### **Beautiful stranger waiting for me**

Emotional and real. Everything happens for a reason. The first book I liked but had some issues with. Until one of them catches my eye. And I can't help myself but invite him into my home. It's just a chance at a new beginning. In any scenario you'll find me rooting for the underdog. By the way since 2015 I've also been writing P L. In any scenario you'll find me rooting for the underdog. \*ARC provided by Author in exchange for an honest review. Peter and Claudia are opposites. She stops and this is where it begins. The views expressed are my personal and honest opinion. Leading to a night of passion. She writes about realistic characters with problems and flaws. She unexpectedly invites him back to her house. It doesn't weird at all and it's beautiful to read about. I am a sucker for romantic tales and love stories. Months pass however I was pleasantly surprised. This book while a relatively short read was very entertaining. I am so happy this book was better than the last. 9781913930110.
