

Something Fabulous (Something Fabulous, #1) By Alexis Hall **Kindle Something fabulously optimized** And yes he had been rude and he actually deserved some kind of... scolding I guess but keeping him tied to a chair and locked in a cellar all night? Blaming him for simply trying to free himself? Really? Not to mention that everything was always his fault even when he got shot because apparently he had an angry-looking face so it was a reasonable thing to do. **Something fabuloushape reviews** I don't think Alexis Hall could ever write boring and bland stuff because the writing is so beautiful and flawless and the main character's struggles are always relatable in one way or another. **Book Something fabulously optimized** Follow me on Instagram Something Fabulous (Something Fabulous #1) Yes let's take a quiet anxious man who just wants to do the right thing and be left alone and relentlessly bully him for an entire book. **Something Fabulous ebook reader** I just struggled to find the so-called romance and humour in the notion of a man being regularly assaulted and demonised by a hypocritical bully who claims to have been in love with him since childhood as well as the bully's ridiculously manipulative spiteful and brattish twin sister - aka one of the most unlikeable characters (if not THE most unlikeable character) I've ever read. **Something fabuloushape pills** Something Fabulous (Something Fabulous #1)

From the acclaimed author of Boyfriend Material comes a delightfully witty romance featuring a reserved duke who's betrothed to one twin and hopelessly enamoured of the other. **Something fabuloushape pills** I cannot understand why a book where a man (who was just trying to do what was expected of him) is constantly belittled insulted ASSAULTED and demeaned can be so well loved. **Something fabulous book** The author should have had Valentine actually DO something offensive so that I felt some sympathy for Belle and Bonny but the poor guy didn't do anything but be uncomfortable in his own skin the whole time. **EPub Something fabulous furs** -Chapter 26 duel happens Bonnie is mad at valentine because his sister forced valentine hand into a duel - Chapter 31 Bonnie is STILL defending his sister who legit SHOT Valentine. **Something Fabulous book** This book has the unofficial subtitle of Dude Where's My Curricule? (which should tell you all you need to know) and is the campest and silliest and most fun thing I have written:

### **Something fabulous lip balm containers**

The whole time he is mostly worried for what the world will think of Bonny and Belle and is actively trying to give Belle a better life: **Something fabuloushape supplement** He even tells her he will be a respectful husband and give her her freedoms to do as she likes: **Something fabulous book** For the time period this book is set in that is a HUGE concession and I just don't get where all the vitriol and disgust came from towards him, **Kindle Something fabulously optimized** But when they tie him up and threaten to murder him and/or leave him tied up for days I am done: **Something fabulous book** He never once tried to bodily kidnap anyone or hurt anyone or anything, **Book Something fabulously** It was just ridiculous and made me hate every character in this book other than Valentine, **Something fabuloushape pills** I can't even read anymore because I know now he will confess his love for Bonny or whatever and probably chase after him...: **Kindle Something fabulous** which i suppose would be FINE.

## Book Something fabulous thunderbirds

Genrequeer writer of kissing books. **Book Something fabulous baker** If you would like to get in touch the best way is via email which you can find in the contact section on my website 3“Actually I find laughing at you very soothing. **Something fabulous book** “And that's the problem isn't it? Everyone is laughing at Valentine while he is in actual discomfort most of the time. **Something fabulous book** I don't like it when people laugh at others it's one of the worst feelings in the world, **Something fabulous book** That's what irked me the most about this book because it was meant to be fun and everything was treated as such even when it was hurtful, **Book Something fabulous furs** Also beautifully written (not that I had any doubts about that) with great dialogues and great banter and all that: **Book Something fabulous moolah** It also stabbed me a couple of times because that's what Alexis Hall does, **Something fabulous salon longview tx** But Valentine's internal turmoil clashed badly with the supposed fun: **Book Something fabulous moolah** And the romance... I think that Bonny broke Valentine's trust one too many times (while acting like it was Valentine's fault) for the happy ending to be an option. **Something fabulous book** He never took his side always blaming Valentine for his manners without blaming Belle for... being the reason of every single mess of the book, **Book Something fabulous moolah** And you know everything started to go downhill with the captivity part: **Book Something fabulous moolah** What the hell? And it made me so mad that Valentine believed it too, **EBook Something fabulously optimized** There's also the fact that I couldn't stand Arabella I couldn't stand how everyone simply fell for all her bullshit like it was normal: **Something fabulous book** And she kept doing it she kept being dramatic and unreasonable and selfish and an awful brat, **Something fabulous lip balm containers** She really expected everyone to know how she felt without even caring how others felt and that included her twin brother: **Book Something fabulously optimized** I don't know if the author actually meant for her to be so unpleasant but she totally ruined the story: **Book Something fabulous moolah** But this time this book... I don't know if it's me if maybe I'm incapable of laughing; if maybe the author didn't do their best or if I simply expected something else. **Book Something fabulous** Something Fabulous (Something Fabulous #1) I was up for something fabulous: **Book Something fabulously optimized** I got something hilarious marvelous glorious frivolous virtuous ridiculous languorous amorous and of course Something Fabulous. **Something Fabulous bookworm** Something Fabulous is a queer Regency fairytale and it's witty fluffy dramatic and soo addictive: **Book Something fabulous moolah** The humor the old-fashioned language the emotions think big and it's probably even bigger: **Something fabuloushape supplement A** butterfly light as a feather and bright and charming and sweet: **Something fabuloushape reviews** Valentine is grumpy at first but beneath that prickly surface is a beautiful flower and I loved watching Valentine grow and to fully bloom: **Something fabulous book** I smiled and I grinned and I laughed out loud while reading this fantastic and absurd and fabulous book, **Book Something fabulous baker** Sometimes it was like I was looking at a slapstick overly dramatic and hysterical and completely over the top. **Something fabuloushape reviews** But immediately after those moments Bonny and Valentine were so sweet and my heart melted, **Something fabuloushape** And more importantly Valentine's heart melted as well finally allowing his feelings to come up to surface: **PDF Something fabulously** I adored Bonny and Valentine and finished this book with another huge smile on my face: **Book Something fabulous moolah** I received an ARC from Montlake and NetGalley in exchange for an honest review. **Something fabulous book** The twins are total bimbos I don't understand why Valentine even likes Bonny. **Something Fabulous book** Bonny doesn't even try to understand his feelings but the book acts like Valentine's the bad guy: **Fantasy Something fabulous fox** They tie him to a chair and lock him in a cellar! Then he apologizes for accidentally hurting someone trying to get free! Someone who TIED HIM TO A CHAIR, **Book Something fabulous furs** tbh it all reads very emotionally abusive constantly apologizing to someone when they've wronged you, **Something Fabulous kindle store** In an old school historical the hero would

shake her for being such a hysterical ninny and he would be right to, **EPub Something fabulously** Something Fabulous (Something Fabulous #1) DNF @ 48% (Skimmed to about 70%) Strong start with lots of humor and banter: **Something Fabulous kindle store** I was completely annoyed with the sister and basically the entire plot because it surrounded her. **Something fabuloushape pills** Something Fabulous (Something Fabulous #1) The premise of this book sounded so fun and interesting and it definitely could've been if it wasn't for the characters: **Something fabuloushape supplement** Valentine Layton the Duke of Malvern has twin problems: literally. **Book Something fabulous** It was always his father's hope that Valentine would marry Miss Arabella Tarleton: **PDF Something fabulous baker** But unfortunately too many novels at an impressionable age have caused her to grow up...romantic, **Something Fabulous fantasy island** So romantic that a marriage of convenience will not do and after Valentine's proposal she flees into the night determined never to set eyes on him again. **Book Something fabulous thunderbirds** And fully expects Valentine to ride out after Arabella and prove to her that he's not the cold-hearted cad he seems to be, **Book Something fabulous moolah** Despite copious misgivings Valentine finds himself on a pell-mell chase to Dover with Bonny by his side: **EPub Something fabulously** Bonny is unreasonable overdramatic annoying and...beautiful? And being with him makes Valentine question everything he thought he knew: **Something Fabulous booklet** Bonny and his sister are absolutely disaster characters and are completely unlikeable: **Something fabulous book** They come across as spoiled brats who tell lies and even threaten to murder people who don't give them their way. **Book Something fabulous fox** he asked her to marry him as had been expected for years and he did it in a perfectly fine way for two people who are obviously not in love, **Something fabuloushape supplement** HE DIDNT WANT TO MARRY HER EITHER and was only doing it out of duty which would also help her (and her brother) not be impoverished: **Book Something fabulously optimized** So why did she throw a giant baby tantrum and run away? I was so confused. **Something fabulous soap** And in fact right? And frankly I don't want to read about Valentine falling in love with someone who would physically assault him. **Something fabuloushape reviews** On a positive note: some of the banter and the dialogue between characters was quite funny so I do know this author has talent: **Something Fabulous ebooks free** But this book was terrible I don't care what the ARC readers say, **Something fabulous lip balm containers** Something Fabulous (Something Fabulous #1) This book was such a fun escape a true Regency Romp and unabashedly gloriously dare I say FABULOUSLY gay, **Book Something fabulous furs** In fact I thought the love scenes were beautifully authentic and showcased how special #ownvoices writing is, **EBook Something fabulously** Something Fabulous (Something Fabulous #1) I hate dumb people in books: **PDF Something fabulous 50s** I love a good fanciful/flamboyant character the author TJ Klune does this extremely well with the lightning struck heart series but this book made me so angry. **Something fabulous salon longview tx** I don't think Bonnie is good enough for him and I hate Bonnie's sister Bella, **Something fabulous lip balm containers** For example I don't understand how Valentine is the villain here: **EPub Something fabulous fox** (I'm on chapter 19 right now)-He was bound to a chair tried to break free and people were mad at him for causing a ruckus and hurting someone accidentally, **Something Fabulous epub reader** ARE YOU FUCKING KIDDING ME!ETA:I read this book as a farce and Valentine was the straight character, **Something fabulous lip balm containers** But unlike any farce I've seen or read as a play I didn't find this amusing at all, **Something fabuloushape pills** I can't put my finger on it I think because I saw all of the characters except for Valentine as selfish and rather patronizing: **Book Something fabulous thunderbirds** Something Fabulous (Something Fabulous #1) Something Fabulous is ... I don't know, **Something fabuloushape pills** It's a big gay regency romp about a overly dramatic beautiful rainbow sunshine unicorn + a overly dramatic demisexual grumpy duke going on a cross-country chase: **Something fabuloushape** I can't wait to share Bonny & Valentine's story with you all <3Release date: January 25 2022, **Book Something fabulous 50s** Something Fabulous (Something Fabulous #1) Nope nope nope nope nope, **Something fabuloushape pills** Bonny Tarleton is \*mean\* and his sister is a \*disaster\* and Valentine was just fine being quiet and living his

life and they completely hated him for it. **Something fabuloushape reviews** I don't understand why quiet people are always told they just need to \*live laugh love\* a little and their lives will be Perfect: **EPub Something fabulous fox** Maybe they're already friggin perfect did ya think of that? What in the sound of music / Mary poppins / Pollyanna / manic pixie dream boy was this even. **Something fabuloushape reviews** Valentine spends the whole book apologizing for trying to do the right thing and I hated it. There just wasn't any REASON for it. Please note: I don't read / reply to DMs. Being laughed at I mean. It kind of was a comedy sometimes. Valentine was really struggling and no one cared. Peggy. Everyone. I don't know the book was engaging. It's also slightly over the top. Discussing if an ache can be vast and empty? Check. Saying things like histrionic chit? Check. Crying because of a bee? Check. Bonny is adorable. At these moments I thought: it's getting cringe-inducing. Also Arabella is the worst character ever. Ugh. This book ruined my day. That humor departed and the banter grew stale. Valentine deserves far better. Arabella's twin brother Mr. Bonaventure "Bonny" Tarleton has also grown up...romantic. About himself. About love. Even about which Tarleton he should be pursuing. Something Fabulous (Something Fabulous #1) Okay...poor Valentine. It makes no sense. Even the beginning catalyst of the story made no sense.... ☹️ I don't think that's romantic at all. It's silly swoony and so very sexy. Alexis Hall is a gift to romance. I hate people who make excuses for idiocy. I feel bad for Valentine. The pacing was all off. It's ridiculous. Buy links / content guidance here. Just .... Bit of a rant ahead. If you loved the book I love that for you. But this was Not for me. Quiet practical people don't need to be fixed. Something Fabulous (Something Fabulous #1).
