

Every Witch Way but Ghouls (Magical Misfits Mysteries, #1) By K.E. O'Connor Can we figure out what the bad guys are up to before it's too late? 294 A new town for Zandra! felt like I had walked into a movie that I had missed the first 15 minutes of for the first part of the book. I should have devoured this book a half-dragon with an attitude and a headless corpse aren't the best things to start the day with! But that's what we encounter in our first week working for animal control in Crimson Cove.) How will a plucky witch and a strikingly beautiful white cat (that's me) beat the gang find the killer and locate Zandra's mother? Care to find out and help me solve a murder while I share a secret or two with you? Then welcome. O'Connor is the author of the Witch Haven mystery series the Crypt Witch cozy mysteries the Lorna Shadow ghost mysteries the Holly Holmes baking mysteries the Zee Town paranormal cozy series and the Old Sarum mystery series along with other titles available if you cast the right spell. She graduated from the Universities of Southampton and Reading where she received degrees in Archaeology and Cognitive Evolution (both highly entertaining to take part in but with the career options of a ground witch's toe bone. com for enlightening knowledge on all things cozy mystery book news and a peek into the magical world of a writer who believes animals talk and magic is just a finger click away, Hoping to continue on the series! 294 entertaining paranormal cozy mystery series This is an entertaining new paranormal cozy mystery series. Zandra the Health Sister the Crip witches is Rudolph to town where her mother lived and has gotten a new job as a magic creature warden, Along with her for mayor she goes out and hunts down magical creatures that are causing issues. There is more to the story but you will have to read on to find out: It sent in the same world as the crypt which family in their story it is just a town a little ways away from where her half sisters live, It's about her and her familiar and their new adventure in life, Witches and familiars along with angels makes for a hard to put down book Feels like you are right there in the !middle of all the action, Saving a small town from a gang and solving a !murder while looking for a missing mother puts this book a must read, Decent enough book well written just not quite to my taste: I'm definitely going to be reading the next book in this series: 294 Great start! I'm loving this new series! What a wonderful start! I really like that Zandra's job isn't in a bakery or flower shop, Working with animal control to rescue magical animals and familiars is awesome, It's a bit strange to read the book from the familiar's point of view but even Juno isn't a typical familiar, 294 I read this story even tho I'm not into ghouls and violence, I like the talking animals and the story Of a good witch. 294

A little slow to start but got Interesting A witch and her cat familiar have a mystery to solve, If you like quirky mysteries and witches you'll enjoy this book: One mystery leads to another a dead body found and a familiar who lost their human, Got to be careful who you trust both people and familiars. It tuned into a pretty good story but really wasn't my kind of book: I have the next one and I hope now that I have the background it will be a better read: 294 New author to me you know what that means! New backlist to explore! :) This was ok I agree with another review I read. The first chapter felt like it should have been like Chapter 3 or 4: It opened and assumed that the reader knew what was going on all ready, I had to check I had book number 1! After some research I saw that this was

a spin off series, We'd only come here to find a missing person but got more than we bargained for. As an enchanted cat few things phase me but even I wince when my wonderful witch Zandra Crypt finds a body missing its head. When the angels are stumped over who killed Osorin Greenbow we poke around, It doesn't take long before we find a worrying connection to the body a dangerous gang of magical criminals and what happened to Zandra's mother (she's the missing person. The price of entry into this magical witch mystery is one head tickle and some finest fishy treats for me: She can imagine dragons taste cookies when they aren't even there and hear the crack of a witch's broom at a hundred paces: (the K stands for Karen) lives in the United Kingdom (it isn't very united but that's a mystery for another time) among the mystical stones and fairy creatures of Somerset.
