

The Assault on Critical Race Theory By Earl Ofari Hutchinson :

This is an unusual book but many of the ideas in it are very think-worthy. If this is not in print the author might want to go back over it some to change part of the vernacular: The Assault on Critical Race Theory This is more an Op Ed that desperately needs an editor than a book on CRT. The Assault on Critical Race Theory The Assault on Critical Race Theory.

. I was hoping for something more substantive. No sources cited in this brief work. No definitions given. 2 parts rant to 1 part reasoned argument
