

It Just Had To Be You (Second Chances, #1) By Jacqueline Francis **It Just Had To Be youcut** They get close and Scott says he has no self-control but if he fucks her she will tell him he's using her and Cat is hurt that her own words are thrown back at her. **It had to be you lyrics** Scott and Catalina's mom - let me say something if there is ever the time when my year long high school bully comes to my home and my mom cooks him dinner and talks nicely to him after he made my life a living hell i'd be so livid with her. **It Just Had To Be youcef** but.

It Just Had To Be youcef

Who stopped acting as a racist scumbag upon request as a favor for his bro: MAJOR EYE ROLL) and the new found Latinx family for Scott was SO cliché it elicited so many eye rolls from me my eyes hurt. **It had to be you lyrics** The slow burn romance between Cat and Scott was endearing and sweeeet—again if you can forget how strongly the hero was portrayed at the beginning— though I didn't feel like he redeemed himself much. **It Just Had To Be youfoodz** Guide to read this series:Book 1: It just had to be you - Can be read as a standalone or with book 4Book 2: My Debacle with De Lorenzo - Must be read with Book 3. **It Just Had To Be youfoodz** You do not need to read Book 1 to read Book 2 and 3.

It Just Had To Be youdo

Trigger Warnings:Racism racial slurs bullying suicide of parent poverty death of loved one slut shaming cheating suicide ideation drug overdose hit by car PTSD sexual assault alcoholic underage drinking underage clubbing sex with minor (15 y/o with strip club escort) parental neglect and abandonment assaultThis is a bully romance recommended by Phu. **It had to be you music** Cat always calls him out for the things he said to her in the past and Scott says it's because in his brain he thought she didn't deserve to go to his school because her parents were immigrants but he regrets it all now. **It Just Had To Be youdao** Cat's mom tells Scott that calling someone a name for so long will make them believe they are what they are called he asks how to make Cat move on and trust him and she said to take baby steps. **It Just Had To Be youcef** Scott is tired of explaining himself and took the family picture he had of Cat and said he wanted that for his future Cat asked what if they break up and he said he wanted a happy family in the future and to call when she's ready. **It Just Had To Be youdj** Scott started out as the most dumbest bully racist asshole ever that threw out racial slurs like his life depended on it just because Catalina (h) is Mexican and poor and has the audacity to go to the same elitist school he goes to. **It Just Had To Be youchat** BUT Y'ALL THE CHARACTER DEVELOPMENT AND GROVEL? 10/10he goes from Loughlin Academy is supposed to be for the elites and yet somehow she and her whore of a sister managed to get in. **It Just Had To Be youfone** which isn't even the worse of what he thinks of Catalina and her family [to "Catalina!" It's the first time I've used her name and it does something so messed up to my brain. **It Just Had To Be youflirt** and finally to Karma is a bitch and she is probably laughing her ass off right now because the girl who I called worthless ended up being worth more to me than my entire inheritance. **It Just Had To Be youflirt** he basically is a product of his parents and his toxic environment it's not completely his fault he turned out the way he did [yes he did act really nasty but i love how he just become so obsessed with Catalina how he fell first and harder and basically gave up his life to be with her at the end. **It had to be you lyrics** do i hate it when the girl has to give up her life/changes her personality to be with the guy she likes? hell yes but i'm a hypocrite here because it was part of Scott's redemption arc and it was nice seeing it coming full circle. **It Just Had To Be youdaofanyi** there was a lot of push and pull with them that every time Scott would make a step forward in the right direction Catalina would remind him how he used to treat her and then Scott had to start from the beginning again. **It Just Had To Be youfit** You know I'm going to marry her one day right?"ConclusionScott and Catalina made me giggle with their cute high school romance and this gave me so much pain for the Hero and all the anguish Scott has to go

through and i ate it up. **It Just Had To Be youfone** □ Jacqueline Francis So here's the thing I don't do bully romance and the days I do let myself read NA are now a rarity (because juvenile BS) BUT this book came highly recommended by a trusted and equally nitpicking source. **It Just Had To Be youfone** Verdict? I did enjoy it I expected much more angst due to the premise : a racist bullies a latinx heroine with time she learns to forgive him and eventually falls for him as he miraculously does a one-eighty and relentlessly pursues a flirty friendship with her. **It Just Had To Be youdj** SUSPEND ALL YOUR DISBELIEF alright? This is a romance therefore you've got to go with the fantasy a racist would somehow irrevocably revert on his vile ideology and all of sudden see the wrong of his past actions because of one girl. **It Just Had To Be youcut book** Great banter between the love interests I loved how they would start their verbal bickering forget they weren't alone and give a show to the people around them as if in their own bubble. **It Just Had To Be youcef mahdi** Interesting supporting characters completed the picture I loved Catalina's mom but I regret the lack of depth given to some of them (Catalina's sister destructive behavior Scott's best friend Peter he would still sometimes appear the entitled rich kid he was minus the racist slurs. **It Just Had To Be youcubed** This book is so freaking satisfying and definitely worth pushing through all the heartache in the beginning! Trigger warnings Suicide before book began bullying racism racist slursHEA?Yes Jacqueline Francis Catalina lives with her mother and sister in a modest neighbourhood. **It Just Had To Be youchat** When Scott oversteps just one too many times actually saying he 'overstepped' is an understatement he crosses a boundary in such an awful way that leaves Catalina absolutely heart broken. **It had to be you music** A lot of issues that face a lot of people in particular our younger most vulnerable ones are covered in this story and I thought the author did a fantastic job at bringing them into the light. **It Just Had To Be youfit** #slowburn #highschool drama Dear Reader Although this is definitely not a 'dark romance' please take note that this book contains many triggers that may be offensive such as suicide (before the book begins) and bullying. **It Just Had To Be youcef mahdi** Book 5: Peter and Lia - Will be published in April/ May 2023 **It Just Had To Be You** (Second Chances #1)I don't think I have adequate words to sum up how much I love this book so I'm just going to word vomit. **It Just Had To Be youcubed** #dnf Jacqueline Francis Currently being busy during the weekends so don't have much time for books in general but still this felt like ages to finish! It is a bully book and I just can't help myself - if the H is redeemed kinda sorta I just go for it! □In the beginning I wanted to kill the guy!! He's a major asshole racist spoiled brat etc. **It had to be you lyrics** and you either believe his change for better or you don't it's simple as that! Percentage-wise for me it was about 70% belief he was able to change still has my doubts and view the whole thing on the fairytale-like level. **It Just Had To Be youchat** Jacqueline Francis I think this author is a very talented writer and there were moments in this book where I really connected and felt for the characters especially towards the beginning. **It Just Had To Be youfone** Jacqueline Francis So at the beginning of the book I'm like how is this girl going to fall in love with her Bully□ it wasn't an ordinary Bully he was a racist! So right away I hated Scott. **It Just Had To Be youdao** "And boy did he work for it!! He worked his ass off to gain her trust! It was at one point I'm like damn dude I would've given up but he didn't! "And I had to work for this love,

It Just Had To Be youdo

It Just Had To Be youfone

Scott openly talked to her and gave her a lighter necklace at school, **It had to be you lyrics** He asks her for her number but she says she still needs time to trust him more. **It Just Had To Be youcut** They're both soaked so he tells Cat to shower but she can't change with her cast. **It Just Had To Be youda** He offers to help her and they hold a towel up but there's so much tension. **It Just Had To Be youda** Scott offers to cook for Cat's mom since she will be tired from work, **It Just Had To Be youfu** Scott kisses Cat and they make out but Cat regrets it and thinks Scott will make fun of her, **It Just Had To Be youcut** What's so satisfying is seeing Cat close up every time Scott makes progress. **It Just Had To Be youcef mahdi** She asks if he's tryna find something exotic to get his dick into, **It Just Had To Be youdj** Scott doesn't even know how to defend himself and apologizes, **It Just Had To Be youfit gym** He tells her that he kissed Cat and has feelings for her but she doesn't believe him: **It Just Had To Be youfoodz** Cat's mom tells him that Cat knew her boyfriend was cheating but because someone called her worthless (also Scott).

Song it had to be you lyrics

And even forgot it was his birthday. **It had to be you lyrics** Scott is done ignoring Cat at school even though she wants that and he sits with her at the caf, **It Just Had To Be youcut** He just kept talking about how they should tutor the neighbour's kids together: **It Just Had To Be youfone** He wanted Cat to translate their Spanish so he can learn Spanish that way, **It Just Had To Be youfit gym** Peter is pissed they're sitting together and yells at Cat but Scott tells him to stop being disrespectful and he leaves, **It Just Had To Be youfit gym** Beth says everyone thinks Scott left her for Cat so she has to fix her reputation, **It had to be you lyrics** Scott tells Peter it's his fault he hates Cat because of the racist shit he spread and it isn't right. **It Just Had To Be youdao** Cat had a mini surprise party for Scott.

It Just Had To Be youdaofanyi

Especially cuz it's a breakup text rather than in person: **It had to be you music** Nasty Kyle saw Cat and asked if she wanted to get with him and Scott tells him to leave, **It Just Had To Be youcut** It's raining out so Scott offers Cat a ride and says he wants his hoodies back: **It Just Had To Be youfit gym** Cat gives him all his hoodies but she asks to keep the one she's wearing and Scott says no since it's the hoodie she wore when he said he loved her, **It Just Had To Be youcut** Cat starts crying and asks to be friends but Scott says no and Cat admits she misses him, **It Just Had To Be youfone** She tells him she fell down a porch but he doesn't believe her, **It Just Had To Be youcubed** Turns out Scott's mom found out about their relationship and attacked Cat. **It Just Had To Be youfone** Cat tried to call Scott so his mom scratched her.

It Just Had To Be youdecide

He just came back crawling: **It Just Had To Be youfit** yet it made me so soft how Catalina's mom gave Scott a chance to show her who he is without judging him only from Catalina's retelling, **It Just Had To Be youcam** Catalina's mom played a huge role in his development and made Scott realized that he can't judge people solely from what he hears about them, **It had to be you lyrics** Catalina's family was a bit of a safe haven for Scott and the first real place where he received love: **It Just Had To Be youcallmd** it kinda reminded me of Joey and Edel's relationship from the Boys of Tommen series. **It Just Had To Be youfu** It was pretty much him demanding the heroine that she forgives him because he said he had changed: **It Just Had To Be youfit** The reasons and explanations he later gives seemed a bit flimsy to me, **It had to be you lyrics** I didn't find his continuous presence

at Catalina's house served as enough atonement for his past actions. **Song it had to be you lyrics** Despite the author's portrayal of Scott newfound respectability.

It Just Had To Be youcut book

I did not want to tiptoe around this issue or sugarcoat the severity of it. **It Just Had To Be youcef mahdi** I wanted to highlight how damaging such slurs (or any kind of name-calling for that matter) can be to the person on the receiving end: **It Just Had To Be youcef mahdi** It also contains strong language and sexual content and is not recommended for readers under 18 years of age or sensitive readers: **It Just Had To Be youdecide** Book 3: My Infatuation with Isabella - Must be read with book 2: **It Just Had To Be youdecide** 80% of this book was grovelling the first 20% is the bullying and it was disgusting. **It had to be you lyrics** Scott is so racist entitled and a manchild I didn't know how the guy would win me over, **It Just Had To Be youfone** What made this book so satisfying was Catalina Cat never let any of the bullshit he did slide and had a backbone. **It Just Had To Be youfoodz** After saying something cruel to Cat Scott can't get Cat's wounded eyes outta his head, **It Just Had To Be youcef** He goes back to apologize and it ends with Cat at the hospital because of an accident. **It Just Had To Be youda** Scott has to go to Cat's place to help her with chores or he's off the football team: **It had to be you music** Now for spoilersCatalina's dad committed suicide after his family went into debt. **It Just Had To Be youfit gym** Cat is so bitter her sister Isabella is drinking and sneaking out with guys and her mom is working herself to the bone. **It Just Had To Be youchat** They can't afford food because they go to a rich kid's private school so she eats the free caf food: **It Just Had To Be youcef mahdi** Dylan is the nice guy that tries to stop the bullying when he's around: **It Just Had To Be youdj** Cat doesn't stand up for herself since Scott is rich and has a lot of influence in the school thanks to his parents, **It Just Had To Be youdj** They get free lunch and she eats while Scott makes out with his girlfriend Bethany but he's watching Cat. **It Just Had To Be youfu** Peter Scott's friend throws Cat's plate on the ground so she leaves it's devastating. **It Just Had To Be youcut** Dylan goes to a diner Peter and Scott go as well and Cat works there, **It had to be you lyrics** Peter keeps suggesting Cat has a go with him and Scott tells him they shouldn't touch her cuz she's filth, **It Just Had To Be youdo** When Cat put their orders on the table Scott knocked the coke down. **It Just Had To Be youda** Cat had to clean it on the ground and he said she belonged there: **It Just Had To Be youfit gym** Scott said she was ugly and no one wanted her and even her dad killed himself to get away it was such a fucked up thing to say, **It Just Had To Be youdj** Cat for the first time asked Scott to stop Scott feels guilty and leaves, **It Just Had To Be youcam** Scott couldn't stop thinking about Cat's hurt expression so he goes back to the diner. **It Just Had To Be youcallmd** Cat calls him an asshole and he's not entitled to her forgiveness. **Song it had to be you lyrics** Scott asks if he wants her to write it in the sky while holding her wrist she pushes to get away and gets hit by a car. **It Just Had To Be youcef** Cat lost her job and has a cast and a lot of medical bills: **It Just Had To Be youcut book** Scott's mom threatened to take funding away and the principal let her since there are a lot of rich kids at their school, **It Just Had To Be youcubed** Scott has to go over to Cat's place and help her clean her house and help with homework. **It Just Had To Be youda** For the first three days he drove to Cat's place but didn't go in: **It Just Had To Be youfit** When he sees her struggling with a laundry basket he finally helps, **It Just Had To Be youfu** Cat shows him how to do the chores since he's a spoiled brat: **It Just Had To Be youcallmd** Cat has been bullied by Scott and his friends for three years, **It Just Had To Be youcubed** Scott says it was hard for him to wait for over an hour for her to come out of the shop so he can apologize. **It had to be you music** Cat apologizes and quotes part of his apology asking if he wanted her to write it in the sky. **It Just Had To Be youchat** Cat is having a hard time with math so Scott teaches her he's actually smart, **It Just Had To Be youdj** Cat says she's waiting for him to use all her weaknesses against her, **It Just Had To Be youdj** He tells her he won't hurt her and that he was raised in a racist household but Cat said it isn't an excuse: **It Just**

parents think they're still together. **It Just Had To Be youflirt** Scott says his relationship with Cat means more to him and Beth says it changes nothing since they will marry in the future. **It Just Had To Be youchat** She said they both want money in the future and if they ruin this deal they won't have it and Cat hears the whole thing. **It Just Had To Be youda** Scott's mom even made a clause to his trust fund that he can only get access to it if he marries Beth specifically. **It Just Had To Be youda** Cat shuts him out and walks away and Scott admits his parents didn't know they were together and she slaps him: **It Just Had To Be youfit** Scott tells Cat that his parents will never accept her and he's willing to lose everything for her: **It had to be you music** How he didn't choose to love her but it happened and he earned every smile every step into their relationship. **It had to be you music** He was upset when Cat said he thinks of her as a play toy and he says he loves her: **It Just Had To Be youfit** Cat can't get over the fact that his parents won't accept her, **It Just Had To Be youcubed** Cat sends Scott a message saying he's a spoiled rich kid looking for an escape and she wants someone from her same background. **It had to be you lyrics** Scott responds right away and is clearly upset what a fucking witch then she pushed Cat down the stairs fuck her: **It Just Had To Be youfit gym** His mom doesn't regret her actions and tells Scott he can see her discreetly like she's some sex toy, **It Just Had To Be youcut** They say that their contract with Beth will be ruined and Scott says he doesn't care so his mom says if he doesn't agree to stop seeing Cat he's on his own. **It Just Had To Be youda** Scott was smart enough to contact his finance advisor once he kissed Cat to figure out how to invest the money he already has, **It Just Had To Be youfoodz** Scott tells Cat he knows his mom pushed her down the stairs the next day at school. **It Just Had To Be youcubed** The way Scott was charming Cat by telling her he's living on her love and lost everything

while teasing was so cute, **It Just Had To Be youdo** Scott takes pictures of them and puts them on his social media, **It Just Had To Be youdo** Cat secretly goes to Scott's place and they're graduating months later. **It Just Had To Be youcef** His dad comes to his graduation and he offers the job of CEO at his company still but Scott refuses since Cat wouldn't fit into the life he's tryna push him to: **It Just Had To Be youdaofanyi** His mom didn't bother coming and his dad said this isn't the life he wanted for his son, **It Just Had To Be youcef** Scott proposed to Cat and knew she would say it was too soon, **It Just Had To Be youcam** He asked if he needed to write it in the sky like their first convo and he does exactly that, **It Just Had To Be youcubed** He asks her again and she says yes and everyone is celebrating it was adorable: **It Just Had To Be youdecide** Scott Carter my favorite ignorant racist boi<3 yes you've read that right. **It Just Had To Be youfit gym** She is the shit stain on what otherwise would be a perfect institution, **It Just Had To Be youdj** She and her whole goddamn family should go back to wherever the hell they came from, **It Just Had To Be youfoodz** It's like the first time I'm acknowledging her as a person. **It Just Had To Be youfit gym** The girl who I called weak gave me the strength to leave it all behind, **It Just Had To Be youfone** The girl who I called nothing now means everything to me, **It Just Had To Be youchat** ♀♂♂♂♀ Scott - if i'm being honest i never hated him even when he was horrible at the beginning because i just felt so much pity for him. **It Just Had To Be youcef mahdi** Catalina - she was more shy and reserved in school and didn't do much against the bullying but she is so sassy in private: **It Just Had To Be youfone** loved that she had a backbone and took her long ass time forgiving Scott for his nasty behavior, **It Just Had To Be youdj** she kept throwing back each of his insults back to him that Scott didn't had any chance but eat his words and apologize again and again: **It Just Had To Be youfit** "You're such a nerd" I say more to lighten the mood than to insult him, **It Just Had To Be youdj** "But that is exactly the reason why I think you'd make a great teacher. **It Just Had To Be youcallmd** "Yeah but then I'd be poor and who wants that?" "You make a strong argument: **It Just Had To Be youdo** "Romance - their development from enemies to reluctant friends to eventually more than friends was so organic: **It Just Had To Be youflirt** but in this case i didn't feel annoyed because i can understand the hesitancy from Catalina's side so well and why she was afraid to be hurt again, **It Just Had To Be youcut book** Scott persistency was so hot like no matter how many times he got rejected man oh man the way I feel about your daughter: **It Just Had To Be youfit** glad i can gatekeep this book since this book will never be commercial or popular with the masses. **It Just Had To Be youcef mahdi** if only some people see that it's about a racist Hero they would instantly cancel the author and label her problematic, **It Just Had To Be youfone** This was actually a super cute read IF you can believe in the hero's swift turnaround: **It Just Had To Be youchat** I sound very nitpicky but that's second nature I TRULY did really enjoy this great writing and a pageturner: **It Just Had To Be youdaofanyi** The ending was a corny cheese fest I wasn't prepared for this? I wish the author would have given more time for Scott to transition from racist to decent human: **It Just Had To Be youcef** It was just difficult to go from awful to perfect behavior. **It Just Had To Be youdao** More reviews and book talk at : You can find me here too ☐ Jacqueline Francis WOW, **It Just Had To Be youfoodz** He's not only a rich entitled a\$\$hole who has literally bullied the heroine for YEARS but he's a racist, **It Just Had To Be youdj** How can he be redeemed? The heroine Catalina comes from a poor household her father recently died and she's at rock bottom both emotionally and financially. **It Just Had To Be youfu** The way that the author writes Scott is so realistic and his redemption is so gradual: **It Just Had To Be youcef** But the way he starts to gradually unpack who he is where his racism comes from and who he wants to be is just so raw and powerful, **It Just Had To Be youfone** The best part of the book is that Catalina does not forgive him the first (or even tenth) time he gives a hollow apology. **It Just Had To Be youchat** The book spans months as he tries to make up for his wrongs and figure out who he wants to be as a person. **It Just Had To Be youcallmd** I don't understand how the author took this wretched character and actually made me fall for him. **It Just Had To Be youcallmd** Everyone pitches in to make ends meet and help to keep the household ticking over. **It Just Had To Be youfoodz** Both Cat and her sister Isa have part-time jobs to help pay the weekly bills as her mothers wages don't quite stretch

that far: **It Just Had To Be youdecide** They share the household chores between and somehow manage to fit in their homework too, **It Just Had To Be youcut** After tragically losing their father recently things have gotten really bad for them all. **It Just Had To Be youda** The girls go to a sought after school that kids mostly from a higher socio economic demographic go to and Cat always feels like she doesn't belong there. **It Just Had To Be youcallmd** Most of these feelings come from the fact that every day she is tormented by people called names has her lunch tray flipped over is spat on and ridiculed for being Latina: **It Just Had To Be youcallmd** The main ring leader is Scott Carter a rich spoiled over indulged guy who is in most of her classes. **It Just Had To Be youcef mahdi** He loves to remind Cat of her pedigree multiple times a day: **It Just Had To Be youfoodz** So much so that he finds himself instantly remorseful and leads to a chain of events that will forever change him, **It Just Had To Be youfone** Finding himself at Cat's family home is very confronting and knocks him right down off his self built pedestal, **It Just Had To Be youcut book** When Scott removes all the judgements and prejudice he has about Cat he realises that she has a life he is envious of. **Song it had to be you lyrics** She has a loving family a house that feels like a home and a neighbourhood he has never felt more comfortable in: **It Just Had To Be youfit** He can also see how much they have struggled since losing her dad so he immediately sets out to make things a bit better for them the only way he knows how: **It Just Had To Be youcallmd** After being ridiculed daily Cat is very skeptical of Scott's presence in her life and his sudden change of heart, **It Just Had To Be youflirt** How can a guy that spewed so much hatred on her for so long now be so kind to her. **It Just Had To Be youfoodz** Is he trying to prank her? Is this some kind of dare? She will go along with it for now as he hasn't shown any signs of not being sincere. **It Just Had To Be youda** Cat begins to see that what she assumed about Scott's life was nothing like she imagined: **It Just Had To Be youflirt** Sure he has anything that money can buy and never goes without but what he doesn't have is the loving family home she does, **It had to be you lyrics** He was raised by a nanny his mother cheats on his dad and they have already chosen the career he will have and who he will eventually marry: **It had to be you music** The more time Scott spends with Cat the clearer he sees what he wants his future to be like and who he wants to spend it with, **It had to be you lyrics** It seems that Scott has finally found what he didn't realise he had been looking for love and unconditional acceptance. **It Just Had To Be youchat** This was a really addictive read for me once I got hooked in I was invested: **It had to be you lyrics** Jacqueline Francis A High School Bully Romance - enemies to lovers Scott Carter is a bully: **It Just Had To Be youfit gym** Scott Carter is the most arrogant douche I have ever met. **It Just Had To Be youda** This man-whore charms the pants off all the girls but not me - the Latina from the wrong side of town - I see none of that charm: **It Just Had To Be youfone** He has made my life a living hell tormenting me for years with no reprieve: **It Just Had To Be youdaofanyi** Just when I'm at breaking point Scott Carter steps in and makes everything ten times worse. **It Just Had To Be youfoodz** And now after he's messed up everything that's when he decides that maybe we should try to be friends, **It Just Had To Be youcut book** I want nothing from Scott Carter...but it's starting to look like he wants something from me. **It Just Had To Be youda** If you're looking for haters-to-lovers romance with a sexy cocky hero and a sassy quick-witted heroine this one is just for you: **It Just Had To Be youdecide** As a woman of color myself I fully understand how hurtful these words can be. **It Just Had To Be youcam** Book 4: It Should've Been Me (Cat and Scott part 2) - Must be read with book 1 You do not need to read Book 2 and 3 to read book 4 but it is recommended, **It had to be you lyrics** It just had to be you hit me with all of the feels: **It Just Had To Be youdecide** I cried I laughed the characters were so real and relatable. **It Just Had To Be youda** The story flowed easily the characters actually had me laughing out loud at time: **It Just Had To Be youflirt** I'd love to hear more from every character in this book: **It Just Had To Be youdaofanyi** The h is made out to be this poor girl with no looks background or friends: **It Just Had To Be youdaofanyi** She wears ugly loose sweats to school and she has no body to speak of (flat chested) when H is always with curvy girls: **It Just Had To Be youfone** Her dad passed away so she's made out to be this super sad timid and depressed bullied girl. **It Just Had To Be youfone** Authors a talented writer but she doesn't seem to

understand attraction and this book was just depressing, **It had to be you lyrics** Most of the book has Scott (the H) grovelling redeeming himself and basically changing to be the good guy, **It Just Had To Be youcut** He's succeeding although the stuff he did in the beginning makes you question the whole sudden change of his: **It Just Had To Be youfu** I liked that the author didn't go for the typical - I've always loved you but couldn't have you so I started bullying you: **It Just Had To Be youcef mahdi** What I definitely didn't like was the obvious too much drama. **It Just Had To Be youchat** If Catalina (h) was bullied this bad and their father left the family with nothing but debts the normal reaction would be to switch schools, **It Just Had To Be youfone** Instead of going to this prestigious place it would make sense to go to public school especially because Cat has no plans of continuing to college anyway. **It Just Had To Be youflirt** There are many details which probably works for the author and supports the plot but doesn't make too much sense as a whole. **It Just Had To Be youda** Not sure yet if I'm going to read other books in this series, **It Just Had To Be youdj** Mature YA is one of my favorite genres and I think the author has a lot of potential moving forward. **Song it had to be you lyrics** It felt way too preachy and didactic to me at the expense of believability and enjoyment: **It Just Had To Be youdaofanyi** At certain moments the characters were way too introspective as if a flip was switched and all the sudden they had all these realizations about why they acted in certain ways, **It Just Had To Be youfu** At other moments the characters were entirely too dense as if the author wrote them that way solely to serve as teachable moments: **It Just Had To Be youdaofanyi** The characters' behaviors just didn't seem believable at all but rather contrived to further the book's message. **It Just Had To Be youcef mahdi** The book honestly became really boring to me especially with the psychologist/counselor added to further preach and dissect the characters' (what felt like manufactured) feelings, **It Just Had To Be youcut** Also blatant obvious racism like the hero and his friends displayed is very dated and unrealistic in a very liberal area like Pasadena California, **It Just Had To Be youflirt** Racism is definitely still present in these areas but its more subtle than white kids hurling racial slurs at PoC in schools: **It Just Had To Be youdao** He would (and should) have been expelled for all the shit he put the heroine through in todays age: **It Just Had To Be youfit** And then the whole school is chill with it? Like the heroine sat alone at lunch and had no friends because of all the racially motivated hatred: **It Just Had To Be youcubed** So yeah it was just super hard for me to believe that the hero given his upbringing and geography would so recently realize racism was bad and stupid. **It Just Had To Be youdao** I think we can grow in our discussions about racism and how it's taken on different forms in modern society rather than using the same sorts of examples from the 60s. **It Just Had To Be youfoodz** OMG I wanted to lay hands on him! Poor Cat! This book sucked me in though! I needed to know how these 2 were going to get together, **It Just Had To Be youdj** And when they eventually did IT WAS BEAUTIFUL! OMG I swooned! I loved how Cat didn't forgive or trust Scott right away, **It Just Had To Be youfoodz** I loved how she made him work for it! "Your apology does not entitle you to my forgiveness: **It Just Had To Be youcef** You can throw your toys and beat your chest demand it all you want and I still won't give it to you because you don't deserve it, **It Just Had To Be youdo** I worked to get your goddamn phone number! I worked for every smile for every ounce of trust, **It Just Had To Be youdj** And you must be out of your fucking mind if you think I'm going give that up for my parents or Beth: **It Just Had To Be youfit** "This was a slow burn romance I loved every bit of it! Jacqueline Francis

. He felt so insulted when she said they weren't friends. Scott finds out Cat sculpts and helps her sell. Cat opens up about sculpting and her dad. She cries in Scott's lap and he holds her. It's raining out Scott gives Cat a ride. He goes to Cat's mom's workplace. He doesn't talk to her for 2 weeks. It's the first time he talks to her since the fight. He holds her wrist and realizes she's bruised. those types of relationship always make me soft. □ "Mrs. D.I want you to know that you're my first love. Nothing will ever change that. I went in for the grovel and BOY DID IT DELIVER.Scott has been bullying Cat for the past three years. After her dad died she couldn't take it anymore. Cat can't stand Scott and isn't willing to forgive him. Cat is bullied by Scott who calls her Cat the Rat. Scott is racist because she is Mexican. He struggles to apologize and tells her to forgive him. The principal called Scott out for harassing Cat. The coach said Scott is suspended from the team. And how her rejection was a slap in the face. So Cat slaps him to show him what a slap is lmao. He makes her a sandwich and asks her to talk to him. Isa and her mom go off at Scott when they walk in. Their mom cooks them a meal and invites Scott to eat. When he's over at her place she ignores him. At lunch Cat gets attacked by Peter. He throws the fucking soup at her face. Cat has a black eye and a bruise on her nose. He says he can't get her out of his mind. He loves Cat's mom and her checking up on them. They're both into true crime and bond over serial killers. Cat fell down the porch steps and is in the hospital. Scott yells at his mom for hurting Cat. Scott stays over at Peter's place. Scott says he gave everything up for Cat. Cat ran after him but he was waiting by the door. This book was too cute I'm glad I read it.Stay safe folks! Jacqueline Francis - 4.25 starswell this was weirdly refreshing. so be WARNED if racial slurs trigger you. Not a rat or a riffraff or a beaner just a person.like me. his brain is so hollow with hot air. she made him work for it. queen behavior." He smiles.I can't even begin to describe it.I know SUSPEND ALL DISBELIEF I said.CW for racial slurs bullying depression parent death suicide. THIS BOOK. This might be one of my top books of the year? Omg. I started off HATING the love interest Scott. She's tough yet sweet. I adored her from the start. His point of view scenes at first are just sickening. Like. what? How the...? By the end he becomes a perfect human. She is waiting for the other shoe to drop. Everything in their life revolves around money. I especially loved the bond he formed with Cat's mum. A thought provoking and inspiring story. Scott Carter is a racist. I get the worst of him. My whole life is turned upside down in an instant. He wants to reconcile and put the past behind us. Ugh! No! He can go to hell. In particular there are some racial slurs. I am no stranger to them either. However but it is recommended. But the emotion in this story packed a punch. Jacqueline Francis Slow burn. The H is with super hot ow constantly. No chemistry between the MCs. The H is a gorgeous popular QB and he's rich.No idea why the H was attracted to her. However there are subtle hints of that as well. The writing isn't totally bad though. 3.75 stars being very generous.However I didn't love this book. Like what? At that point.there really aren't excuses. It's mine. I control it. I decide when I give it and when I don't. I worked to tear your walls down brick by brick. I worked to get you to open up to me. I earned the right to call you my girlfriend.or something as meaningless as money. No Catalina. I'm not giving you up for anything
