This is the first book I've read by Jean Stone and even though this is the fourth book in this series I didn't feel lost. **EPub A Vineyard crossings** Her brother flying off to Hawaii to be with his lady love during the inn's busiest week (he is a partner in the inn) the inn is fully booked Taylor is who is goes off with she is a little rough around the edges since she had a rough young adulthood. **Book A Vineyard crossing delancey** Annie needs to finish her latest novel it is a holiday week with several events going on in town two guests with a link to Annie's past Annie's love life is on the rocks a celebrity guest and his assistant has Annie and her helper relocating for the week. **Book A Vineyard crossings community** vineyard Crossing is a busy book with the sizzling summer sun a full ferry fun festivals an absent brother a fraught fiancé cagey guests** A Vineyard Crossing (Vineyard #4) Vineyard Crossing is a well written book that drew me in at the first sentence. **Book A Vineyard crossings** A Vineyard Crossing (Vineyard #4) 4 stelle e mezzaNon so in quale genere catalogare questa serie: non è un romance e non è un cozy mystery ma ha spunti di entrambi e molto più. **Book A Vineyard crossing trip** When I started reading A Vineyard Crossing I felt like I was plopped in the middle of a book or in this case the inn is fully booked Annie needs to finish her latest novel it is a holiday week with several events going on in town two guests with a link to Annie's past Annie's love life is on the rocks a celebrity guest and his assistant has Annie and her helper relocating for the week John's oldest daughter has arrived to live with him and her younger sister and Annie must prepare for an upcoming book tour. **Book A Vineyard crossing trip** I did not feel the chemistry between the pair (where is the joy at seeing the man you love dreaming of your life together looking at your ring with a silly smile on your face). **A Vineyard Crossing book pdf** When an unexpected celebrity guest needs a couple of rooms in her booked-up inn Annie has to move out of her cabin in order to accommodate the handsome troubled guest and his assistant. **Book A Vineyard crossings community** From there she could see two gray-haired ladies on the patio chatting with the young honeymooners all of whom were drinking what looked like lemonade all gazing toward the harbour and the sailboats and the lighthouse and it's beacon that blinked red every sixty seconds. **A Vineyard Crossing ebook free download** Adding the four year-round tenants - two singles and one couple - the count increased to eleven people who'd be depending on Francine by day and Earl by night - both of whom of course must be worn out by now. **Book A Vineyard crossing trip** And as upset as she was about Kevin having taken off she suddenly realised that she hadn't been carrying her share of the load either; she'd selfishly expected that the place would run smoothly with her barely lifting a finger. **Book A Vineyard crossing trip** Recently engaged to local police sergeant John Lyons instead of making wedding plans Annie's fighting with him about his older daughter a troubled teen who has moved home—bringing chaos in her wake. **PDF A Vineyard crossing broad** When a handsome internationally acclaimed journalist checks into the Inn he too unpacks a boatload of trouble for Annie triggered by a provocative photo covertly

snapped—and posted on the internet. **A Vineyard Crossing books** But Annie is soon questioning whether anyone on the Vineyard this season is who they seem—and realizing that any chance of happiness rests in finding out just who her real friends are . **A Vineyard Crossing kindle app** MY THOUGHTS: Although this is #4 in the Vineyard series and I have read none of the previous three books I had no problem I had no problem with character backstories or plot development. **EBook A Vineyard crossings** 7#AVineyardCrossing #NetGalley I: @kensingtonbooks T: @KensingtonBooks#contemporaryfiction #familydrama #mystery #romance #womensfiction THE AUTHOR: With a career that has spanned over 25 years Jean Stone is the author of 22 novels about the families friends lives and lovers (who needs more?) of contemporary women that have been published by Kensington Random House and HarperCollins—10 of which take place on the celebrated island Martha's Vineyard. **A Vineyard Crossing book pdf** Recently engaged to local police sergeant John Lyons instead of making wedding plans Annie's fighting with him about his older daughter a troubled teen who has moved home—bringing chaos in her wake. **A Vineyard Crossing epubor** When a handsome internationally acclaimed journalist checks into the Inn he too unpacks a boatload of trouble for Annie triggered by a provocative photo covertly snapped—and posted on the internet. **Book A Vineyard crossing trip** But Annie is soon questioning whether anyone on the Vineyard this season is who they seem—and realizing that any chance of happiness rests in finding out just who her real friends are : Someone has taken a picture of Simon whispering in Annie's ear: **Book A Vineyard crossing trip** The reason they came to the INN was to tell Annie what happened to Brian so far along ago: **Book A Vineyard crossing guard** The pic was taken so Simon would not back out as he was starting to: **Book A Vineyard crossing trip** They wanted him to tell her how bad his family acted and tried to cover it up including a hot shot attorney that was his uncle. **A Vineyard Crossing epubor** I went online to learn that A Vineyard Crossing is the fourth A Vineyard Novel, **Book A Vineyard crossing trip** I recommend reading the series in order because it will allow you to know the characters and their backstories: **Book A Vineyard crossings community** It is August in Chappaquiddick on Martha's Vineyard where Annie is dealing with a full inn while her brother flies to Hawaii to be with his love interest, **A Vineyard Crossing book summary** I found A Vineyard Crossing to be a slow starter as the author sets the stage for the various storylines: **A Vineyard Crossing ebook download** The author gives us enough information so we know what happened in the previous books: **A Vineyard Crossing epub free** Annie Sutton is now engaged to John Lyons although no wedding date has been set, **EBook A Vineyard crossing ny** Annie's brother Kevin has gone to Hawaii to be with Taylor: **Book A Vineyard crossing trip** When Annie gets a request for two rooms at the Inn by Simon Anderson a successful journalist/tv reporter she decides to give up her cottage to accommodate him: **EBook A Vineyard crossings** She'll just have to find another place to work on the book she's currently writing: **EPub A Vineyard crossings community** Everything isn't as it appears with Simon and it creates some angst between Annie and John: **A Vineyard Crossing books** Also it didn't help matters that Annie saw him with his ex-wife while she was having dinner with a guest at The Wharf and he didn't even acknowledge her, **Book A Vineyard crossings community** Is there trouble in paradise? But she seems far from ready to marry. I did not like how John reacted to an incident. He did not give Annie a chance to explain. It was planned as we find out his associate took it. Simon's wife was also in on this. John acted like a real jerk. So he tells her he needs a break. During all this.

Book A Vineyard crossing trip

A series. Annie has quite a bit going on in her life. Any Personal Notations are for my recollection only. Annie has quite a bit going on in her life. She is Jonas Mother. That drunk driver was his

younger brother. LIAR. The three owners really need to have a business plan. It sounds like a beautiful place to visit and live. Little Bella was a cutie. Forse storia di una donna? Mi sembra comunque riduttivo. Annie lives in a small cottage on the property. I was disappointed in John (love interest) in this novel. A Vineyard Crossing by Jean Stone was a good read. A lot happens in this book. Overall I enjoyed the book. The main characters are written well. I did not like how John reacted to an incident. He did not give Annie a chance to explain. The three owners really need to have a business plan. It sounds like a beautiful place to visit and live. Little Bella was a cutie. As you can tell I had trouble with A Vineyard Crossing. I believe the author crammed too much into one book. I was not the right audience for this story. It's August on the Island and everyone is busy. I received a complimentary copy of this book. Opinions expressed in this review are completely my own. But Annie wasn't on vacation; this was her life. Shutting off the ignition she faced the facts. . . A Vineyard Crossing can easily be read as a stand-alone. There are squabbles jealousies mysteries and secrets. I liked Annie's nosiness and her penchant for interfering.
