

Rosaline palmer takes the cake book review

Controlling ass at the middle of the book so we didn't have to read his part and see more evidence show how despicable human being he is! Sweet Harry earned my triple layered chocolate brownie points from me as soon as his character is introduced and I truly resonated with his anxiety problems. **Rosaline Palmer Takes the Cake ebook** I wished to see more chapters about their growing attraction and blooming love story but yes my dreams didn't come true! Overall: less romance more personal growth story wasn't I expected from this story and I fantasized so creative ways to kill Alain which gave me opportunity to exercise my brain cells. **Rosaline Palmer Takes the cake** Reading about all the drama and the cakes was a lot of fun and I was surprised how on the edge of my seat I was over whether the bakes would come out good and who would win. **Rosaline Palmer Takes the Cake ebook pdf** Who knew patisserie could have me breaking out in a cold sweat? Others have already pointed this out but I will reiterate: this is not really a romance so much as it is contemporary. **EBook Rosaline Palmer Takes the cake recipes** There are two potential love interests but the heart of the book is more about a single mum in her late twenties trying to figure out her life and stand-up to her snobby parents. **Pdf rosaline palmer takes the cake free** Out of the two potential suitors here one is a douchebag I think most readers will see coming a mile away and even the other didn't seem to have a whole lot of chemistry or much in common with Rosaline. **Rosaline Palmer Takes the Cake booklet** Alexis Hall This is the first book (of three) from my new queer romcom series Winner Bakes All! It's set in the world of a competitive British baking show and stars a bisexual single mum and a cinnamon roll hero. **Rosaline palmer takes the cake book review** Could someone like a book so much but also get irritated of some parts and some characters (yes douchebag Alain who earned my thousand punch point I'm talking about you the manipulative gaslighting specialist!) Let me elaborate my reading experience: at first when I get an arc of this marvelous journey I thanked my lucky stars and lucky cow powers because Boyfriend Material was one of my favorite romance reads of the last year and I couldn't wait to go blind to discover new story created by Alexis Hall's extraordinary mind. **Rosaline Palmer Takes the cake** Normally I don't add sexual orientation when I talk about the character's attributes but Rosaline's sexuality takes important part at the story helping us to understand her relationship with her best friend Lauren and her toxic family relationship dynamics. **Rosaline Palmer Takes the Cake fantasy** Even from the depictions you can sense which one is her end game but unfortunately Rosaline cannot see which guy is right for her till the end of the story which truly pissed me off. **Rosaline Palmer Takes the Cake ebook** Sometimes Rosaline pushes your buttons with her insecurities trying too hard to please the people around her but she became a teen mother kept the baby learning to be responsible adult at the young age and also never giving up on her own dreams. **Fantasy rosaline palmer takes the cake lyrics** 5 stars to 4 baking show homophobia cruel parents teenage mom sweet beginnings feel good women's fiction stars! Special thanks to NetGalley and Grand Central Publishing (Forever) for sharing this digital reviewer copy with me in exchange my honest opinions. **Rosaline Palmer Takes the Cake pdf editor** It's rather unusual in romance terms as Rosaline spends a lot of the book in a relationship with the wrong love interest and we see as much of him on page as we do of the right guy. **Rosaline Palmer Takes the cakemail** I particularly liked the incredibly foul-mouthed producer who you think might be villain or deus ex machina but in fact is just doing her job (and gets to deliver the single best murder-by-words insult I have ever read at just the right time. **Fantasy rosaline palmer takes the cake lyrics** First off all Boyfriend Material was my favorite book of 2020 and I thought it was hilarious so the promise of another funny book with a bisexual female MC and a take on the Great British Baking Show. **Synopsis of rosaline palmer takes the cake** The romance aspect is very underdone and felt half-baked (*ehem*) so if you are impatiently waiting for the relationship to start cooking (okay I'll stop

now) you will be waiting a very very long time. **Rosaline palmer takes the cake kindle free** Sure there are some sweet elements that happen towards the end of the story but that's just a bare hint of a true romance and is more in line with what you'd find in a women's fiction story. **Rosaline palmer takes the caketah** The story took me on a journey because I started off not really liking it at all but once I shifted my mindset I truly got into the groove with the story and didn't want to put it down. **Rosaline palmer takes the cake epub** Suave well-educated and parent-approved Alain Pope knows all the right moves to sweep her off her feet but it's shy electrician Harry Dobson who makes Rosaline question her long-held beliefs—about herself her family and her desires. **Synopsis of rosaline palmer takes the cake** Rosaline Palmer Takes the Cake (Winner Bakes All #1) If you loved and maybe binge watched The Great British Bake Off like myself you MUST read this book!!! It gave me all the feels of the show and reminded me that I have not watched all the seasons yet - shame on me! Also the British humour and the inspiring baking puns take the cake. **Rosaline palmer takes the cake book pdf** Her judgemental personality and the way the author tackled some of the bigger issues felt at times forced almost like the author tried too hard and the story turned into a lecture and stopped feeling like a romance. **Rosaline palmer takes the cake book** You can find me on my blog and on Bookstagram Alexis Hall Instagram || Twitter || Facebook || Amazon || Pinterest This book was so good that I actually want to cry a little. **How does romeo describe rosaline in act 1** I've noticed that because of the increasing popularity of baking shows there's been an increase in the number of books about baking shows but not all of them can capture that magic of character-driven storylines and the connections between food and family--Until now. **Rosaline Palmer Takes the Cake fantasy** While on the show she ends up capturing the attention of two guys: Alain the sort of man her parents always hoped she'd meet who has a posh accent and a plush job and is at the top of his banter game; and Harry an electrician who tends to put his foot in it but is surprisingly soft and awkward for a dude who's built like a bruiser with big honking forearms. **Rosaline palmer takes the cake book review** Which is frustrating because I absolutely love books that preach equality and diversity and treating people with respect and calling out behaviour you don't like and consent and all that jazz but do we really need all of it? It felt like everything was a teaching moment. **Rosaline Palmer Takes the cakex gif** Like don't get me wrong I love an author who includes consent in their books but does it need to be two pages? Rosaline drove me a bit nuts because yes if someone is outright prejudice then you should call them on it but it seemed like every other conversation she had with someone ended in a "that's not right" tirade. **Rosaline palmer takes the caketah** I hate that I disliked this about the novel because everything she said was absolutely true but the book was just chock full of it and it became quite tedious and annoying honestly. **Rosaline Palmer Takes the cakemail** 2 Stars ☐ Amazing narration Bisexual female MCMFLow steam Lots of self-deprecation Tasty baked goods Lots of cussing Slow beginning but it really picks up You're going to want to slap one MC & hug another Lots of baking and reality show talk—perfect for fans of the Great British Bake-Off! Alexis Hall Genrequeer writer of kissing books: **Rosaline Palmer Takes the Cake ebook free** I had no idea how much I needed a novelisation of The Great British Bakeoff until I read this book but it was hard to put down. **Rosaline Palmer Takes the cakevs** In fact what I enjoyed most about this novel was the main character's growth. **Rosaline Palmer Takes the cakemail** I didn't always like Rosaline and the assumptions she made about others but I find that so few books show genuine learning and character growth: **EPub Rosaline Palmer Takes the cake mix** Rosaline came out of this book-- and the baking competition --a different person than she was when we met her which I liked a lot. **Rosaline palmer takes the caker recipe** I loved the juxtaposition of fun banter and cakes with a few more serious themes like class and snobbery, **Rosaline Palmer Takes the cakeunu** I also liked the message that in the end it doesn't matter if other people think your life has been successful as long as you do: **Rosaline Palmer Takes the cakex gif** Again don't read it if you're specifically looking for a romance though. **Rosaline palmer takes the cake book review** I am on board for Paris Daillencourt Is About to Crumble: **Rosaline palmer takes the cake book review** Basically a lot of my very favourite things in life are in this book. **Rosaline Palmer Takes the cakemail** :) Rosaline Palmer Takes the Cake

But let's focus on Rosaline's daily life problems. **Rosaline palmer takes the cake quotes** Rosaline barely makes ends meet financially struggling to provide needs of her lovely 8 years old daughter Amelie. **Rosaline Palmer Takes the Cake book pdf** Actually she's one of the ten contestants of Great British Bake Off's alternative version: Bake Expectations. **Rosaline palmer takes the cake book** She keeps this as a secret and is forced to lie each week for leaving for daughter with Lauren and her rigid parents who never approve anything she does for her life. **Rosaline palmer takes the cake epub ebook** She attends the competition and starts defeating her rivalries gaining more confidence about her baking dreams: **Rosaline Palmer Takes the Cake booking** Parent approved charming (looks can be deceiving !!!) landscape architect Alain and shy kind hearted sweet electrician Harry were the competitors: **What reference does romeo make of rosaline** I wanted to talk about my positive impressions at first: I truly enjoyed smart laugh out loud moments of the book: **Rosaline palmer takes the cake kindle free** Instead of abusive irritating manners of tv producer I enjoyed the competition parts, **Synopsis of rosaline palmer takes the cake** And I wanted you consider this book as women's fiction it's all about Rosaline's brand new journey her career choices her self growing discovery learning from her mistakes. **Rosaline Palmer Takes the Cake ebook download** So you shouldn't read this book as a romance for not getting disappointed because till the end Rosaline struggles to see what's best for her. **Fantasy rosaline palmer takes the cake lyrics** I think the most irritating part of the book was the characterization of Alain. **Rosaline Palmer Takes the cakey cat** I hate him with every fiber of my being and I wished Rosaline might have kicked his brainwashing of course Harry Lauren and Rosaline's sweetest pie daughter Amelie, **Rosaline palmer takes the caketah** Alexis Hall A thoroughly lovely story of a single mum on an alt Great British Bake-Off finding her confidence in life romance family and cake as she goes, **Rosaline palmer takes the cake quotes** I'd sort of say it's between romance and women's fiction there. **How does romeo describe rosaline in act 1** Alain is an incredibly well drawn character hideously plausible as is Rosaline's response to him which makes for somewhat uncomfortable reading because wow do men like that suck. **Rosaline Palmer Takes the Cake ebookey** Fortunately Harry is an absolute joy and I'm kind of sorry we didn't get lots more of him on page: **Kindle Rosaline Palmer Takes the cake book** The cast of characters is massive but so well handled you don't even notice and make for an absolutely delightful ensemble comedy with lovely dialogue. **Rosaline Palmer Takes the cakevs** A thoroughly engaging enjoyable story of a woman finding her confidence to be herself: **Rosaline Palmer Takes the cakex gif** 5 stars* I had very high expectations going into Rosaline Palmer Takes the Cake, **Rosaline palmer takes the cake quotes** Do yourself a favor and rearrange your expectations (this is what I had to do in order to fully appreciate the story by the way). **Rosaline Palmer Takes the Cake fantasy 5** I think that's what tripped me up and annoyed me for so long, **Rosaline Palmer Takes the Cake pdfescape** The story is all about Rosaline and her own personal journey to figuring out more about herself and her needs: **Rosaline Palmer Takes the Cake fantasy** I found her personality to be a bit bland and wishy-washy while also being too pointed at times. **Rosaline Palmer Takes the cakezz** I really enjoyed the side characters a whole lot more and I adored all of them. **Rosaline Palmer Takes the cakemail** I even enjoyed the ones I ended up hating just because they had unique personalities (some of those personalities were simply: wanker), **Rosaline Palmer Takes the Cake ebook pdf** I really liked Rosaline's ex Lauren and all of the competitors on the show (and the judges!): **Rosaline Palmer Takes the Cake ebook pdf** The only true laughs I got from the book were from the producer who is hilariously aggressively aggravated at all times, **Rosaline Palmer Takes the cakemail** Of course I loved how Rosaline was bisexual and proud and her child was also proud and

aware of that fact, **Rosaline palmer takes the caker recipe** I have a similar parenting style so it resonated with me, **Rosaline Palmer Takes the Cake kindle book** Of course I loved Harry (he's the best) and wish he didn't have to be shoved aside for so long until his kindness and worth were realized, **Rosaline palmer takes the caketah** Hard to rate for me but I think rounding up to 4-stars is the right call. **How does romeo describe rosaline in act 1** I really hope to see more funny and interesting books from him in the future. **Fantasy rosaline palmer takes the cake lyrics** *Copy provided in exchange for an honest review*goodreads|instagram|twitter Alexis Hall Following the recipe is the key to a successful bake: **Rosaline Palmer Takes the cakezz** Rosaline Palmer has always lived by those rules—well except for when she dropped out of college to raise her daughter Amelie: **Rosaline palmer takes the cake book** Now with a paycheck as useful as greaseproof paper and a house crumbling faster than biscuits in tea she's teetering on the edge of financial disaster, **Rosaline Palmer Takes the Cake pdf free** and Rosaline has just landed a spot on the nation's most beloved baking show, **Rosaline palmer takes the cake quotes** Winning the prize money would give her daughter the life she deserves—and Rosaline is determined to stick to the instructions, **Rosaline Palmer Takes the Cake fantasy** However more than collapsing trifles stand between Rosaline and sweet sweet victory: **Rosaline Palmer Takes the Cake pdf free** Rosaline fears falling for Harry is a guaranteed recipe for disaster, **Rosaline Palmer Takes the cakeulator** Yet as the competition—and the ovens—heat up Rosaline starts to realize the most delicious bakes come from the heart: **Rosaline palmer takes the cake epub** The book had some wonderful moments even great moments of gentle reflection and wonderful support. **Rosaline palmer takes the cake book pdf** And it had all the charm and wit I expect from an Alexis Hall book minus the heat, **Rosaline palmer takes the caketah** It's a slow burn "romance" more in line with Boyfriend Material than the author's earlier work. **Fantasy rosaline palmer takes the cake lyrics** And throughout the story the author made me reflect and think on the matter of gender and queer issues: **Fantasy rosaline palmer takes the cake lyrics** Rosaline turned out to be an interesting character but not necessarily one I liked all the time: **EBook Rosaline Palmer Takes the cake recipes** Rosaline had her issues and doubts and she made some obvious mistakes. **Rosaline palmer takes the cakeu you** But I also loved how outspoken and self-confident she was about certain issues. **Was romeo in love with rosaline** She was a relatable character probably because of her flaws but her habit of being critical and judgy about everyone and everything became exhausting after a while, **Rosaline Palmer Takes the Cake kindle book** Also I honestly wasn't expecting a story that revolves around a love triangle. **Book Rosaline Palmer Takes the cakewalk** This is my personal preference and I choose not to read them. **Rosaline Palmer Takes the Cake ebook pdf** Although in this case it kinda worked since the story already didn't feel like a traditional romance: **Rosaline palmer takes the caket text** And it helped that at this point I was already more interested in the baking and the friendships than anything else. **Pdf rosaline palmer takes the cake free** But besides that what the author really excels at is creating absolutely fascinating characters. **Fantasy Rosaline Palmer Takes the cake lyrics** And a highlight of this book was Rosaline's adorable daughter: **Rosaline palmer takes the cake book review** I'm a huge fan of the single parent trope and precocious kids are a weakness of mine: **What reference does romeo make of rosaline** The things that came out of her mouth made me crack up. **Rosaline Palmer Takes the Cake fantasy 5** Her and her "aunt" Lauren were my favorite characters besides Harry my lovely cinnamon roll hero: **Rosaline palmer takes the cake book pdf** As I said before Alexis Hall knows how to create some fantastic characters, **Rosaline Palmer Takes the Cake pdf converter** And I'm already looking forward to the next book in this series, **Rosaline Palmer Takes the cakey cat**

I received a copy of this book from the publisher for free in exchange for an honest review. **Ebook rosaline palmer takes the cake free** Before I get into the review I just want to say that I love watching The Great British Baking Show (or The Great British Bake-Off depending), **Rosaline palmer takes the cake lgbtq** Not only do you get to marvel at all the beautiful breads and cakes and pies but you get so involved in all of the contestants and their stories: **Fantasy Rosaline Palmer Takes the cake t shirt** When the characters are booted off the

show it sometimes ends up being a really emotional experience for me and my family who also watch the show, **Rosaline Palmer Takes the cakey cat** It's about Rosaline a bisexual single mother who has just been accepted as a GBBS-like contestant on the show Bake Expectations, **Rosaline Palmer Takes the Cake booklet** Some people didn't like the love triangle bit but I really did: **Rosaline Palmer Takes the cakezz** One of the love interests-- the less optimal one-- reminded me of one of my own exes and he said and did a lot of the things that happened to Rosaline, **Rosaline palmer takes the caketah** Bringing me down to make himself feel superior always focusing on things about me that needed to be fixed. **EPub Rosaline Palmer Takes the cake mix** It's so easy to make mistakes when it comes to who we're attracted to and sometimes we don't realize that right away, **Was romeo in love with rosaline** Part of Rosaline's journey is realizing that she's enough just the way she is and that she deserves better than to be someone's pet project, **Rosaline palmer takes the caken novel** He's one of the best beta heroes I've encountered in a while and I just love him so much, **EPub Rosaline Palmer Takes the cake recipes** I love how Hall made him a working class hero and didn't shame him for it at all and how all the usual stereotypes associated with that sort of job are totally flipped, **Kindle Rosaline Palmer Takes the cake book** There's the reality TV show element first of all which is fantastic: **Rosaline palmer takes the cake book review** Hall totally captures the banter and the set-up that makes The Great British Baking Show so good. **Rosaline Palmer Takes the cakey cat** Also Rosaline goes through so much in this book and she comes out as a stronger more confident person. **Rosaline Palmer Takes the Cake pdf editor** As someone who is also painfully insecure and a little shy I find it so empowering to see women like Rosaline learning to stand up for themselves and set up boundaries, **Rosaline palmer takes the caketah** It's a really great message to see in romance novels and so moving, **Rosaline palmer takes the cake lgbtq** I loved Alexis Hall's other book BOYFRIEND MATERIAL but I think this one is even better. **Rosaline Palmer Takes the cakezz** 5 stars Alexis Hall Who wouldn't love a baking book? Rosaline Palmer Takes the Cake is pretty entertaining thanks to Amelie and her big brain, **Rosaline palmer takes the caket text** Add that this book also had one of the most structured writings I've ever encountered, **Rosaline Palmer Takes the Cake pdf download** Unfortunately these variables aren't enough to make up for everything I failed to enjoy about it. **Rosaline Palmer Takes the cakezz** To start I do not fancy the love triangles presented in this book, **Rosaline Palmer Takes the cakemail** Although I could find myself compromising since I did come across few love triangle stories that I love this one just does not seem like it. **Rosaline palmer takes the cake quotes** Especially when the female character spends most of the book with another male lead character only to end up with the other one towards the end. **Fantasy Rosaline Palmer Takes the cake t shirt** The end game is well-deserved but I couldn't find myself feeling connected between the couple due to the few interactions from the start, **Synopsis of rosaline palmer takes the cake** But then despite the structured and organised writing I still find the prose to be dreary and wordy. **Rosaline Palmer Takes the Cake kindle app** A small scene would take up to few pages when it could have been precise and concise: **Fantasy Rosaline Palmer Takes the cake t shirt** And this is also why the book almost brought me to a reading slump, **Book rosaline palmer takes the cake review** And as much as I love the bisexual representation Rosaline appeared preachy and (honestly) politically questionable. **Rosaline Palmer Takes the cakevs** However I couldn't find myself to hit it off with her just from the thought processes. **Rosaline Palmer Takes the Cake book review** My disapprobation continues with all her time spent with Allain; who from the beginning proved to be an asshole: **Rosaline Palmer Takes the cakey cat** Like why when a whole nice Harry was there? Allain is a red flag and she is blind color meh, **Rosaline Palmer Takes the cakezz** The premise was cute but the execution was off and overall underwhelming, **Rosaline palmer takes the cake quotes** The biggest thing for me is that the entire book came off way too preachy, **Rosaline Palmer Takes the cakemail** Every conversation every interaction was SOMETHING and it got a little redundant to be honest. **Rosaline palmer takes the cake quotes** It took away from the main storyline and anytime any character said something remotely politically incorrect I would roll my eyes and think here we go again. **Rosaline palmer takes the caken novel** The premise was cute

but I really didn't like the vibe: **Rosaline Palmer Takes the cake** gif I don't know I feel guilty saying it but it was all just too much to be enjoyable, **Rosaline Palmer Takes the Cake ebook pdf** Thank you to Edelweiss for the ARC in exchange for an honest review, **Rosaline palmer takes the cake book** If you would like to get in touch the best way is via email which you can find in the contact section on my website 3

. But I still enjoyed the baking contest premise. I loved Rosaline.

It's a baking show. It should be about how well you bake. It's a TV show. It's about how well you TV. I really enjoyed Rosaline Palmer Takes the Cake. There is of course no universal measure of success. Didn't matter to me though. There is also kissing & baking & caking. And chocolate & choices & choux. Ahhhhh. Buy links/CWs here: <https://quicunquevult.com/books/winne>. I stuck in the middle of conflict feelings. But she's truly a talented baker. She also finds herself in the middle of love triangle. So she is tolerable and absolutely connectable character. Because of those reasons I'm rounding up 3. Oof it's a killer. You'll know.). Alexis Hall *3. man I was hoping for the moon. But. when I started reading this book I felt. irritated. Repeat after me: this is women's fiction not romance. That's fine just not what I was anticipating. Also Rosaline often annoyed me I'm not going to lie. Another well-written effort from the talented Alexis Hall. But where there's a whisk there's a way . . I loved those moments the most. It also made me laugh out loud multiple times. In other words she was a hot mess. I'm not a fan of them. This one caught me off guard. Truly everyone was individually different and memorable. All opinions expressed are my own. ROSALINE PALMER TAKES THE CAKE is brilliant. The other love interest-- the good one-- is just. lovely. He was the best. But don't get me wrong. This is just a really good story romance squee aside. He just seems to get better and better with each book. I can't wait to read the sequel. Her retorts and interaction with Rosaline were just humorous. It progresses painfully slow I couldn't keep up. Like sure embrace that individuality. This book has the potential to be likeable. Not my cup of tea. Alexis Hall 2.5 Okay so. Here's another page and a half monologue. We get it. So. Alexis Hall Delightful & Funny! 4. Please note: I don't read / reply to DMs
