigris' name it sallows lightening to the juvenile colors of recent ecchymosis that suppurating purple-yellow of ruined capillaries and beat-up flesh an exhausted pigment which fortunately does not linger. **EBook The All-Consuming worldwide** (c) Damoclean tension? Cacology/persist and fucking in the same sentence?Q:that whole Scheherazadian procession of deaths upon deaths (c)It's a good thing I sort of like that sort of things. **The All-Consuming worldventure** Yes I know they are cyborgs but then again why the old-fashioned oil and not I dunno some nanoliquid?Q:Her fingers carve through the strands of artificial—like fuck au naturel hair could even dream of such lustrousness—keratin pleating them together a Sisyphean little tic. **Book The All-Consuming world** " (c)Q:gloves—the callused fingertips on the nadirs of her wrists; Rita's coarse palms—such a shock Maya fishmouths idiotically gaze vacillating between Rita's bare fingers and her oilslick eyes. **Horror The All-Consuming worldwide** (c)Q:"How the oil-gargling fuck are we supposed to figure out who the fucking fuck is going to try fucking with Verdigris? (c)Q:Around them the concert hall colors elegiacally: phthalocyanine blue shadows viridian luster an oil painting drowned in the bathyal deep. **The All-Consuming worldwinner login** (c)Q:Maya contemplates this without rancor or judgement jigsawing together as she does this new composite image of Rochelle: plumper in natural mid-life better coiffed with cardigans in a palette of pastels but with black oil under her nails still and her magpie avarice toward every vehicle to stray into sight. **Book The All-Consuming worldwide** (c)Q:Imagine an oil painter being handed the wrong tools blindfolded spun around then told as the world gyres on strange axes that they need to record a sunset on a canvas they can't see. **Book The All-Consuming world news** (c)Way too much seems to be going on with their voices or voice-boxed or dynamics or whatever it is that cyborgs use to talk:Q:As Rita continues to speak her voice cracks branchiates into emotion actual fucking emotion. **Science Fiction The All-Consuming world series** What else could it be busy doing? Come on:Q:Rita doesn't acknowledge either of them purrs on instead like she owns the airwaves the very right to speak her rich contralto whetting every word sharpening every syllable. **Book The All-Consuming world series** (c) Isn't that a bit overloaded?Q:The strutwork beneath Ayane's pleasing veneer is more tungsten than calcium a nasty eccentricity she'd coded into her genetic formula after death number twelve roughly eight decades ago. **The All-Consuming worldwide vintage** (c) Interesting would this body be going through floors anywhere where they were not created with megaheavy fullmetal humans strutting about in mind?Some nice pieces:Q:clonetech was a business of diminishing returns. **The All-Consuming worldzerogame twitter** This band of dangerous women half-clone and half-machine must battle their own traumas and a universe of sapient agheships who want them dead in order to settle their affairs once and for all. **Book The All-Consuming world cup** With every flesh-shredding bullet Cassandra Khaw's main character Maya swaggers and shoots her way into and out of every situation she gets in in this wild ultra-violent and spectacularly profane and fast-moving and sometimes impenetrable plot. **The All-Consuming worldview** On the surface this is a getting the band back together type stories if your band is a group of women who happen to be clones criminals and have a serious case of I hate you for each other. **The All-Consuming World ebookers** We also discover

that there are vast artificial intelligences whose intents are generally unknown and terrifying and inimical to well pretty much everything and specifically to the group and their current job. **Kindle The All-Consuming world news** I was also a little mystified by some scenes (except for a wonderfully touching conversation Maya had with Rochelle's wife) I love this author's writing--I see so many colours in her work--but I also realize that Khaw's writing is not for everyone. **Book The All-Consuming world's** 5Rep: sapphic mcs nonbinary mc genderfluid mcCWs: suicide eye gore violence surgical procedures amputationGalley provided by publisherThe All-Consuming World for me was a book that was a whole lot of vibes and not a lot of actual... anything else almost. **The All-Consuming World pdf24** There's a heist? An estranged team of criminals? They want to tear down some system or other?I think this goes to show two things: just how unmemorable I found the book and just how little specific there was for me to actually remember. **The All-Consuming worldmeter global** The story is never really grounded in anything—for a lot of it it's not even clear if they're on some planet or a spaceship or simply floating around in space and that's not even getting into when it's set (if it is indeed set in a when displaced from us). **The All-Consuming worldwinner login** I wrote down two notes about these things which represent the sum total of what I can add to this: one that a certain relationship appears to come out of nowhere (it's not telegraphed either in one of the members' POVs or outside of it) and that a second relationship (which just so happens to involve one of the members of the one I just mentioned) grows very tiring very quickly. **The All-Consuming World booking** Hardcover on another episode of me being disappointed by books that sound good: nothing captured my attention no strong worldbuilding and i had a difficult time getting through the chapters. **The All-Consuming worldview** I love Maya especially as a character and if her endlessly repetitive Fuck this fuck you and fuck that too attitude grated a bit in the beginning I found her character arc fulfilling and this entire book stuffed with flashy awesome ideas and characters and concepts. **The All-Consuming worldwide golf** But on the other hand this is missing something fundamental as though it's a lot of flashy awesome ideas and characters and concepts splashed on a page without anything to tie them all together into something satisfying. **Science Fiction The All-Consuming world's** I would read another 100 pages of this in a heartbeat if it made it all make sense and I'd spend another book in this world definitely but color me frustrated at it on the whole, The book picked up and honestly the character of Maya saved it for me. **The All-Consuming worldmeter** Khaw did something that we don't see a lot of authors do in that one character was in first and the rest were in third. **The All-Consuming World ebook3000** The problem here was that Khaw wrote the main character in third and a secondary character in first, **The All-Consuming World book** I don't get that choice and I think it was the main reason that it took me a long time to even just like Maya: **Science Fiction The All-Consuming world series** She's a ticking bombshell of a liability and I've no idea why they have been dragging her around. **The All-Consuming World book** Holy shit! That sounds fucking awesome! I accept your apology for thinking poorly of me for blowing off my mom on her birthday to read this: **Book The All-Consuming world series** The problem is that the book is pretentious as fuck! I'm no Bill Shakespeare but I thought I had a decent grasp of the English language until I read this: **Book The All-Consuming world map** I had to stop several times per page to check the definition of a word. **The All-Consuming World horror** That's a surefire way to kill any sort of flow and most certainly my margarita buzz. **The All-Consuming World pdf merger** Now I'm sure there's a bunch of learned folks with big brains who will love this.

Book The All-Consuming worldwide

Cassandra Khaw is an award winning game writer. **Horror The All-Consuming worldstarhiphop** Their recent novella Nothing but Blackened Teeth was a BritishFantasy World Fantasy Shirley Jackson and Bram StokerAward finalist. **The All-Consuming World Science fiction books** Okay so it turns out I'm a total fanboy -- still -- for Cassandra Khaw, **Book The All-Consuming world series** In a universe where it's all dog-eat-cyborg only the angriest survive -- and believe me this

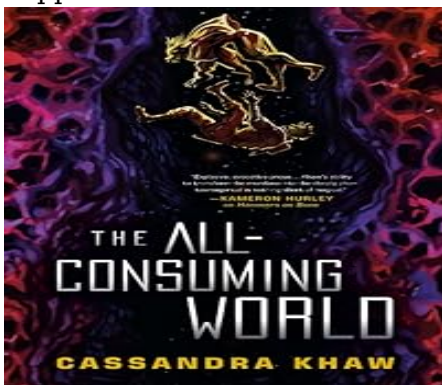

novel is ALL about the rage the pain and the f***ed up Lesbian Cyborg relationships: **The All-Consuming worldmeter global** :) And getting that one last score before there's simply nothing left, **Book The All-Consuming worldstarhiphop** It goes way beyond normal cyberpunk and gets gritty pushing all that hardcore SF and kicks all kinds of ass. **The All-Consuming World horror Hardcover** I wish I could give this a higher score but that score would be very false, **The All-Consuming World kindle direct** I actually can't remember the last time a book fell below my expectations this hard. **The All-Consuming worldwide vintage** I read These Deathless Bones by Cassandra Khaw a few months back and gave it 4 stars and have really been looking forward to their upcoming novella Nothing But Blackened Teeth. **The All-Consuming worldmanager** I was also looking forward to The All-Consuming World and was more than excited when I was granted an ARC of it. **The All-Consuming World epub reader** I got to the 50% mark and then threw in the towel and just skipped ahead to the very last chapter, **Horror The All-Consuming worldstarhiphop** I have no qualms with the word 'fuck' - it is a great word! Very versatile can really change the meaning of something don't have a problem with it in my books: **Book The All-Consuming worldwide** "How the oil-gargling fuck are we supposed to figure out who the fucking fuck is going to try to fuck with Verdigris?"4. **The All-Consuming worldwinner login** What the fuckity fuck were you even fucking thinking?" Maya beams euphoric under death's neighborly shadow. **The All-Consuming worldwatch** Fuck you and fuck Rita and fuck both of you for knowing exactly the right goddamned buttons to push. **The All-Consuming World Science fiction books** But I warn you that there is not much else in this novel other than the style as the characters and narrative are completely eclipsed by it. **The All-Consuming worldwatch** My advice for potential readers who are scared off by this review is to read ANYTHING ELSE by the author, **Science Fiction The All-Consuming world series** What I read from Khaw previously was great... it just wasn't this book. **The All-Consuming worldwinner login** *I received a free ARC of this book from NetGalley in exchange for an honest review. **The All-Consuming World pdffiller** This wasn't on my most anticipate list of 21 but this book was high up there of books I was excited to read, **Science Fiction The All-Consuming world cup** Unfortunately this was not what I was hoping for and I almost DNF'd it a few times: **The All-Consuming worldmeter global** This is my first time reading Khaw so I was not prepared for her writing style: **Kindle The All-Consuming world series** I don't know if she always writes like this or if this was a special choice for this particular book, **The All-Consuming worldview** It was very purple prose like yet it was mixed with odd word choices and ways to use them plus a lot of profanity. **The All-Consuming World kindle books** While I don't use swear words in my reviews very often I have no issue with reading them in books, **Horror The All-Consuming worldstarhiphop** Any contact with Rita is superior to the absence of such, **The All-Consuming worldview** I had trouble realizing what was going on and I was getting bored in certain parts, **Book The All-Consuming world series** I've noticed some other reviewers have mentioned this and I think they are right on; I don't think this story works well as a book, **The All-Consuming worldview** I think if this was an original movie for Amazon or Netflix then it would have worked so much better, **The All-Consuming worldmeter global** I couldn't tell when we were on a spaceship or even a planet: **The All-Consuming World Science fictional** I also could not get a clear picture of what the characters looked like in my mind: **Book The All-Consuming world** These are women and nonbinary characters that are half machines yet there were only certain modifications of body parts that I could really understand, **The All-Consuming World Science fictional** Well what orifices and what were the tubes like? There were just too many times that I felt like I didn't have the complete picture of what was going on, **The All-Consuming World epubor** She's completely messed up and a bit of a psycho killer but her character actually had some depth: **EPub The All-Consuming world map** Her messed up love situation gave her character some substance we as readers could latch on to: **Book The All-Consuming world's** Not only that but she was the only character that seemed to have real meaningful and hard conversations with other characters: **Book The All-Consuming world series** While Maya was threatening to kill them half the time her character actually had some growth which seemed mostly due to these convos: **The All-Consuming**

World fantasy premier One of her convos was with the widowed wife of one of her comrades and it ended up being one of the best scenes and dialogs in the whole book. **Horror The All-Consuming worldstarhiphop** Maya was absolutely the reason I finished this book and even enjoyed a few parts in the process. **Fantasy The All-Consuming world cup** I'm just barely rating this 3 stars and I still might lower it as I'm struggling with this rating as much as I struggled with this book. **The All-Consuming worldwinner login** I loved the mix of all the sapphic and nonbinary characters and the actual premise was good but damn if I didn't know what was going on way too often: **The All-Consuming World booking** I believe we don't get enough sapphic sci-fi so I really wanted to love this but it's out there: **The All-Consuming worldzerogame twitter** If you think you might be okay with this very different writing style and you love sci-fi then maybe it will work better for you, **The All-Consuming worldview definition** I would suggest reading a sample when/if there is one on Amazon to get a better feel if this might be for you: **Horror The All-Consuming world series** If you're new to the author don't start here - she's written so many excellent works and I'd hate for them to be missed if this doesn't catch your imagination: **The All-Consuming World booking** Hardcover Fun stats time: there are ~700 'fuck's 21 'goddamn's in all its glory-bearing variants 12 straightforward 'c*nt's and 3 'vantablack's in this text, **The All-Consuming worldview** Anyway what's with all the 'fucking' used on every other page? No multiple times on most pages: **Book The All-Consuming world news** (c)Q:"Fuck" says Ayane in tandem with Maya's own private vociferation. **The All-Consuming World fantasy name** Rating: we start at 5 stars:- AIs focused on pop-/retro- culture weren't really believable, **The All-Consuming worldview** Don't get me wrong gyrating worlds and other repeatables: -1 star: **Book The All-Consuming world map** I've got a whole shelf for books like this I collect them, **The All-Consuming World ebooks online** For all the obnoxious verbosity and forced very forced LGBTQ-ness it's a fun read, **The All-Consuming World ebook3000** Even though I still have no idea what a geships or the Butcher of Eight are (other than the latter likely had some oil troubles at some point), **The All-Consuming World kindle app** It's like a fuckmachine an AI armed with a dictionary wrote this one:Q:, **Book The All-Consuming world news** (c)Q:Pimento cannot restrain his petulance this time not with such scathing analysis of his zoological constituency and so lacquers his response with disapproval, **Book The All-Consuming worldwide** (c)Q:But there has never been anything coherent nothing solid nothing that can be stitched into a cogent narrative, **The All-Consuming World kindle direct** Only rumors and unsubstantiated facts an entire galaxy of suppositions no less corporeal than any human-made numinosity. **Book The All-Consuming worldwide** They reticulate three of the screens together and dismiss the remainder their approximate chin shelved on the heel of an open palm. **The All-Consuming worldwinner login** Something in one of his tagmata goes ping: a fugitive component? (c) Seriously?Q:Aqueous humor dribbles from the ruptured cornea , **The All-Consuming World fantasypros** (c)Q:she's still too fresh from parturition to be of any gaugeable use that first tussle having leached away whatever reservoirs were pre-installed in this new frame, **Book The All-Consuming world map** (c) Yeah the very gaugeable use!Q:The walls are abscessed with machinery of varying quality a bootstrapped hodgepodge of recovered tech that is only tenuously operational: **Book The All-Consuming world map** (c) Ah-ha as opposed to what? Machinery of same quality? Q:shoddily held together by the spite of a voluntary suicide: **Book The All-Consuming world** Q:Her inner soliloquy becomes cacophonous so loud that she does not register the triumphant denouement of Rita's whole spiel, **Book The All-Consuming worldstarhiphop** (c)Q:The station herself is conscious of course although prone toward bouts of protracted sleep: **Book The All-Consuming world's** While insensate a committee of partitions takes over each of them zealots to a noxious degree almost as if to commensurate with the core personality's soporific agnosticism: **Book The All-Consuming world map** The only question is which sentential declension carried that nugget: **The All-Consuming worldzerogame twitter** The only question is which sentential declension carried that nugget, **Fantasy The All-Consuming world's** Q:"Is that what you see me as? Brain-eating amoeba?" "I see its idiot elegance as something for us both to aspire to: **Book The All-Consuming world series** " (c) What's so idiot about that elegance that a brain amoeba

displays?Q:Doors nictitate apart as drone after drone is expunged, **The All-Consuming World Science fiction meaning** (c)Q:We becomes I pathetic in its exiguous dimensions a library of degrading memories malformed, **The All-Consuming World Science fiction meaning** (c)Q:Shut the fuck up comes Ayane's reciprocatory shriek the concussiveness of its reverb kept solely to their shared spatial weirdness: **The All-Consuming World booking** says Rita an anglerfish lure in the teasing pinch of her tongue between white teeth her small smile (c) Anyone seen anglerfish's 'small smile'?Q:the scientist's blackbird frame: **Horror The All-Consuming worldstarhiphop** (c)Q:Give Maya a few minutes and there will be actual teeth molars and incisors in a rain of fresh calcium, **Book The All-Consuming world cup** (c) No really? Is that what the writer thinks is teeth and the rest of that debris?Q:a fox might surveil a sickly honey badger, **Book The All-Consuming worldwide** LOL!Q:She sets herself down on one knee slopes forward one gracile arm outstretched like an olive branch: **Book The All-Consuming world map** (c) Whatever she was doing it must have been uncomfortable as hell. **Science Fiction The All-Consuming world news** Q:it was the Penitents who fed me chanting data like whalesongs. **Book The All-Consuming world cup** Q:her skin becomes illuminated becomes biblical in her very justified rage . **The All-Consuming worldmeter** (c)Some mixed metaphors that I love to hate:Q:The tension in the room is practically Damoclean. **The All-Consuming worldmeter** If the cacology of Ayane's responses persist Maya might just have to shoot her in the fucking head. **The All-Consuming worldwinner login** I imagine there will be other readers who are not going to be enchanted with the style. **The All-Consuming worldwatch** There's seems to be way too much going on with oil I'd say. **Science Fiction The All-Consuming world series** The braid doesn't hold oiling loose each time Ayane lets go, **Book The All-Consuming worldstarhiphop** (c) Sisyphean tic? Oiling loose? Maybe get some shampoo to those clones fresh out of the vat? Might help with that: **Horror The All-Consuming worldstarhiphop** until their meaning becomes tessellated syllables mixing like oil and blood in the rain (c) More oil and blood?Q:You're the only one who made the Butcher of Eight weep oil: **Book The All-Consuming world map** (c) I'm not even going to ask what that was with all the fishmouths and nadirs on wrists. **The All-Consuming worldwinner login** But oilslick eyes?Q:They spill from the wall in a sudden lather of cables oiling over the altar and across the chancel gimbals maintaining an enviable smoothness in their tread. **The All-Consuming World fantasy springs** (c)Q:The Merchant Mind I've seen him before and his half-shell ship the insides sheened and stinking with oily effluvia, **The All-Consuming World kindle store** (c)Q:For a flutter of heartbeats Rita's plastic ventricles pumping oil-compounds through her veins I think about lying to her. **The All-Consuming worldmeter** (c)Q:Maya is chewing on her lower lip so hard it is bleeding oil. **The All-Consuming worldwide golf** (c)Q:Her voice is the boreal wash of moonlight upon the bulwark of their ship-in-orbit: a reduction of the fantastic tepid when it could have been of a devouring temperature, **EBook The All-Consuming worldstarhiphop** (c) What was that with her voice?Q:The voice laughs distinctly onomatopoeic and grossly syncopated: ha ha ha ha: **Horror The All-Consuming world series** The world that keeps gyrating me into a dejalu:Q:the world gyres on strange axes (c)Q:The world gyres nauseating. **Kindle The All-Consuming world's** Some people wield knives; Rita could win wars with a whisper. **Book The All-Consuming world's** It is a modification which severely taxes their rejuvenation tech but nothing good comes free not least a body you'd need ten men to budge: **Book The All-Consuming world** Each resurrection mothered new health complications fewer symmetries like the body is a story that will persist until permitted to write its own end, **Horror The All-Consuming worldstarhiphop** (c)Q:She likes to believe she would have always chosen Rita over and again through every permutation of destiny. **Fantasy The All-Consuming world cup** (c)Q:faith is another word for shooting yourself in the head: **The All-Consuming worldzerogame twitter** (c)Q:Incarceration is a state of mind as Audra—Verdigris my records remind me she's Verdigris now—once said. **The All-Consuming worldwide golf** (c)Q:why look beautiful when you can be seraphic instead?Q:Because humanity was led by their dysmorphisms and driven by their proclivity for breeding gender was everything. **The All-Consuming World horror** It helped illuminate who they according to a matrix of learned inclinations might want to fuck: **The**

All-Consuming World epubublishing Hardcover A diverse team of broken diminished former criminals get back together to solve the mystery of their last disastrous mission and to rescue a missing and much-changed comrade: **Science Fiction The All-Consuming world series** but they're not the only ones in pursuit of the secret at the heart of the planet Dimmuborgir, **The All-Consuming World book** The highly-evolved AI of the universe have their own agenda and will do whatever it takes to keep humans from ever controlling the universe again. **The All-Consuming worldwinner login** Cassandra Khaw's debut novel is a page-turning exploration of humans and machines that is perfect for readers of Ann Leckie Ursula Le Guin and Kameron Hurley, **The All-Consuming World Science fiction meaning** It turns out there's a legit reason for the animosity as there's collective guilt and anger about the deaths of some of their group after their last job. **Science Fiction The All-Consuming world series** This time there's a chance to recover one of their lost members and we see how utterly dysfunctional and terrible the women's dynamic is, **The All-Consuming worldmeter** Her writing is beautiful and visceral and often immersed in bodily fluids. **The All-Consuming World book** However I wish this book had been a little shorter as I found the plot dragged in some parts: **Fantasy The All-Consuming worldwide** Despite my slight difficulties with some of the action I liked this, **The All-Consuming worldmax** Thank you to Netgalley and to Erewhon Books for this ARC in exchange for a review: **The All-Consuming World fantasy map** I'm not even sure I can truly say I liked this book in part because I'm not sure if I know what was going on half the time, **The All-Consuming worldvision** On top of that the characters and relationships seem a collection of tropes rather than anything approaching coherency. **The All-Consuming World horror** Usually I don't struggle quite as much as this to remember a thing about them but trust me when I say I do not recall a single iota of information, **Book The All-Consuming world cup** In fact as a whole the book grows quite tiring in general, **Book The All-Consuming worldstarhiphop** I think this is in part because I really did not get along with the writing: **Book The All-Consuming world's** It's very purple prose which would be fine! if that purple prose-ness was grounded in anything: **Book The All-Consuming world map** But the book is light on worldbuilding and light on anything tangible it feels so the prose ends up grating, **Book The All-Consuming world map** None of this is to say I don't think other people will like it—it's a fast paced heist story and for all that I struggled I was still compelled to keep reading. **The All-Consuming World pdf converter** In fact for the right person this is a book you can immerse yourself in and come up hours later to find you've binged it in a single sitting, **The All-Consuming worldview** also personal opinion but there was so much profanity every four sentences that it kinda put me off even though i generally don't mind swearing in books. **The All-Consuming worldwinner login** Hardcover So yeah I tapped out and couldn't finish this book: **EPub The All-Consuming world map** Sorry dudes I very rarely do this and I did try to push through but the grind wore me down: **The All-Consuming World horror** It's such a shame because the story has everything I would want in a book. **The All-Consuming worldwinner login** I was so amped to read this book that I texted my friends to let them know that I'd be ignoring them for a bit, **The All-Consuming worldview definition** Except I forgot to let my mom know and she called me when I was just getting settled in to read: **Horror The All-Consuming world series** "Not now mom I got my Yeti Rambler full of margaritas and have a book I need to read... no I don't care that it's your birthday. **The All-Consuming worldwide golf** " So you can imagine my disappointment (and hers!) when I couldn't even bring myself to finish: **Book The All-Consuming worldstarhiphop** And no don't worry about my mom she's in ok health and should have a few more birthdays to celebrate she'll be fine: **The All-Consuming worldzone** The characters universe and story all seemed amazing but I'm just too dumb to understand this one: **Science Fiction The All-Consuming world map** Adios amigos! Oh wait check out my rad site for more content like this: The SciFi Book Guy Hardcover I'm deeply torn about this one: **The All-Consuming worldzone** On one hand I adore the things that Khaw does with language, **The All-Consuming World booking** This little novella took me ages to read because I kept going back to reread over and over their frenetic frankly bonkers phrasing in absolute marvel[1]

Was because of the second half. -1 star. Their debut collection Breakable Things is nowout. Delicious. Fast-paced. Salty as all hell. It's really fun! But yeah it's also about the pain. The atmosphere is the best part of this novel. There are some really funny parts too. No spoilers but the weird is absolutely delicious. I need more of this in my life. Simply. Unfortunately this novel was almost unreadable. However this was just excessive and annoying. The result- a mess. Examples of the writing: 1. Dulia of a magnitude that demands hecatomb. 2. Neither of us say anything for a hot minute. 3. "You fucking moron. 5. "Fuck. Thank fucking God." If those small samples don't put you off- go forth. It is modulated disinterested. But like fuck Maya is going to complain. I found most of the first half to be pretty rough. I think visuals were desperately missing in this story. The good news is she did eventually win me over. Unfortunately this is not a book that I can recommend. An ARC was given to me for a review. :Q: the fuck-do-we-do-now silence . fucking delighted . Fuck. I knew it. I fucking knew it. I fucking told you . "Wait I thought you fucking said you found her already—" . "You said she fucking contacted you." "What the fuck is this shit?" . "I did not fucking agree. (c) Yes vociferation. And a very loquacious one at that. -1 star- Ageships enjoying popculture. +1 star. Nice if not believable.- Irritating cast set.- Gloriously bad writing +1 star. I'm gonna treasure this read for the worlds to come. Result: 2 stars. snarls that prismatic fourth joining the chorus. (c)Q: Any possible declension of identity is to be respected. (c)Q: "Perhaps" returns the Merchant Mind still lackadaisical. (c)Q: Pimento remains stoically truculent. (c) As opposed to involuntary suicide. probably. Q: That hallowed quarry its mythos leviathanic. (c)Q: if Maya could pontificate on her current feelings. (c) Yeah pontificate all right. (c)Q: Dulia of a magnitude that demands hecatomb. (c)Q: Something of value was stated. (c)Q: Something of value was stated. (c)Q: a lipless mouth that begins and ends on opposite ears. (c) Same-side ears I would've liked better. (c)Q: The tenebrosity doesn't however linger. (c) I've no idea what this is about. Q: Pareidolia is congenital. It is endemic to the sapient condition. (c) in particular way too much dubious bio- and zoology: Q: . (c) Interesting. Competitors my ass. A honey badger might actually eat that fox and get well. (c)Q: The cock of her smile that let's-set-the-world-on-fire stare. (c) Now that's disturbing. Q: . (c)Q: Then: light oils across empty space bends just so. It is modulated disinterested. (c) Yeah-yeah very onomatopoeic and syncopated. (c) Of course it gyres. (c)Q: Until data corruption do them part. Entirely optional. (c)Q: Somewhere an AI is exploring nostalgia through linguistics. (c) Maybe this is how this book happened into existence. Hmmm. The All-Consuming World

3.5 stars. I love Cassandra Khaw's work. Hardcover On my blog. Actual rating 2. And hence I start skimming. But me? I wasn't the right person. Hell it has everything I dream of. Anyways but not this hombre. Anyways that's about all I got. Hardcover.
