

The Slum Daughter By Emily Anson **The Slum daughterling** I also enjoyed learning more about this era the brutality and harsh reality of those times made this story extremely gripping and raw and allowed me to create an emotional connection to the characters and their rollercoaster lives. **The Slum daughterand** Thank you to the author for this fab read! The Slum Daughter Good Read I found the story fascination and thought provoking showing that it is important to have dreams nd to hold on to themM The Slum Daughter.
