Leaving to go to the next town over wasn't enough. without Ethan locating her. with him. “☐☐ ☐☐☐ ☐☐☐☐☐. Your story is a testament to getting back up. I’m proud of you. Its honestly raw and devastatingly real. The Sound of Silence The great things about this story.☐ Gianna's character development. ☐ Gianna's story arc. One of my highlights. If someone is being abused there is always hope. 1)The strong vibe of insta love from his side. 2) Gianna aware of some kind of magnet between them. FFS! She just got

married to another man. □ I also can't overlook the convenient coincidences. A good read overall. Instead I do the only thing I can to survive—I run. Derek I knew she had a story. I knew it most likely contained violence. But never did I imagine the horrors she'd been through. I'd waited so long and she'd experienced so much. She was perfectly imperfect her scars more than skin deep. And yet I couldn't help wanting to get closer. She was strong and there was beauty in strength. I was drawn to it—drawn to her. Some aspects may be sensitive for some readers. *** The Sound of Silence
