But some misunderstandings seem to stand in their way. Gotta find out what happens next. The author has written some other books too. It is filled with emotion. A Vet working in a small town. I do wish that Janie stuck to her vow though. A bequest from her grandmother helps her in her dreams. Then Paul Henson a veterinarian moves in next door. Janine with her passion for animals is well brought out. Meets A young guy who replaces her dad as Vet. Ending leaves you hanging what is happening. Could it be another woman?.[goodreads.com/book/show/5](https://www.goodreads.com/book/show/5).I'm certainly looking forward to reading more by this author. A Vet working in a small town
