DJ was a hunky cowboy what on earth was going through the publisher's head when they designed the cover with the preppy dude? I have no desire to read any more in this series. **If he had been with me book 2** But I take comfort knowing that Bella is only a page turn away in three of my favorite books of all time WEDDINGS BY BELLA!! This review is my honest opinion Thanks to Revell publishes for a copy to review. **Dora had a little lamb book** Available May 2010 at your favorite bookseller from Revell a division of Baker Publishing Group Religion Spirituality Romance Nonfiction This was the fifth book I've read by this author and I loved it every bit as much as all the others! And this one definitely did not disappoint on any of those counts! Overall I loved this book and highly recommend it as well as the rest of the series this is definitely a series that is best read in order. **It had to be you meaning** A friend loaned me their kindle copy thanks! Religion Spirituality Romance Nonfiction Bella and the rest of the Rossi clan return for a third outing of wedding-fueled hilarity in It Had to Be You the final novel in Janice Thompson's "Weddings by Bella" series. **James haddock kindle books** Bella's beloved Aunt Rosa and Uncle Laz have finally foregone constant feuding in favor of marriage and tasked Bella with planning an elaborate forties-themed wedding complete with live swing music. **Old macdonald had a farm book** When a former mob boss is added to the mix who disapproves of the bride-to-be Bella's best friend disappears and interest in Club Wed explodes Bella wonders if plans for her own dream wedding to her cowboy fiancé D. **Chris hadfield book** In order to make her own happily ever after come true Bella has one final lesson to learn about trust and control in order to step fearlessly into her future full of faith. **Old macdonald had a farm book** There have been times when Bella's character has been a bit frustrating since she never seems to move past the insecurities that plague her perception of herself and her abilities. **It had to be you book** When it comes time to realize her own bridal dreams Bella finally learns a valuable lesson - that receiving can be as much of a gift as giving and true freedom can be found in relinquishing control to a God one can trust to guide your steps. **It had to be you phillips novel** But more than Bella's story this is a trilogy about family and all of the ups downs drama and love that comes with the territory of belonging to a group of unique and varied personalities. **Book it had to be you** A large part of the

series' appeal is the characters' appreciation of classic song - and like the classics of Frank Sinatra and Dean Martin the Rossi family virtues of unconditional love forgiveness and support endure and make you want to spend time with Bella and her whacky family. **It had to be you traduction** :) Religion Spirituality Romance Nonfiction

It took me far too long to get to the final installment of this wonderful series. **If he had been with me book** I thoroughly enjoyed the book but I have to admit that I thought a lot was going on and some readers may feel almost as overwhelmed as Bella, **Old macdonald had a farm book** I think the author had a lot of subplots to tie up and with a couple of them she could have had almost enough to stretch into another book, **The book you wish your parents had read pdf** There is Bella's wedding Uncle Laz and Aunt Rosa's wedding another engagement in the family a few more weddings planned a couple romances for some close friends , **It had to be you phillips novel** Having said all that I love the humor in these books and the sense of family that permeates the pages and sucks you in. **It Had to Be youzoo** I have said it before - but I would love to be adopted

by this family (for the food if nothing else), **The book you wish your parents had read** Religion Spirituality Romance Nonfiction I am writing this review with a touch of sadness because now the Weddings by Bella series is over: **It had to be you read online free** That is indeed a sad occasion but I have enjoyed every minute of it from the very beginning: **If he had been with me book 2** It provides a wonderful reminder of the joys of family during times of struggle and celebration, **It Had to Be youzoe** The Rossi family well and the Neeley family are both families I would love to know in real life: **It had to be you song bookpedia** This book still has plenty of the humor that I have enjoyed since Fools Rush In but it has a double dose of sweetness that I really needed right about now: **It Had to Be youzoo** I found myself able to relate to Bella much more in this story than in the previous two books, **It had to be you natasha henstridge** She and I struggle with many of the same issues spiritually. **It Had to Be youzik** She let her guard down more in this story and I got a good look at her struggles and how God can help with those struggles even when we resist, **If only i had told her pdf** She learned many important lessons as she tried to do too much and tried too hard to prove herself. **The house of hades pdf** I'm sure a lot of women will see themselves in Bella and they will be able to learn a lot from her, **If he had been with me pdf** If you have enjoyed this series from the beginning as I have you will love It Had to Be You. **If only i had told her book** Janice Thompson knows her readers and she loves to give us what we want and she does it so well: **James haddock kindle books** I would highly recommend reading the first two books in this series before reading It Had to Be You: **If he had been with me book 2** I would hate for you to miss a moment of this fun funny and sweet series: **It Had to Be youzign** Religion Spirituality Romance Nonfiction Can you say "word from God"? He is a character that will melt your heart: **It had to be you fresh prince** All the other zany characters from books past are back and still never fail to crack me up, **Chris hadfield book** There are even more hilarious characters added to the mix and situations that will nearly make you bust a gut: **It Had to Be youzign** I'm sad to see the end of this series but I thought that this was a great conclusion to the Bella stories, **Chris hadfield book** However... if we just HAPPENED to see Bella and everyone else again in some other series down the road well... I certainly wouldn't object. **If he had been with me book** Their forties-style wedding is sure to be a night to remember: **If he had been with me book 2** But when the Rossi house begins to fill up with family from Italy--and an old mobster from New Jersey--life starts to get complicated. **It had to be you 2000** It was so great! I was very happy with how this book turned out and I liked how we tied everything up so nicely, **It Had to Be youzeek** Some of it almost seemed over the top--one thing after another after another but it was still the same fun light easy writing style: **It Had to Be youzili** Their forties-style wedding is sure to be a night to remember, **If he had been with me book** But when the Rossi house begins to fill up with family from Italy--and an old mobster from New Jersey--life starts to get complicated: **It had to be you book** It Had to Be You (Weddings by Bella #3)Who said life was easy?Bella Rossi is beyond thrilled to be planning her aunt and uncle's wedding as well as her own, **The book you wish your parents had read pdf** But this is the Rossi family so you can expect hilarity and complications galore: **It Had to Be youzign** Throw in a former mob boss a missing best friend a trip to the hospital and even more family members showing up Bella has her work cut out for her, **It had to be you 2000** Religion Spirituality Romance Nonfiction This book was cheesy really cheesy, **If he had been with me book** There were some cute and funny lines and I smiled a number of times. **It Had to Be youzoo** When Bella was angry She thought 'God I've stepped out from under your anointing: **The fun they had pdf** When the family was in the middle of World War 3 (grossly cliché) Bella tells her fiance The worst part is we've lost our witness: **Chris hadfield book** Annoying!!The drama was unrealistic the minds too pure to be true: **It Had to Be youxmoto** (DJ blushed when he told his fiance he wanted a king-sized bed in the master bedroom: **It had to be you book** I will miss joining in on the fun and am sorry to see the

series come to an end which in my opinion is the mark of a truly wonderful book- or in this case books: **It Had to Be youzili** Several long-distance members of the Rossi family descend on the household for the celebration complicating the wedding preparations with their own personal drama and opinions, **If he had been with me pdf** will be lost in the drama and busyness of everyone else's lives. **Book it had to be you** With It Had to Be You Thompson brings Bella's story full circle: **It had to be you book 2015** But she's seen both personal and professional success on the wedding front since Club Wed brought D: **It Had to Be youzign** into her life and his support has been integral to both the business's success and Bella's growing confidence as a wedding planner. **Book it had to be you** The Rossis are truly the Italian version of My Big Fat Greek Wedding with all of the family love and drama grounded by a rock-solid Christian faith. **If he had been with me pdf** While this installment feels a bit preachier than volumes one and two fans of the series will not want to miss a third helping of Thompson's trademark warmth and humor. **The fun they had pdf** This is as breezy and fast-paced a read as the first two novels in the "Bella" series, **It Had to Be youzoo** It's critical to read the series in order since the events of each subsequent book follow closely on its predecessor: **It had to be you book** One of my favorite elements of this story is how the family's love of pop standards takes center stage thanks to the theme of Rosa and Laz's wedding. **It Had to Be youzu** I loved reading about the planning involved in bringing my favorite time period to life for two characters who've been so much fun to read about throughout the series, **If he had been with me book** Speaking of Rosa and Laz I really appreciate how Thompson doesn't limit love and marriage to the younger characters alone: **It had to be you scene** In Bella's life people of all ages sizes and backgrounds fall in love left and right in this series just one of the reasons that make this trilogy such a joy to read: **It Had to Be youzili** It Had to Be You is a satisfying conclusion to the frothy fun and heart of the "Weddings by Bella" series: **Old macdonald had a farm book** Once you start reading you won't want to stop - and I can promise you'll be craving Italian food: **It had to be you scene** Whether you're looking for inspirational romance quirky cozy mysteries light hearted historicals or fun books for younger readers you will find it here: **If he had been with me book 2** You will also find an abundance of non fiction books guaranteed to ease life's burdens: **It Had to Be youzoo** Whether you're looking for inspirational romance quirky cozy mysteries light hearted historicals or fun books for younger readers you will find it here. **The house of hades pdf** You will also find an abundance of non fiction books guaranteed to ease life's burdens[1]

Nonfiction This is a series to remember. . and a few bumps in the road on the way to bliss.I'm sad the series is over. It's like saying goodbye to close friends. It Had to Be You is a fitting ending to the series. There is so much joy and happiness in this story. He comes first. Then family friends and work. And of course D.J. Love him! He's so thoughtful. Too funny. It was the perfect conclusion to the trilogy. and then I found out that she wrote another one.What I really loved about this book is how D.J. It was a cute story.This is a clean laugh out loud comedy you'll love. I highly recommend this for all ages. Not enough to compensate for the negative thoughts though.It was overly christian.' I tired of those types of phrases early. Religion Spirituality Romance only a pure and lovable romance.J.I did not get this book for review.J.J
