

West with Giraffes By Lynda Rutledge **West with giraffes a novel reviews** In a time in the US when most people have never seen a giraffe in person the adventure Woody takes to get these magnificent creatures (and himself) safely to California is captivating and at times pretty intense. **West with giraffes indigo** Inspired by true events this story explores what it means to be changed by the grace of animals the kindness of strangers the passing of time and a story told before it's too late. **West with giraffes book covers** A well crafted story full of wonder and insight abandonment and tenderness adventure and jeopardy betrayal and forgiveness and much more that had this twilight being of a reader leaking at both ends. **West with giraffes book** I can only suppose that when you're riding with two 'towering creatures of God's pure Eden' and you grasp the first rotten proof of your true self you never quite forget it no matter what you do later to make it right. **West with giraffes in spanish** ...a three thousand mile journey from New York to the San Diego Zoo (fabulous zoo).....the dust bowl ... Great Depression era ... (poverty sufferings)...Hitler eraa combination of horrors adventure hardships and hilarious funny moments with a few goofy characters — Thank you Betsy who first inspired me to seek this book out — followed by Liz Karen ... and dozens of friends on Goodreads. **West with giraffes book club questions** The story was great - all of it - but am I the only one who thought it was almost as extraordinary that a 105 year old man was coherent enough to write his memories down? This past Memorial Day weekend we celebrated our friend Dave's 80th birthday (a few days after my 70th). **West with giraffes in spanish** Based on a real event this is the story of the transporting of two giraffes from New York after arriving in a ship that had just survived a hurricane across the country to the San Diego zoo. **West with giraffes book** He has made his way to New York and a cousin but the hurricane leaves his cousin dead and him alone again which is why he gets the bright idea of following the giraffes to California. **Quotes from book west with giraffes** How he comes to have the job of driving the adventures and problems encountered on the trip and the others involved including a girl named Augusta who wants to be a reporter for Life Magazine and the zoo representative Mr. **West with giraffes book** I'm always surprised when a book like this one leaves me in tears but there were some flowing as I reached the end of the trip and the end of the story with Woody. **West with giraffes book review** They were tears of emotion more than of sadness and I wished with all my heart that I might nuzzle the gentle creatures who were able to transform a lonely and lost boy into a better man. **How accurate is west with giraffes** Three improbable protagonists take it upon themselves to transport two giraffes that survived a 1938 hurricane at the end of their trans-Atlantic crossing in a trans-continental adventure from New York to San Diego. **West with giraffes true story** Inspired by true events the tale weaves real-life figures with fictional ones including the world's first female zoo director a crusty old man with a past a young female photographer with a secret and assorted reprobates as spotty as the giraffes. **West with giraffes book** Part adventure part historical saga and part coming-of-age love story West with Giraffes explores what it means to be changed by the grace of animals the kindness of strangers the passing of time and a story told before it's too late. **West with giraffes book** I was glad it was a book club choice because I never would have picked it up otherwise! West with Giraffes a really sweet coming-of-age story that combines American history animal friends and a cross-country roadtrip. **Giraffes can't dance waterstones** If you are an animal lover then you'll understand why this slightly sentimental and certainly fictional account of the real trip across the US in the late '30s to deliver the first giraffes to the San Diego Zoo was such a wonderful read. **West with giraffes book covers** West with Giraffes I'm going to include a part of the blurb that enticed me to listen to this wonderful audiobook: "Part adventure part historical saga and part coming-of-age love story 'WEST WITH GIRAFFES' explores what it means to be changed by the grace of animals the kindness of strangers the passing of time and a story told before it's too late. **West with giraffes true story** We follow the giraffes and Woody on a 12 day road trip which will deliver them to the first female run zoo "Belle Jennings Benchley (August 28 1882 - December 17 1973) known as "The Zoo Lady" was the director of the San Diego Zoo from 1927 to 1953 guiding its expansion from a small collection of animals to an innovative world-class zoo. **West with giraffes book** West with Giraffes

West with giraffes book review

Quite an adventure indeed! I love historical fiction especially when it's able to really take me back in time like West with Giraffes did: **West with giraffes audible** This is the first book review I've written since High School but here it goes: **West with giraffes indigo** I've never really thought about the lives of the people that lived the Dust Bowl it was heartbreaking to witness that life through the eyes of 17 year old Woody Nickel. **West with giraffes summary** The characters are all interesting with their own stories and the giraffes are impossible not to fall in love with: **West with giraffes book** I highly recommend this book for a quick but fun blast to the past full of giraffe slobber dust dreams and a little bit of romance. **West with giraffes ff14** West with Giraffes This book has a special place in my heart: **West with giraffes book** Take time for some exceptional comfort reading to lighten life's burden. **Where can you eat with giraffes** Beyond the commercial hype of too many lackluster frivolous book offerings this is a true gem. **West with giraffes in spanish** But when he learns giraffes are going extinct he finds himself recalling the unforgettable experience he cannot take to his grave. **West with giraffes book** 'Few true friends have I known and two were giraffes...' And so begins his story, **West with giraffes book** I could spend what I feel in my bones is my life's last clear hours to tell you of the Dust Bowl: **What is west with giraffes about** Those memories come and go here at the end if they come at all anymore, **West with giraffes true story** This memory is always with me always alive always within reach and always in living technicolor from deadly start to bittersweet finish no matter how old I keep getting: **Book called west with giraffes** And—Red Old Man sweet Wild Boy and Girl—oh how I miss you. **West with giraffes book club kit** All I have to do is close my worn-out eyes for the smallest of moments. **West with giraffes book review** It will likely resonate in my mind through whatever years I have left, **Can giraffes be domesticated** Through the twists and turns of life there are experiences that we relish recalling long after and there are others we labor to forget or try to make up for, **West with giraffes book** And along the way we are sure to encounter both decent beings and those with no conscience. **West with giraffes book** it always seemed wrong to think an animal's life isn't

worth as much as a human's, **West with giraffes in spanish** no matter who or what is living it boy—a thing to respect” he said: **Heading west with giraffes** “You don't get that then you're just a waste of skin: **West with giraffes book** historical fiction wonderful storytelling..... two giraffes...[Lofty & Patches]...a brutal hurricane that killed many : **West with giraffes reviews guardian** Dave's mother died recently 'on' her 106th birthday ...And **West with giraffes book** she too... like Woodrow Wilson Nickel was still coherent at age 105... but not at 106, **West with giraffes book** With 47036 ratings and 5027 reviews... nobody needs another from me ...other than...: **West with giraffes read online free** as in overall HEARTWARMING! ☐☐ West with Giraffes Finally my IRL book group has picked a book I thoroughly enjoyed, **West with giraffes book** I doubt I would ever have picked this one up otherwise so I am feeling a little grateful to the member who chose it, **West with giraffes book** The events are related in retrospect by the boy who drove the truck that transported them now an old man in a Veterans home: **What is west with giraffes about** The boy Woody Nickel is an orphan who has clawed his way from the Texas panhandle dust bowl where he has buried his entire family: **West with giraffes indigo** The giraffes themselves who are simply called Girl and Boy by Woody are marvelous characters. **West with giraffes a novel reviews** While reading you develop a genuine sense of who they are their personalities and the attachments our three main characters feel for the animals: **Giraffes can't dance waterstones** This is a coming-of-age story and the giraffes play a huge part in shaping the people particularly Woody. **West with giraffes indigo** West with Giraffes This is one of the most unusual and heartwarming road-trip/animal adventure/love stories I have ever read. **West with giraffes book** West with Giraffes An emotional rousing novel inspired by the incredible true story of two giraffes who made headlines and won the hearts of Depression-era America, **West with giraffes book** “Few true friends have I known and two were giraffes...” Woodrow Wilson Nickel age 105 feels his life ebbing away, **West with giraffes in spanish** But when he learns giraffes are going extinct he finds himself recalling the unforgettable experience he cannot take to his grave: **West with giraffes how many pages** Hitler is threatening Europe and world-weary Americans long for wonder. **West with giraffes in spanish** They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic: **West with giraffes book** What follows is a twelve-day road trip in a custom truck to deliver Southern California's first giraffes to the San Diego Zoo: **West with giraffes book club questions** 5 stars rounded upWhat a gorgeously written and life affirming book! This was my book club read for September and I really enjoyed my reading experience: **West with giraffes book** I listened to it as an audiobook (via KU) and Danny Campbell does a fantastic job of giving voice to Woody as both a young man and as an elderly man, **West with giraffes true story** I have long been enamored by giraffes I've had the privilege to be up close and personal with them on many occasions and they are magnificent creatures, **West with giraffes book club menu** I was immediately captivated by the story of the cross-country trek to take two giraffes to the San Diego Zoo in 1938: **West with giraffes book** This book is part coming-of-age story part adventure part history and overall just a wonderful read for me. **West with giraffes book** quite the fun adventure!whist reading this i could tell that it was well-researched. **West with giraffes indigo** i actually learned some things about the dust bowl era which was unexpected, **Book west with giraffes summary** i think this does a great job at taking true events and presenting them in a way that is quite readable: **West with giraffes in spanish** the overall vibe of the story reminded me a lot of 'water for elephants' but i didnt quite find this as emotional or impactful which is why my rating is pretty average. **West with giraffes book** i was just hoping for a little bit more to make me fall in love with this and i never got it: **Can giraffes be domesticated** still a really lovely story that i know will find its way to multiple bookclubs: **West with giraffes a novel reviews** 5 stars West with Giraffes My great escape This story offered a delightful escape from today's stresses: **West with giraffes indigo** One of those books you don't want to put down yet hate to see end. **West with giraffes book** A wild rollicking ride with unique humans in touch with their better selves as they are drawn in by two gentle wild beasts. **West with giraffes reviews** For those who cherish that special

bond between animals and humans, **West with giraffes audiobook** West with Giraffes From the beginning this remembrance of a few short weeks of one man's life captured both my attention and my heart. **West with giraffes literature fiction book** (At over 100 years old our elderly narrator is compelled to tell his story before it is too late. **West with giraffes audiobook** But there are other reasons to spend a few hours with the Old Man Boy Girl Red and Woody the least of which was unspoken camaraderie as the story unfolds, **West with giraffes book** It's one of the best road trip novels I've read—the story also offers a look at Depression era America and not all of the vignettes are charming. **West with giraffes indigo** It's certainly an action oriented story but it's not the action that shines here: **Book called west with giraffes** At its heart is Woody and the lasting impact those days on the road had on him personally, **West with giraffes audiobook** "Any time I see a story that involves animals I am always drawn to it. **West with giraffes read online free** This story was told with great warmth and humor and filled with an incredible tale based on true events, **West with giraffes book** The novel begins with Woodrow Wilson Nickel age 105 who begins to write the story he knows he must write before he dies. **West with giraffes book** It takes place mostly in the distant past with some reflections on other parts of his life. **West with giraffes in spanish** At age 17 Woody had traveled to New York from the "dust bowl" destroyed lands of Texas. **Book called west with giraffes** He has lost all of his family and like many from all of the states that were affected by the "dust bowl" he was looking for a new life a chance to start over: **West with giraffes book** What he found himself in was the hurricane of 1938 which affected the East Coast and destroyed many homes businesses and lives, **West with giraffes indigo** Miraculously two giraffes who had crossed the Atlantic survived - the female with an injured leg, **West with giraffes book covers** Woody had nowhere else to go and when he learned that the giraffes were headed for California he was determined to somehow follow them. **West with giraffes indigo** Through a succession of incidents Woody convinces the man who is charged with the safe delivery of the giraffes that he can drive the specially designed rig across the country. **West with giraffes in spanish** "This is a wonderful adventure story about a young man at a turning point in his life: **West with giraffes book covers** The narration was very good and made for a great listen!
