

Rhiann's Rescue: A Pet Rescue Romance Prequel By Gayle Irwin **Book Rhiann's rescue** As for the story it was quite obvious that Elias was up to no good from the moment he arrived on the scene - because Rhiann was not going to be involved with a man again! It could have been much better and I don't think I'll read anymore of Irwin's books. **Rhiann's Rescue childrens books** She is the author of several inspirational pet books for children a clean contemporary romance which weaves pet rescue and adoption into the story and three Christian devotion books about the lessons people can learn from dogs. **Book Rhiann's rescue remedy** She is the author of several inspirational pet books for children a clean contemporary romance which weaves pet rescue and adoption into the story and three Christian devotion books about the lessons people can learn from dogs. **Rhiann's Rescue childrens bedroom** Can she protect herself from another heartbreak and maintain her goal to help animals and care for her grandmother or will she decide Elias is worth the risk? Read Rhiann's Rescue a sweet contemporary later-in-life romance with family saga elements set primarily in sunny Arizona's winter season with references to majestic Montana. **Book Rhiann's rescue me** I found it had a good plot but was incredibly repetitive - I don't need to read multiple times how men are not to be trusted and Rhiann wasn't going to have another relationship - I got it the first time! And Grams wanting to move to Montana had to explain why about a million times as well! Then there was the lack of proof reading - using the wrong word like conscious instead of conscience illuminating instead of emanating I'm going to do that now,
