If I'm not working on my latest romance and falling in love with yet another hero you'll find me reading watching and basically indulging in my addiction to any story on any media type I can get my fingers on.

Full blown terror hasn't had a chance to take hold of me - not yet at any rate, I'm rescued by a muscular demanding alien with charcoal skin and strange nodes on his body that flash with luminescent light, From the moment I first set eyes on him something indescribable and intense sparks between us. Nothing that makes my heart beat faster and my body ache quite like this: And then take me to the Sanctuary with the other rescued women and turn his back on me: He tells me that Dhasu only have one bond-mate in their life and he has already found his so I cannot be it. The longer we're stuck on a hostile planet with the very beings that bought me from that stage the harder it will be to let him leave me there, Maybe we'll die on this horrible planet but if we really are bonded-mates, If you like impossible odds lawless and corrupt aliens smouldering alien warriors and the tension of rejected fated mates you'll love Seized by the Alien Space Warrior. Each book in the series can be read as a standalone but for maximum enjoyment it's recommended that the series be read in order. Instead of watching movies and staying up late I would go to bed at eight thirty and continue my very romantic very safe love affair. Since then I have fallen in love with many heroes some less safe than what my teenage brain could possibly imagine, Instead of watching movies and staying up late I would go to bed at eight thirty and continue my very romantic very safe love affair: Since then I have fallen in love with many heroes some less safe than what my teenage brain could possibly imagine: Although I have travelled I always return to my home town of Melbourne and live with my husband two children and two cats in the ferny greens of the Dandenongs, {site\_link} 4 stars □ New author for me and I'm impressed: Well written plenty of action to keep you interested to the end. It had a HEA but there seems to be a story flow through from each book. I think I may just go back and start at the beginning, Next! English Nice story and romance This is a sweet romantic story. The warrior who is tasked to rescue her has some baggage from the aliens who are auctioning the women. Abducted by aliens. Sold like livestock. He tells me I'm safe with him but I know I'm not. I've never felt anything like this before. He wants to take care of me. Protect me. Yet I want him. Falling for him doesn't make sense. Maybe I'm losing my mind. Maybe I've already lost it.? Maybe

we'll get more than we bargained for. But I always return to writing. But I always return to writing. This book is like book ten in Alien Abduction Series. This is Aekon and Ava's story. English Good read These stories are very easy to read. I can't put them down until the end. The characters are real and they become friends. The female lead has been kidnapped along with other women. She is a really sweet and thoughtful person. Read On! English.
