And Alfred Hitchcock's Mystery Magazine. 224 The story line was ok. Detective Neil Alexander can't figure out the motive. Until there's another murder. Same M.O. Same ballistics. There has to be a connection. And Kate is determined to find it. They're on a killer's trail. And keeping Kate safe means keeping his heart off-limits. I've always loved reading history and horses. I've always loved reading history and horses. Neil a Detective is thrown together with Kate a Reporter. They had broken off a relationship the summer before. But they find themselves drawn to each other many times. But they go slowly. I must have as our marriage has lasted 31 years. A very good read. The suspense was good. This was just one of those books that makes you sigh. though haven't finished it yet. still reading. A nice read! 224.
