

Belief, Bodies, and Being: Feminist Reflections on Embodiment By Deborah Orr

**Book Belief, Bodies, and being**

In *Belief Bodies and Being* twelve distinguished contributors present diverse and illuminating viewpoints on feminist issues of embodiment materialism and agency from feminist and postmodernist philosophical perspectives. **Book Belief, Bodies, and being** Beginning by positing non-traditional ways of approaching ontological concerns (through the acknowledgement of agential realities and the usage of an ontology of tropes) the volume concludes by addressing highly specific culturally constituted types of postmodern bodies (monstrous anorexic and pharmaceutical bodies). *Belief Bodies and Being: Feminist Reflections on Embodiment*.
