Traitor in the shadows is the prequel to the Ruinous Lies series: The series contains adult content +18 Traitor in the Shadows (Ruinous Lies #0)WowI didn't know how much I would love this book, Fantasy Romance Paranormal Ate that shit up and I will make it my whole personality Fantasy Romance Romance Paranormal Fascinating fantasyAn exquisite fascinating fantasy: Now somewhat tamed the microscope has morphed into a computer and I spend time plotting dire situations for my protagonists than being in them myself. Their wicked dance around each was fascinating. So hot to trot! want and need more. Falling for Aven was not a part of his plan. Until she did something unforgivable. A great fantasy with really excellent writing. Has a little of everything in it. Manneñ is extraoradinary. Aven is beguiling. All the characters are described perfectly. The story line is ominous.I am the author of books that won't stay normal..
