## Her last betrayal pam lecky

I just saw the third book on Netgalley and realised that the book I read in 2021 got not only a sequel but it'll be a trilogy? Okay gotta get on that: **Her last betrayal book** 0008464871 Sarah is a spy for the Allies and she gets assigned to be partnered with a guy named Anderson an extremely egotistical and racist man: **Her last betrayal pam lecky** He hates her kind (the Irish) and isn't afraid to show it, **Her last betrayal pam lecky** It also doesn't help that her father is Jim Gillespie an IRA member who heavily supports the Nazis, **Her last betrayal pam lecky** But Sarah's one mission is to take her father down after he betrayed her and left her and her sister for death. **Her last betrayal book** I'm pretty sure it took until page 150 or so to start getting really interesting. **Her last betrayal pam lecky** But once it started getting interesting I couldn't put it down: **Her last betrayal book** I liked the romance between the two main characters and how suspenseful it was whether or not there was another mole in the team: **Her last betrayal book** I would recommend this to anyone who likes spy or WWII books, **Her last betrayal book** 0008464871 Her Last Betrayal was a very exciting read! If you are into WWII Historical Fiction and also love a good thriller then this is definitely a book for you. **Her last betrayal pam lecky** The banter amongst the characters is one of my favorite things about the book: **Her last betrayal book** The author also is very descriptive and makes it easy to envision the book in your mind, **Her last betrayal pam lecky** It was also very interesting to see a perspective from the Irish about WWII because it is not very common to have that and in doing so makes this book very unique: **Her last betrayal pam lecky** Partnered with Lieutenant Tony Anderson Sarah embarks on a dangerous mission that brings them to the black mountains of Wales. **Her last betrayal book** The mission is to try and find her father an avid member of the IRA and his sidekick Jenny McGrath before more havoc is unleashed. **Her last betrayal book** But there is a mole lurking among the MI5 agents working for the Nazi, **Her last betrayal book** Who is he and who can be trusted? My thoughts: Even if this is a sequel to "Her Secret War" it stands well by itself and continues with another mission for our heroine: **Her last betrayal book** We also learn about the IRA workings with the Nazi from a deferent angle: the Irish vantage point. **Her last betrayal pam lecky** Vividly said we follow these two characters through panoply of close calls dodging bullets even being taking hostage. **Her last betrayal book** For most part the author has left behind the mundane day to day life we had in her first book and replaced this with intrigue and suspense: **Her last betrayal book** I love the cocky personality given to the Lieutenant and how Sarah handled him: **Her last betrayal book** What an exciting read that kept my attention throughout a page-turner no doubt, **Her last betrayal pam lecky** I received a copy of this book from Avon Books UK via Netgalley for an honest and unbiased review: these are my thoughts: **Her last betrayal book** 0008464871 IRA tentacles! Imagine finding out that your father's an IRA lead officer working with the Germans: **Her last betrayal book** A father who's deserted you and your sister for the greater cause: **Her last betrayal book** Who had you believe he was dead! Who did you bury in his stead? Now your sister's dead and you want Revenge, **Her last betrayal pam lecky** Sarah Gillespie is working with MI5 and when the chance to capture her father comes up she takes it. **Her last betrayal book** That necessitates having an American Lieutenant Tony Anderson as her partner, **Her last betrayal book** He calls her Irish all the time and generally acts like a cad, **Her last betrayal book** They are off to Wales to locate her father and find out what the IRA is up to there. **Her last**

**betrayal book** Of course things go somewhat pear shaped what with neither Sarah or Anderson communicating with each other: **Her last betrayal book** And this is just the beginning of a torturous time for all concerned: **Her last betrayal book** The chemistry between Sarah and Anderson improves but the early part of the novel is rather dotted with stiff dialogue between Sarah and her friends, **Her last betrayal book** Despite this the tension builds and Sarah finds herself dashing through London streets trying to save a close ally of the British: **Her last betrayal pam lecky** 0008464871 Pam Lecky is an Irish historical fiction author writing crime and mystery with a dash of romance: **Her last betrayal book** Pam is represented by the Hardman Swainson Literary Agency in London: **Her last betrayal book** She is a member of the Historical Novel Society the Crime Writers Association and the Society of Authors, **Her last betrayal book** In November 2020 Pam signed with Avon Books UK/Harper Collins in a two book deal. **Her last betrayal book** The first book in the historical thriller series Her Secret War will be published in October 2021; the sequel in 2022, **Her last betrayal book** G Medallion; shortlisted for the Carousel Aware Prize 2016; and long listed for the Historical Novel Society 2016 Indie Award, **Her last betrayal book** Her short stories are available in an anthology entitled Past Imperfect whic Pam Lecky is an Irish historical fiction author writing crime and mystery with a dash of romance: **Her last betrayal book** Pam is represented by the Hardman Swainson Literary Agency in London, **Her last betrayal pam lecky** She is a member of the Historical Novel Society the Crime Writers Association and the Society of Authors. **Her last betrayal pam lecky** In November 2020 Pam signed with Avon Books UK/Harper Collins in a two book deal. **Her last betrayal book** The first book in the historical thriller series Her Secret War will be published in October 2021; the sequel in 2022: **Her last betrayal book** G Medallion; shortlisted for the Carousel Aware Prize 2016; and long listed for the Historical Novel Society 2016 Indie Award, **Her last betrayal pam lecky** Her short stories are available in an anthology entitled Past Imperfect which was published in April 2018. **Her last betrayal book** The sequel Footprints in the Sand set in Egypt was released in March 2020, **Her last betrayal pam lecky** She is currently working on the third book in the series The Art of Deception which will be published in late 2021: **Her last betrayal book** {site\_link} "Ireland might still be neutral but Sarah Gillespie was not, **Her last betrayal pam lecky** "Author Pam Lecky's unique lens with which to view WW2 allows her historical fiction to stand above many others in the same genre. **Her last betrayal book** When we think of wartime fiction Ireland and the IRA rarely if at all enter our thoughts, **Her last betrayal book** The sequel to Her Secret War this narrative continues with Sarah Gillespie's story. **Her last betrayal book** Her dangerous missions created tense moments as one of the team is revealed to be a German mole. **Her last betrayal pam lecky** Although I didn't care for the girly sections with her cousin Judith and friend Gladys I did note that they were important in Sarah's character arc, **Her last betrayal book** I loved following the development of Tony and Sarah's relationship; finally an author who shows us that not all relationships are love at first sight. **Her last betrayal book** Full of suspense betrayal secrets and danger this sequel has a wider scope than the previous one. **Her last betrayal book** I don't think Lecky has completely mined this untapped part of wartime history and I suspect we'll see more of Sarah and or Ireland's role in wartime history, **Her last betrayal book** I sure hope so as she has created a niche for herself with a unique setting and descriptive tension-filled prose, **Her last betrayal book** I'm sure I'm not the only one who believes this author could write great mysteries or thrillers: **Her last betrayal book** I was gifted this advance copy by Pam Lecky Avon Books UK and NetGalley and was under no obligation to provide a review. **Her last betrayal book** 0008464871 The Mission Exciting and suspenseful this story is a fast paced page turner: **Her last betrayal book** Even when you don't know if you can trust your partner on a mission. **Her last betrayal pam lecky** who can you trust? Once again we join the Irish girl from the tracing factory Sarah Gillespie on another dangerous mission for the British secret service. **Her last betrayal pam lecky** She is sent to Wales paired with an obnoxious American Lt: **Her last betrayal book** Dodging bullets following spies and working undercover she brings a lively and spirited presence to the story. **Her last betrayal book** Thanks to Pam Lecky for writing an enjoyable story to Avon books U. **Her last betrayal pam lecky** for

publishing it and to NetGalley for making it available to me, **Her last betrayal book** 0008464871 After losing her family to a Nazi bomb attack back home in Ireland Sarah Gillespie joins the British Secret Service to bring them justice. **Her last betrayal pam lecky** Partnered with American undercover agent Tony Anderson Sarah embarks on a dangerous mission that takes her from war-torn London into the black mountains of Wales, **Her last betrayal book** Sarah is trying to come to terms with the disappearance/presumed death of her boyfriend, **Her last betrayal pam lecky** She is partnered with an American Intelligence Officer Lieutenant Tony Anderson: **Her last betrayal book** I liked that we were learning about the Irish perspective during WWII, **Her last betrayal book** The pace is steady throughout with elements of danger secrets suspense and betrayal. **Her last betrayal book** I did enjoy this book a little more than I did the previous book in the series Her Secret War even though they were both good books to read: **Her last betrayal pam lecky** Do yourself a favour if you haven't already read the books in the order they are written in: **Her last betrayal book** I would like to thank #NetGalley #AvonBooksUK and the author #PamLecky for my ARC of #HerLastBetrayal in exchange for an honest review, **Her last betrayal book** She's paired with Lieutenant Tony Anderson an American spy and together they undertake a hazardous assignment that covers embattled London and the Welsh mountains. **Her last betrayal book** Only Sarah finds herself deeply suspicious even of Tony with whom she begins to feel something more than collegiality. **Her last betrayal book** What I especially love about this series is the Irish vantage point of the war nearly unique in the genre and so beautifully handled: **Her last betrayal book** The character development is strong and true and I found the action-packed narrative held my attention: **Her last betrayal book** I wanted to know if Sarah and Tony would identify her father as an enemy what the impact would be if he were caught and if Tony could indeed be trusted, **Her last betrayal book** Soooooo look forward to another episode in this absorbing series! Thanks to Pam Lecky Avon Books UK Avon and NetGalley for the digital ARC. **Her last betrayal book** Ireland might still be neutral but Sarah Gillespie was not: **Her last betrayal book** This book was so so sooooo much better than the first one and I've read it in less than a day: **Her last betrayal book** It was a total page turner and I've enjoyed it immensely really looking forward to any other future installments from this series: **Her last betrayal book** It's not only a book about espionage during the WW2 but also about dealing with losses understanding love and finding friendship and comfort even when everything seems hopeless, **Her last betrayal book** Life would be easier if the baddies wore badges wouldn't it? I liked a lot Sarah's relationship with Gladys and Judith, **Her last betrayal book** Something that definitely heated thing up a bit was the new character: Tony Anderson, **Her last betrayal pam lecky** Completely opposed to working together despising each other and exchanging taunts constantly they were not really an enemies to lovers trope came alive but close enough, **Her last betrayal book** It was beautifully written the way their relationship evolved from deep mistrust and competitiveness to admiration respect and maybe the tiny blooms of love. **Her last betrayal pam lecky** Their story is definitely not over and I'm wondering if the author meant to leave us with an open ending or if more books will follow: **Her last betrayal book** "Are you always this philosophical when you drink brandy?" she asked when what she really wanted to ask was had he found any happiness with her, **Her last betrayal pam lecky** She really did evolve a lot the war giving her tougher skin and sharpening her instincts and wits: **Her last betrayal book** She may have lost her innocence but even after everything she went through she still kept a way of believing in goodness even when learning to look at everything with caution: **Her last betrayal book** At this rate working for MI5 was going to destroy her fate in human nature: **Her last betrayal pam lecky** Something I didn't like was the death of a certain character who will not be named. **Her last betrayal book** It was an important enough character in the first book to make this sudden death feel rather pointless and cruel meant just as another blow at Sarah, **Her last betrayal book** But it also gave me the impression the author wasn't sure what to do with the character that it had outlived its usefulness and death was the quickest option, **Her last betrayal pam lecky** Just my personal feelings on this matter but I'm still hoping for a plot twists in future books where I'm proven wrong about this. **Her last betrayal book** ' It's a great quick read with emotions and strong

character spying plot twists and betrayal at the very center of things: **Her last betrayal book**

Partnered with an American undercover agent Lieutenant Tony Anderson Sarah embarks on a dangerous mission that takes her from war-torn London into the black mountains of Wales. This book had an extremely slow start. Sarah has grown nicely and is well defined. Oh, maybe the Lieutenant has won Sarah's heart?. Well-said well-done. An American she doesn't trust. Somehow Sarah's presence comes to her father's notice. There are moles in the Wales office and in Whitehall. With Anderson I could understand. A Harper 360 ARC via NetGalley. Special thanks to NetGalley and the publisher for this copy. Sarah smiled sadly welcoming back the old bedfellow: revenge. It was all that was keeping her going. It was funny and light with girlish scenes and talks. 'I even contemplated burning some of your awful dresses.' 'You would be doing me a favour.' 'I aim to please' Gladys said with a bow. 'We have to grab happiness when we find it. The best part of the book however was Sarah herself. Trusting anyone was proving to be a fool's game. 'So what kind of day have you two had?' Judith laughed. 'Dull as dishwater!' 'Boring as hell!' Sarah joined in. 'You two have been up to mischief I can just feel it. Very enjoyable and definitely worth a chance.
