

Monsters in Love, Vol. 2: Lost in the Dark By Evangeline Priest 2: Lost in the Dark Found some new favorites in the darkness My top story picks for this anthology in no particular order: "Sins and Sirens" Clio Evans "Hold My Heart" Dee St. **Monsters in Love, Vol. 2 bookkeeping** I especially recommend this anthology for those who want to explore stories with demons while getting that usual bang for their buck and discovering new authors when it comes to buying up anthologies. **Monsters in Love, Vol. 2 kindle direct** But her eyes look over Karis' shoulder and she tells her to RUN! But it is too late and she is grabbed by something she can't see and everything around her goes dark. **Monsters in Love, Vol. 2 book** Will she survive in this new world she finds herself in? Will she have any help from Bronn who runs that hub of the Nexus? When Adalyn had tried to call Bronn before she disappeared.

Read: ● Sins and Sirens by Clio Evans (3/5) ● Camping Trip by Cassie Alexander (5/5) ● the Night Visitor by S. **Monsters in Love, Vol. 2 books** 2: Lost in the Dark You Can't Get There From Here by C Rochelle This is a great bite-sized monster treat! I was pulled into a world that I cannot wait to see more of! How could I not love a story where one of our very own monster smut reading heaux gets a real life monster of her own! C Rochelle also managed to work some great humor into the story along with a delicious amount of spice. **Monsters in Love, Vol. 2m maroc** \* Touching the Void by Evangeline Priest - 5 stars \* Mahal has worked hard her entire life to claw her way up the corporate ladder but lately her dreams have turned into nightmares she has had trouble sleeping and so she visits the Somni Institute under the guise of a business deal. **Monsters in Love, Vol. 2 ebook reader** Matt rescues Delphin and in return he isn't eaten he is mated and swept away to this underwater world where the merfolk want to eat him and Delphin and Delphin's other mate Aegaeon want to devour him in a different way. **Monsters in Love, Vol. 2zr** Surely it was intended since the author goes as far as to mention the color of the lord's beard as being blue though there isn't anywhere that specifically mentions the original story. **PDF Monsters in Love, Vol. 2007** \* The Dalwick Demon by Ashley Bennett - 5 stars \* A new author in this volume that was not in the last and she did not disappoint! I love when I am able to find someone new to read. **Book Monsters in Love, Vol. 2010** I wasn't a fan of this author's story in the last anthology but I am a firm believer in three chances before I completely say I don't like an author (with exceptions obviously there is never a black and white). **Monsters in Love, Vol. 2m maroc** So camping Michael makes her unload the truck on her own then goes off into the woods with whatsherfacedon'tevencare and come back girl is wiping her mouth and her hair is messy and doesn't even think something is up. **Monsters in Love, Vol. 2nd book** \* Protecting Keziah by Nova Blake - 4 stars \* Connected to Nova Blake's story in the last anthology this story focuses on Keziah a domestic abuse survivor just trying to break free fully from her ex. **Monsters in Love, Vol. 2nd hand** 2: Lost in the Dark Creeping in shadows haunting nightmares lurking beneath the bed... monsters prowl under the cover of night waiting until just the right moment to claim and seduce their mates. **Book Monsters in Love, Vol. 2014** Nascosta - The Filled Vessel YD La Mar - Lead Me Through the Fire Kathryn Ann Kingsley Ashley Bennett - The Dalwick Demon Vera Valentine - Plucked **Monsters in Love** it doesn't not make sense. **Book Monsters in Love, Vol. 2013** Does that mean I don't like demon stories? Hardly! I did find it interesting I was most excited by "darkness" interpretations like "Hold my Heart" and "Sins and Sirens" which focused on dark environments and characters in the moral as much as physical sense. **Monsters in Love, Vol. 2m maroc** Nascosta\*\*\* Reviewing "FINDING HER MINOTAUR: LOST IN THE LABYRINTH" By Evangeline Priest Karis de la Cruz foolishly transferred her money to her boyfriend Liam's cash app as she flew halfway across the country then took both a bus and a train

into New York to discover by text message that he decided to take a break from her and the apartment they would share with friends was off the table now. **Monsters in Love, Vol. 2yyy** Holm "The Filled Vessel" CM Nascosta "The Dalwick Demon" Ashley Bennett The timing of this anthology's publication has been ideal. **Monsters in Love, Vol. 2ok** The "darkness" theme is perfectly suited for the autumn-into-winter time of year as days shorten, **Monsters in Love, Vol. 2wd vs 4wd** I wasn't surprised by the amount of page time nighttime gets in this anthology: **Monsters in Love, Vol. 2yr treasury** I was surprised perhaps by the emphasis of demon and demon-like characters, **Monsters in Love, Vol. 2wd vs 4wd** In retrospect though.

This was an interesting one that I wish had had more depth, **Book Monsters in Love, Vol. 2021** Anna comes to be a bride to save her family from starvation and her new husband is more than human and also evil: **EBook Monsters in Love, Vol. 2014** The Dalwick Demon - Ashley Bennet - 4 stars! ## **Monsters in Love, Vol. 2x-4**

This ends on a HFN. **Book Monsters in Love, Vol. 2016** Points deducted because I probably wouldn't have read it if I'd known there was MM with the MFM. **Monsters in Love, Vol. 2x-4 10**

5 stars \*This story had such a long list of content warnings I wasn't sure what to expect but oh my goodness was it amazing: **EPub Monsters in Love, Vol. 2019** It dealt with death and grief in such interesting ways while also giving it a love story and a monstery interest. **Monsters in Love, Vol. 2x6** Cara just lost her sister the insurance won't pay out and she has been forced to get a job at the mortuary to pay for her sister's burial: **Book Monsters in Love, Vol. 2020** Jax is a grief demon who is under the control of the slimy owner. **Monsters in Love, Vol. 2max** With touches of BDSM and a lot of "good girl" I was completely enthralled it was done so well: **Monsters in Love, Vol. 2ps** There is talk of consent going too far and just enough elements to satisfy my need for it in this setting, **Monsters in Love, Vol. 2book** Typing this review after finishing the whole book this one was the top favorite, **Monsters in Love, Vol. 2x2** Nascosta - 5 stars \*After doing a ritual to gain clarity and open her third eye Tara actually summons a demon an incubus, **EBook Monsters in Love, Vol. 2014** Or at least that what it would have been if Corviss wasn't filling in while the incubus was on vacation. **Monsters in Love, Vol. 2x6** He dips into her mind to feed from her nightmares while also fulfilling his duty as a stand-in incubus: **Monsters in Love, Vol. 2zhl6** It was a sexy story I wouldn't call it a romance in traditional sense it has a sorta happy ending I guess. **Book Monsters in Love, Vol. 2014** Clearly I enjoyed it and I definitely enjoyed it more than her story in the first anthology: **Monsters in Love, Vol. 2book 2: Lost in the Dark Sins and Sirens** by Clio Evans4 □ - Nascosta (3/5 ) Monsters in Love Vol. Fun dirty short story audiobook available on YouTube. Monsters in Love Vol. She hopes they can help her find some peace. Suddenly things were happening and then they weren't. Just didn't bother me enough to knock it down. I enjoy this world/universe ready for more. But the spice was very good like very good. A life full of abuse at the hands of her ex-boyfriend. Now she owns a bakery and is just a badass. He respects her and comes to her rescue. It was also very sweet and super sexy.\* Hold my Heart by Dee St.Iris is a whore literally. I loved this story it is so sweet and so perfect. The pet names are to die for so much to swoon for. I couldn't get enough. I liked this one a bit more but still not that much. It just ends. The conflict isn't resolved. The "couple" isn't reunited. It just stops. Then she finds out they wanted a foursome with her. It was a mess. I might have if it was a full story. Unfortunately she crashes it into a sign and gets stranded. Jo and Reeve have other plans. It's so sweet and so sexy. However luckily not all of them is human. I

do love me a good knot which these boys have. The premise was interesting. Now he is a patient at an unnamed institution. The premise was good. It was implied sort of I guess. But it was all so flat. \* The Night Visitor by S.J. Sanders - 5 stars \*S.J. Only that's not what Gralius is doing. So good. Would give more stars if possible. It ended suddenly and there wasn't enough romance. I loved this story. It was so good.\* The Filled Vessel by C.M. It's different but not bad different.
