

Doubleback (Georgia Davis #2) By Libby Fischer Hellmann **Doubleback zz top acoustic** Libby Fischer Hellmann This is the second Georgia Davis I have listened to and I have also previously read and enjoyed one book from the Ellie Foreman series so for those two ladies to team up in this instalment was brilliant and I thought the changing perspectives worked really well. **Doubleback wines** I was initially disappointed that the narrator had changed but Eva Kaminsky did a superb job and I enjoyed this one just as much as the first in the series - possibly more so. **Doubleback Mystery thrillers** I have to say that Eva Kaminsky who narrates this audiobook has an amazing voice for these book as it's really smooth and makes me feel like I'm a sitting down listening to a friend recount a story. **Doubleback booking** As a Brit (who bought the book in the UK) it was great to get involved with the story and visit Chicago Wisconsin Arizona and Mexico if only digitally! Give yourself a treat and read this book. **Double backyard gate** We get to read about a new friendship kidnapping murder and a lot more going on in the background that spins this book in so many directions the listener almost gets dizzy. **Doubleback winery revenue** Once I got into it and after getting by all the cursing in the first couple of chapters I would recommend this book to anyone that wants the twists and turns and surprises that Doubleback provides. **Doubleback wine rating** When the mother of the child and her boss the president of the bank are both killed in separate incidences Georgia feels she owes it to the little girl to find out what is going on how else will she ever feel safe again? Georgia and Ellie follow the clues straight back to the bank and a money trail but everyone who knows anything is dead or missing making it that much harder to track down the men responsible. **Mystery Thrillers doubleback van** The pair are closer than they think to solving all the question the kidnapping unearthed and someone thinks they know more than they should why else would they send mercenaries after them? Or are the mercenaries working for themselves? The only reason the narrator got a four star was because the author changed the reader and I was expecting the same reader as book one so having just listened to book one it took me a while to get use to the new voice for Georgia. **Book doubleback** Ellie continues to work her own case but as the two friends compare notes they start to realize there's connections between the kidnapping and the clean energy company Ellie is looking into. **Doubleback rp discord** Plus she wasn't sure if this guy would ultimately kill her or perhaps turn her over to the bad guys yet hey there's a storm and we're stuck in this cabin with no TV. **Doubleback Mystery thrillers books** Doubleback weaves the drug cartel illegal immigrants money laundering kidnapping this one had more of a girl power vibe - not quite chic crime but incredibly good fun and very easy to listen to. **Doubleback camper** All in all this is fast becoming a firm favourite audio series - straight on to the next! Libby Fischer Hellmann As it is with all Libby Fischer Hellman's books it starts with suspense that grips you at page one. **Literature Fiction doubleback camper** Doubleback the sequel to the acclaimed Easy Innocence reunites PI Georgia Davis with video producer Ellie Foreman (An Eye For Murder A Picture Of Guilt An Image Of Death A Shot To Die For). **Book doubleback van** Doubleback (Georgia Davis #2)

Doubleback camper Libby began her career as an assistant film editor for NBC News in New York before moving back to DC to work with Robin McNeil and Jim Lehrer at N PACT the public affairs production arm of PBS. **Doubleback rp** —where she says “When you’re sitting around the dinner table gossiping about the neighbors you’re talking politics”—Libby earned a Masters Degree in Film Production from New York University and a BA in History from the University of Pennsylvania. **EPub doubleback cabernet** Libby’s best selling novels have won widespread acclaim since her first novel AN EYE FOR MURDER which was nominated for several awards and described by Publisher’s Weekly as “a masterful blend of politics history and suspense”. **Doubleback van** AN EYE FOR MURDER introduced Ellie Foreman a video producer and single mother who went on to star in five novels in a series described by Libby as “a cross between Desperate Housewives and 24.

Doubleback winery Libby’s second series (Easy Innocence Doubleback Toxicity Nobody’s Child High Crimes DoubleBlind) follows Chicago PI Georgia Davis a no nonsense hard boiled detective operating in the Northern suburbs and beyond. **Doubleback rp discord** In SET THE NIGHT OF FIRE A BITTER VEIL WAR SPIES AND BOBBY SOX and HAVANA LOST respectively we meet young activists during the late Sixties a young American woman who marries and moves to Tehran three women forced to make dire choices during WW2 and a female Mafia boss who chases power at the expense of love: Georgia Davis goes above and beyond to solve a child’s kidnapping case but as she delves deeper into the case she just finds more secrets and more people involved: **Mystery Thrillers doubleback van** Where the first one had a more sinister and seedy feel to it.

You “feel” the emotion and you “see” the action. **Mystery Thrillers doubleback van** I’m looking forward to reading book three in the Georgia Davis series. **Double backslash** Libby Fischer Hellmann AUDIOBOOK REVIEWOk I struggled a bit with this one. **Literature Fiction doubleback zz** Although I love Libby’s stories for some reason I couldn’t really get into this one. **Doubleback van** I felt it started really well with the apparent suicide of a mother who’s daughter had recently been kidnapped but then in the middle it lost my interest a bit. **Doubleback winery** That being said this is a good series and has not put me off the next book. **Book doubleback zz** Libby Fischer Hellmann Little Molly Messenger is kidnapped on a sunny June morning. **Mystery Thrillers doubleback review** Three days later she's returned.

I have to say this is the second book of Libby Hellmann's I've read I gave Set The Night On Fire five stars too: **Doubleback winery cost** It makes a refreshing change for the thriller genre not to be dominated by men. **PDF doubleback zz** This book has everything a terrific plot and wonderful characters. **Doubleback zz top song** Libby is able to create realistic situations and tighten the screws upping the suspense to an unbearable level. **Book doubleback wine** By the way the first chapter is one of the best chapters I've read on my kindle: **Doubleback zz top acoustic** Libby Fischer Hellmann “This audiobook was given by the author narrator or publisher at no cost in exchange for an unbiased review via Audiobook Boom, **Doubleback wine rating** Libby Fischer Hellmann This was my first book by Libby Fischer Hellman and I really got into this, **Doubleback zz top** It involves 2 very strong leads and the determination to get to the bottom of this case even after the police have long disappeared, **Doubleback winery revenue** One is a freelance documentor filming about ethanol and the effects on the additive and the other is a Private Investigator working for a deceased woman involved in the Cartel, **EPub doubleback zz** Narration was done superbly by Eva Kaminsky and kept you interested all along the way, **Doubleback rp** This review copy audiobook was provided by the author narrator or publisher at no cost, **Literature Fiction doubleback wine** The wonderful Georgia is back and is assisted by her good friend Ellis this means

the story is told from the two characters perspectives: **Doubleback bookworm** It does jump a bit but each chapter starts with the title of who's perspective it is so it easy to follow along, **Doubleback winery revenue** Ellie proves to be a good strong character like Georgia adding to the fun and chaos. **Literature Fiction doubleback camper** The book takes a number of twist sending the book off in different directions and there is plenty of action to keep you listening, **Doubleback zz top** There is a number of characters and I did get a bit confused keeping them all straight but I still really enjoyed the book and would recommend: **Doubleback zz top back to the future** What starts as a simple kidnapping case for Georgia takes an unexpected turn when the child is returned unharmed and seemingly with no ransom paid. **Doubleback zz top song** The child can't talk and the mother won't leading Georgia to believe something more was going on that even the police know about: **Doubleback camper** Following the money trail leads them to training camps and connections to Mexico and drug cartels: **Literature Fiction doubleback wine** Other than that she did a good job and it will be interesting to see who reads book three I can't wait: **Doubleback epub.pub** Libby Fischer Hellmann Note: While this is Book 2 in the series it works fine as a stand alone novel, **Literature Fiction doubleback wine** The plot is tighter the characters have more depth (for the most part) and the stakes are higher: **Doubleback wine rating** Georgia Davis reluctantly teams up with her friend Ellie (an independent film maker) who is also reluctant to get involved in a kidnapping case. **Doubleback rp discord** Still these two ladies offer up their best advice to Chris head of the IT department at a large bank whose daughter has been kidnapped, **Doubleback winery revenue** From the beginning this kidnapping case isn't typical - there's no ransom demand for one thing: **Doubleback ebookee** Still the kid is eventually released safely back to her mom: **PDF doubleback camper** But then some unexpected deaths have Georgia taking another look at it: **Doubleback winery bend** What a deliciously tangled web of intrigue! The plot takes us to the desert southwest and even across the border into Mexico, **Literature Fiction doubleback wine** I did have one laugh at the plot and that is the out of character sexytimes for Georgia. **Doubleback zz top song** She's been hunting a man who has answers and once found not even a day passes before they tumble into bed together: **Doubleback van** Georgia has been so guarded not looking for a relationship at all: **Doubleback winery bend** The sex scene itself was OK a little sexy straight to the point brief, **Kindle doubleback** Personally if you're going to toss in a completely out of character sex scene might as well make it epic. **Doubleback winery** In fact there's some hints as to their past friendship and perhaps they did once upon a time tackle mysteries together. **Doubleback zz top song** Georgia certainly has developed in this book including renewing some old ties with the police department. **Literature Fiction doubleback zz** I did have a little trouble discerning the difference between her voices for Ellie and Georgia when they were in the same conversation. **Kindle doubleback cabernet** I did confuse a few things because I wasn't sure who was talking when, **Kindle doubleback wine** For the most part she had a decent Spanish accent though she mispronounced Gila monster. **Literature Fiction doubleback wine** While Georgia might well get it wrong her Hispanic companion would not: **Doubleback wine rating** The pacing was better than Book 1 but still a little slow for my tastes: **Literature Fiction doubleback vw** I received this audiobook as part of my participation in a blog tour with Audiobookworm Promotions, **Kindle doubleback** The gifting of this audiobook did not affect my opinion of it, **Doubleback ebook3000** I was pulled in from the beginning and I couldn't put the book down: **Doubleback rp discord** The story line was full of adventure action suspense mystery and intriguing characters. **EPub doubleback review** I liked the way the characters and the story were brought to life by the author's ability to write, **Double back doors** With twists and turns the story doesn't let you go until the very last page, **Doubleback Mystery thrillers** Molly's mother Chris is so grateful to have her daughter back that she's willing to overlook the odd circumstances. **Mystery Thrillers doubleback review** Except that it turns out that Chris the IT manager at a large Chicago bank may have misappropriated three million dollars, **Literature Fiction doubleback wine** Not convinced that his daughter is safe Molly's father hires Private Investigator Georgia Davis to follow the money and investigate Chris's death, **Kindle doubleback** The two women track leads from Northern

Wisconsin to an Arizona border town where illegal immigrants smuggled drugs and an independent contractor called Delton Security come into play. **Doubleback zz top song** Georgia and Ellie go to great lengths to find the truth and Georgia discovers that you can cross a line but sometimes you have to double back, **Doubleback winery revenue** Doubleback was chosen by the Great Lakes Bookseller Association as their Autumn 2009 Great Lakes Great Read, **Doubleback winery revenue** Sixteen novels and twenty five short stories later she claims they'll take her out of the Windy City feet first, **Doubleback rp discord** She has been nominated for many awards in the mystery writing community and has even won a few. **Doubleback meaning** Her newest work is DOUBLEBLIND the 6th Georgia Davis thriller: **Mystery Thrillers doubleback van** Sixteen novels and twenty five short stories later she claims they'll take her out of the Windy City feet first, **Doubleback winery bend** She has been nominated for many awards in the mystery writing community and has even won a few, **Doubleback winery bend** Her newest work is DOUBLEBLIND the 6th Georgia Davis thriller, **Literature Fiction doubleback wine** Retrained as an assistant director when Watergate broke Libby helped produce PBS's night time broadcast of the hearings: **Double backyard gate** She went on to work for public relations firm Burson Marsteller in Chicago in 1978 where she stayed until she left to found Fischer Hellmann Communications in 1985, **Doubleback zz top** In addition to writing Libby writes and produces videos and conducts speaker training programs in platform speaking presentation skills media training and crisis communications: **Literature Fiction doubleback vw** Libby is known for her portrayal of strong female characters, **Doubleback wine rating** " JUMP CUT an espionage thriller featuring Ellie and her daughter was released in 2016, **Literature Fiction doubleback wine** In addition to her popular series Libby has also written five standalone thrillers in diverse settings and historical periods that demonstrate her versatility as a writer, **Doubleback wines** And in A BEND IN THE RIVER she takes a break from her thrillers to write an award winning story of two Vietnamese sisters trying to survive the Vietnam war[1]

The way the story unfolded was really good. Well written and well played out. Georgia is a tenacious and strong willed lead. I liked how she took a lead and ran with it. She sure got her butt kicked in this book. Ellie is a great ally. She truly is a good friend. A great add to your tbr list. Libby Fischer Hellmann Wow.
