

Monsters in Love: Wicked Tales and Monstrous Ever Afters By Evangeline Priest Monsters in Love: Wicked Tales and Monstrous Ever Afters The Stone And The Star by Jillian Graves 5/5 stars This was my first story by Jillian Graves and I really enjoyed it! The story.

They were HOT ☑. Rochelle 5/5 stars I am never disappointed by what C writes and this anthology short is my absolute favorite! We get that signature humor and that spice that Rochelle always delivers on! This story is an intro into the strange vacationland world and I can't wait to read more! Monsters in Love: Wicked Tales and Monstrous Ever Afters The Stone & The Star by Jillian Graves This was delightful! I enjoyed the quick plot and sexy times. LaneCara Wylde Sonia Nova Alexa Michaels Salem Cross Holly Hanzo Eden Ember Cady Austin Krista Luna Elsie Winters Daisy Shell Elizabeth Austin Monsters in Love: Wicked Tales and Monstrous Ever Afters I read an advanced copy of The Monsters I Desire.

The Mainerisms? Warmed my cold dead Mainer heart ♥ Monsters in Love: Wicked Tales and Monstrous Ever Afters The Orc Upstairs - C. He thinks she's putting on a show just for him but she doesn't know gargoyles are real! This short and very spicy novelette has just enough plot to tie everything together but focuses primarily on the interactions between the two main characters. "Such a fun romp with these two characters that I previously fell in love with in Stolen by the Alien Rogue - which you can get a free copy of via the author's IG bio!! ☑ Frankie & Zol return to rescue some humans from auction and it doesn't go as smoothly as hoped but what's some mild exhibitionism amongst friends?! I really enjoyed this short story - they make such a great team. Also I am once again questioning why my partner doesn't call me his soul's breath?? That repeated confession is so swoony! If I was Frankie.

My review is about The Stone and the star by Jillian Graves. Def pick it up for monster romance joy breeding horniness (literal) to me was an intro into the gargoyle world that Jillian has created and I'm excited to read more from her! I absolutely loved Colossus and Astra together paranormal and science fiction romance collection today. made sure to pack as much good stuff in there for her weird-hos as she could! And You Can't Get There from Here is definitely a major nod to her Monsterlovin' fans because our FMC Billie is a big ole monster smut-readin' weird-ho too and dang if that doesn't come in handy when things start to heat up. She has a serious knack for tickling my funny bone while making my face flame and this short was chock-full of great lines — so many in fact that I had a hard time narrowing it down for y'all because I couldn't write this review without leaving you with a tiny taste. ☑ (IYKYK) If that's not incentive enough for you to pick up this delightful monster anthology I would also like to mention that this is a prequel for the upcoming series Strange Vacationland that she's working on for us Monsterlovers! We get a sneaky-peek into what's to come as well as see a familiar name or two. I do remember really liking it but wanting more! Tempted: The Fallen - Vivienne Hart - 3 stars Eva trapped in a horrible relationship decides to have a night for herself and meets Slade the serpentine monster. "Your heart screamed for us did you know that?...And do you know what? Our hearts screamed back" The Clingy Summon - Daisy Shell - 3 stars A witch and a spider - who knew?! Meira gets trapped in a realm and Cutarr wants to keep her. She puts on a show for Colossus and she swears that he reacts... but how can he when he's a statue? The next day when making her way back to her building she runs into trouble which spurs her guardian gargoyle into action. Monsters in Love: Wicked Tales and Monstrous Ever Afters I'll continue to update as I read more stories but for now here are the 3 I received ARCs for x☑ Review for: You Can't Get There From Here by C. Plus it's the perfect set up for a future monster matchmaking series!! ☑ Hands down my favourite part was Billie showing off the knowledge she'd gained from reading werewolf smut. ☑ Review for: The Stone and the Star by Jillian Graves 5☑ 4☑ "I woke up injured on top of a d\*mn bell tower with no idea how I got here I'd be asking Zol to say it again and again too ☑☑ "The Goddess gifted you to me from the stars and I am the luckiest of males: Monsters in Love: Wicked Tales and Monstrous Ever Afters Review for The Demons Faerie Mate by

Elizabeth Austin: This is the third story I have read that takes place in the author's A Step Between Realms world: What is nice about this story is that it does give a bit of a peak into the world: I felt that this one was focused more on expanding this world then just about the romance, Which did not happen until the last like twenty percent of the story: Arc provided by author for honest review  
Monsters in Love: Wicked Tales and Monstrous Ever Afters Monsters do it better—especially when they fall in love: Dive into this stunning anthology filled with wicked tales and monstrous ever afters. These sweet and steamy short stories feature drool-worthy monsters as they woo and claim their human mates: Scroll up and one-click this limited edition fantasy.

A no-kill animal shelter organization: Including stories by: USA Today Bestselling Author Eva Priest writing as Evangeline Priest USA Today Bestselling Author Vivienne Hart USA Today Bestselling Author Dee J: Holm USA Today Bestselling Author Elle Cross USA Today Bestselling Author C. NascostaNova BlakeClio EvansAtlas RoseYD La MarVera ValentineAshley BennettCassie AlexanderUrsa DaxKaren KincyL. He is older and wants to pass on his title and retire to quiet: He decides to ask Lillie to be his mistress as he doesn't want to remarry or have another life bond since he lost his wife: We only get Lillie's POV and she seems like mostly a door mat or a hole: The Lord is like "whatever.

The relationship development was pretty good and the steam was spicyyyy: What she needs..."Short and smutty with a HEA! An Orc the way he should be and a woman who knows not to take anything for granted. Holm - 3 starsMaren is a seer locked away with little freedom and no life but she holds onto the dreams of her Knight. But her knight is very much real and has demons of his own. So much hate and evil surrounds them but they are connected far more than they think. "Finding each other in dreams again.

She ends up getting sold to an Orc half-breed to pay a debt, She ends up on Sojss and this is where she meets her Gargoyle. Ixtal guards and has never had any issue with doing his job until Emily touches him and he realizes she is his fated mate, But he is hesitant to claim her for many reasons but when things go south he steps in: Emily was kind of annoying to be honest and Ixtal was rather dry. So I Banged a Bigfoot - Kristen Strassel - 3 starsThe title says it all, There were some things in here that just aren't my thing (past mate[]) but it wasn't bad, No longer a family with money and power.

The one that he saved from being sacrificed many years ago: Not a lot of relationship development and Daria was a brat. This ends on a HFN with their story possibly being revisited. 5 - 4 starsEnya is a fire faerie and hides her true nature because strong emotions were triggers and she could easily burn everything to ash: One night a demon named Sarkin from the underworld finds his way into her world. Enya and Sarkin are fated and they'll burn the world down to be together. My heart wanted to love her" This was steamy steamy and both the hero and heroine were strong characters: Heart of a Satyr - Cara Wylde - 3 starsDiana finds Thyas in her barn injured and military is after him. He is from Silenos and he's a sileni that has fallen through a portal: Thyas is such a teddy bear and incredibly sweet and nurturing, "They fall slowly into like and lust and Thyas believes she is his mate, Live.

And now a f\*cking gargoyle has... has come to life and is telling ME to calm down!" A voyeur gargoyle & an exhibitionist potter: My favourite part was Astra coming to terms with gargoyles and realising that Colossus felt rejected by her so she'd need to make a bold move to claim her monster. [] These two are really fun to \*watch\* and I'm definitely intrigued to learn more about them! CWs attempted SAThanks to the author for the ARC - all opinions are my own, [] Review for: Owned by the Alien Rogue by Krista Luna5[] 3[] "Frek: The short and steamy novella is set within Jillian's Gargoyle world. Colossus is a gargoyle who watches over Astra every night and tries to keep her safe. She thinks that he is a statue until one fateful night she decides to show her inner desires in

front of him without realizing it: Special thanks to Jillian Graves for providing me with this ARC copy: Monsters in Love: Wicked Tales and Monstrous Ever Afters Oh my lord all of these were great. Proceeds will benefit Best Friends Animal Society Salem Cross's contribution to this anthology: With each new story she's crafting new creatures and magic that are truly imaginative: This was a second chance FMMM human/monster romance I also read an ARC of Devil's Night Sabrina Day's contribution: My girl is flexing her pen by contributing to the joy that is monster romance: This was hilarious sexy monster loving goodness with a side of torture: Because it's the intro to a full length story and I am a Sabrina Day fiend in serious need of a fix: and because our MMM (main male monsters) are into that kind of thing: This was a little creep a little embarrassing and a lot intriguing: Monsters in Love: Wicked Tales and Monstrous Ever Afters ARC review for C: Rochelle's "Can't Get There From Here" only for the time being; will update with the full anthology when I obtain it! □ You Can't Get There From Here — C. 5/5 This tasty snack of a monster romance read brought all my favorite flavors of werewolf to the table: size difference consensual primal/chase play mating bites and knotting: YUM! ;) The only reason the spice-o-meter isn't higher is because of the length/page constraints; you can only fit so much into these shorts — but C. □ I would be remiss to not mention that in addition to spicy this short also holds up to all of C. "'You're 'knot' sure hmm?" she murmured a secretive smile playing on her luscious lips. " He doesn't even tell her to call him his name Efraim until the very end, I'm not a fan of this romance if you can call it that. 5 stars If you've read Cherry On Top then you'll recognize this world: Krothu is an Orc President of the Berserkers MC and a part-time bodyguard: He's enamored with Plum and loves making excuses to be around her. When Plum needs a fake date to a family dinner Kro steps up and offers to help, Every little move she made drove me mad" Kro was such an alpha teddy bear and I loved how he loved Plum: He was confident unintentionally witty and funny and such a voice of reasoning all the time. Plum was so real and relatable and such a refreshing female character, For such a short story they find solace in each other briefly but when Maren is ripped from their coupling she realizes her destiny: This ended on a cliffhanger and was a small sampling of the world and story to come: Bepelled Brews - Elle Cross - No Rating I read this story in Monsters in Love Vol: The two have a steamy encounter and it's obvious they're meant for more but Eva disappears leaving Slade to try and hunt her down. Unfortunately it wasn't long enough for much development but I definitely want to read about how they'll get their HEA. 5 - 4 stars Cassiopeia once someone is now a slave on Zure and is at an alien gladiator game, Kastor has been tasked with locating and retrieving Cassiopeia and doesn't plan on hurting her but saving her instead, Cassiopeia seeks comfort in Kastor and he is happy to oblige. I will rut her often breed her and devote myself to keeping her safe: My little human mission doesn't know it yet but she is already mine "I'm not usually into the master/pet relationship but it was light here and so it was kinda hot. Fun and a little silly this short story had loads of steam and a HEA. The Monster's Mistaken Bride - Ursa Dax - Did Not Read - No Rating Unfortunately I'm not interested in this story: 5 - 4 stars Billie goes back to her vacation home and runs into the wolf Oren. Billie is scared at first but a memory is tingling in the back of her mind, "This was short and steamy with a HEA and I really enjoyed it. Hoping to see more from this world soon! Dark - Atlas Rose - 4 stars Violet sick of her now ex-boyfriend runs into a forest to get back to Dregon. Dregon is a mothman hunter from a different world and Violet wants him after their last encounter, Before they can get away the two of them are spotted by Violet's ex and their friends and now they'll be on the run and hunted. I'm almost positive the start of their story was in the previous anthology, "There you go" he murmured and opened those mammoth wings. "I really liked both characters and the character and relationship development was pretty good for being short: This ends on a HFN with room to continue their story and other stories. Violet...Or I could just call you mine?" Curse of the Cyclops - Clio Evans - No Rating This story was in Monsters in Love Vol: I can't remember if I read it or not but it does contain MM with MF and I prefer no MM when a F is involved, Soul of the Beast - Sonia Nova - 2 stars Zorq was created by the Krezlians and has unique characteristics. Despite the fact he relies on body language and mining he doesn't lack intelligence. He works for the Alliance and has a good life but craves a companion and love, Stumbling upon a bakery he spies a beautiful

worker and witnesses her getting bullied: The man she works for beats her but she has no one else and very little means to make a life for herself: When things go south Zorq helps Aaliyah set up a new life and he hopes he can be a part of it. The shadow-cyclops that can split into three are back and want Candice to hear them out, Ollie Elgras and Selgrin (Ogan single form) left but as much as they hated leaving they did it for her, They wanted her to be sure her decision of giving them her soul was what she really wanted. Ending with a HEA this was good even when it was frustrating lol: "I finally have my mate in my grasp and I have no reason to let go of you any time soon" This ends on a cliffhanger with no steam. 5 stars

Bethany finds a bloody heart from a stalker and disappears to an abandoned home, HFN maybe? Welcome Inn - Vera Valentine - 4 stars

Dasha needs a hotel to stay at and ends up at the only place with availability. Rumors say it's haunted but she doesn't believe in such things, \*Hours later Dasha is awakened sharply and she is being attacked. Is he here to save her? Dasha is attacked by old lore creatures and taken to a Nissemaster for nefarious purposes, Alexei is a domovoi and the two of them will have to work together to get out alive: There is nothing more sacred more treasured to a domovoi than their home" This was really unique interesting funny and steamy. 5 - 3 stars

Emily leaves her life on Daerr looking for adventure. Seeking help from the Goldenclaw Orcs is a dangerous move but a move she must make nonetheless, Alana is duped by the Orcs (or so she thinks) and finds herself stuck with the evil Lord Albright. When she is out riding she runs into the three brutes again: "There's a bit of suspense in here that I really loved reading. You get one impression but things are not what they seem: Alana grows into such a beautiful and strong woman and I loved her transformation to someone that saves herself, "When the flame and the clan achieve balance glorious songs are written. The 13th Hour - YD La Mar - 3 stars

No idea what I just read☐☐: Tooth Fang & Claw - Cassie Alexander - Did Not Read - No Rating

MMMM isn't really my cup of tea: Michaels - 3 stars

Finn the Kraken finds his mate in Daria Laugh Lurk - Elsie Winters - 3: 5 stars

Lilith finds Alistair the mothman living in her apartment building and they share an appreciation of plants and the like, Lilith was a good character and Alistair was a cuddly fluffy bug, "I fear that breeding you has become my new favorite thing. "Shadow Monster - Karen Kincy - 4 stars

An incubus who wants his mate: Jessamyn knows there's a monster under her bed and Obscurax has come to claim her: "I want to catch you tear off your clothes and fuck you in the forest on your hands and knees: And most of all I want you to desire it...An incubus can taste their prey's desire in the air, This ends on a HFN and was mostly smut with no plot but I'm not complaining. 5 - 4 stars

This was a short novella for Tegan and Atlas from Bennett's Leviathan Fitness world: Enjoyed it! Devil's Night - Sabrina Day - Did Not Read - No Rating

Unfortunately I'm not interested in this story: Owned by the Alien Rogue - Krista Luna - 3 stars

An alien mercenary and his mate on a mission, Frankie and Zol are cute as hell and steam up the sheets too: 5 - 4 stars

Thrown into a labyrinth to be hunted Meg doesn't expect to be saved by her mate. Tredion spots Meg and she triggers all his mating and protective instincts, I will kiss her better" This was unique and steamy!

The Stone and the Star - Jillian Graves - Colossus and Astra are such a pair, Overall a good anthology with several stories I really enjoyed. If you like Monster romance enjoy! Monsters in Love: Wicked Tales and Monstrous Ever Afters This review is for The Stone and the Star by Jillian Graves: Colossus is a gargoyle keeping watch over a building nearby in which Astra resides, They've both caught each other's eyes over the weeks and Astra is about to burst: Suddenly all bets are off and they're clawing at each other (literally), There's just something about gargoyles and Jillian always gets them right, Maybe it's the protective vibes or is it the tail? Either way they both feature in this story and they definitely don't disappoint: Rochelle5☐ 3☐☐ "If I need you to stop my safe word is Oklahoma..."

Billie returns to her family's old cabin in the woods and discovers a monster has been living there. ☐☐☐ Despite its short length you definitely get enough backstory to relate to and enjoy the characters with a good balance of plot to spice: Could she be any more relatable?! ☐☐☐ "The legendary Turner Beast gaped at me in shock clearly unprepared to encounter such a well-read wannabe monster-fucker. "Thanks to the author for the ARC - all opinions are my own. "Thanks to the author for the ARC - all opinions are my own. Monsters in Love: Wicked Tales and Monstrous Ever Afters

[1]

Horniness (sexual) and more. If you are new to Elizabeth. It is ok if you have not read the other books. They can each be read as standalone stories. Those scenes involving Enya and Sarkin were spicy. Want to know why you should read monster romances. monster tail = two eggplants. You Can't Get There From Here by C. It had just enough world building. Holmes writing as Dee St.M.V.M. Nascosta - .5 - 1 star Lillie is a housekeeper for Lord Ellingboe. She's attracted to the beastly Orc. Lillie agrees and there's a HEA. I HATE the dead past lover/mate trope. Loathe it. After all the Orc way should be the only way. "I know what my baby girl wants. Really enjoyed this. A Calling of Fur and Fate - Dee St. "...every nightmare holds a place for hope. This was steamy but a little boring. Stone Heart Monster ends on a HEA. But that bang turns into more and a cliffhanger. Cinnamon roll hero and a cool heroine. Orc Tested - Cady Austin - 4.75 stars Alana's life has changed drastically. This was ok. The Demon's Faerie Mate - Elizabeth Austin - 3. "I wanted her. My hands wanted to feel her. My tongue wanted to taste her. My cocks wanted inside her. This ends on a HFN with possibly more. Diana is kind and unassuming. "I am free when I am with you. This was steamy and quick with a HEA. This job just went about as unsmooth as you could get. The novella is short steamy and sexy. Just how I like them. This is my voluntary review. It was a very creative and steamy short. Light but still. Rochelle | Stars 5/5 | | Spice 3.'s stories in the humor department too. "Careful little flower. I'm not sure you could handle my fancy accessory. ;) Also you'll do. So romantic let me tell ya. A Plum Job - Evangeline Priest - 4. She is the pastry chef at Ma Chérie. "She was perfect. No unnecessary miscommunication. 1: Lost in the Labyrinth. This ends on a cliffhanger and I'm intrigued. Mastered by the Gladiator - L.V. Lane - 3. Kastor a red skinned and horned alien is fighting. When he wins he selects Cassiopeia as his reward. She is a wealthy woman and her family betrayed her. "I will claim and master her. I will make her my pet. You Can't Get There From Here - C. Rochelle - 3. Oren and Billie are meant to me. "This is where I belong. I belong with you because I've always been yours. This is a continuation and it was steamy and entertaining. "Come to me. "I'll call you whatever you want Mate. Lover. Delicious. 1: Lost in the Labyrinth. He's big intimidating and doesn't speak much or well. It's that moment he decides to step in. Aaliyah has scars literally and figuratively. Her story is incredibly sad. This was fine but there was ZERO steam. So I feel cheated. The Monsters I Desire - Salem Cross - 3.5 stars Candice is heartbroken after her demon lovers leave her. She still hasn't recovered from the heartbreak. One night they return. Admirable? Sure. "There's no us without you." Candice gave in way too quickly but I get why. This was short. This was steamy. I'm intrigued. Within These Walls - Nova Blake - 2. But it's not abandoned after all. "Don't worry love" I told it. "You own me as much as I own you." This house is alive and wants Bethany. This was kind of weird lol. Sitting at dinner a beautiful man named Alexei walks in. He promises he will see her soon \*wink wink. She sees what she believes is Alexei. "My little home Dasha. It means you are my little home. This ended with a HFN/HEA. Enjoyed it. Stone Heart Monster - Eden Ember - 2. However she is desperate for help. Brun Varl and Taurin have plans for her. "You bloom so nicely for us wicked pet. I wasn't sure what would happen. I also loved the

sneakiness of the Orcs."This was steamy and really well written. I wanted more. But it was entertaining and steamy. I prefer just MM so I decided not to read. Yearning For the Dark - Alexa H. This was steamy. It was cute. This ends with a HEA. "Lilith" he said in a rumbling rasp. This was quick and dirty."Jessamyn has a choice to make. A Briar Glenn Halloween - Ashley Bennett - 3. Steamy and fun! "Knot me big bad wolf. I need it."Dirty and quick. "You are mine and I am yours." His strong arms pulled me closer. "Forever."Aliens and their tails man. Alien Tides - January Bell - 3. "I will hunt her. I will find her. A gargoyle and a human. A gargoyle who saves his woman. "I've got you my star."This was HOT. Ending with a HFN. This could have benefited from some additional editing. This was a really enjoyable read. I received an ARC in exchange for an honest review. Fortunately for him she's not running away... yet
