Mafias dirty secret book review

Emotional distancing & hope. **Ebook mafias dirty secrets** I really think this story could have been told in one book and it's only the last part of the book from Matteo's POV that will get me picking up the next book in this story. **Book mafias dirty secrets** I have still given 3 stars as I hate to be too negative but I really have to admit I was very bored with the repetitive Ruby/Marie storyline it wasn't needed for an entire book in my opinion. **Mafias dirty secret kindle free** I expecting this book to consume me with crime all around.

3. The hero was like a two dimensional cartoon character. No emotion no depth nothing except he was georgous. I could not understand if he was a duke or made man. The story was weak boring and depressive. I look forward to more in the series. I can't wait to see how this story develops. One - I found it pretty depressing. Three - it is a series so it is a cliffhanger. Marie's life is a never-ending nightmare. I was given an advanced copy of this book by the author. My review is voluntary. One while out she meets a man at the cafe'.
Forewarn: This book does end on a cliffhanger. I volunteered to review an advance reader copy of this book. I am a huge fan Of ms coopers style of writing. Well done once again Summer.
